

DEPARTMENT OF EDUCATION**National Committee on Foreign Medical Education and Accreditation**

AGENCY: Office of Postsecondary Education, National Committee on Foreign Medical Education and Accreditation, Department of Education.

ACTION: Request for Nominations to Serve on the National Committee on Foreign Medical Education and Accreditation (NCFMEA).

SUMMARY: At this time, the Secretary of Education invites interested parties to submit nomination(s) for individuals to serve on the National Committee on Foreign Medical Education and Accreditation (NCFMEA).

SUPPLEMENTARY INFORMATION: The NCFMEA was established by the Secretary of Education under Section 102 of the Higher Education Act of 1965, as amended. The Committee shall consist of eleven (11) members appointed to a three year term (initial terms will be staggered one year, two year, or three year term, as determined by the Secretary of Education), one of whom shall be a student at the time of appointment, enrolled in an accredited medical school. As of September 30, 2014, the terms of the current eleven (11) NCFMEA members will expire.

Upon request from a foreign country, the NCFMEA evaluates the standards of accreditation applied to applicant foreign medical schools in that country and determines the comparability of these standards to standards for accreditation applied to medical schools in the United States. Medical schools located in foreign countries that lack an NCFMEA finding of comparability of their accrediting standards are not eligible to have their U.S. students receive Federal student aid funds under Title IV of the HEA.

Nomination Process: Any interested person or organization may nominate one or more qualified individuals for membership. If you would like to nominate an individual or yourself for appointment to the NCFMEA (including incumbents who wish to seek reappointment), please submit the following information to the U.S. Department of Education's White House Liaison Office.

- A cover letter addressed to the Secretary of Education that provides your reason(s) for nominating the individual; and
- A copy of the nominee's current resume or curriculum vitae.
- Contact information for the nominee (name, title, business address,

business phone, fax number, and business email address).

In addition, the cover letter must include a statement affirming that the nominee (if you are nominating someone other than yourself) has agreed to be nominated and is willing to serve on the Committee if selected. Nominees should be broadly knowledgeable about foreign medical education and accreditation, respected in the educational community, and representative of the relevant constituencies.

DATES: Nominations via mail for the NCFMEA must be postmarked by June 16, 2014. Electronic or hand delivered nominations must be received by no later than 12:00 noon Eastern Daylight Savings Time June 16, 2014.

SUPPLEMENTARY INFORMATION: On September 24, 2013, EPA Region 4 requested public comments on a preliminary determination to issue a

PSD air quality permit for the Shady Hills SHGS project. A total of 60 comments from 2 commenters were received (via email and the regulations.com site) during the public comment period, which closed on October 24, 2013.

On January 23, 2014, EPA Region 4 requested public comments on a preliminary determination to issue a PSD air quality permit for the NHPC Okeelanta project. A total of 9 comments from one commenter were received (via email) during the public comment period, which closed on February 24, 2014.

The EPA reviewed each comment received and prepared a Response to Comments document for each of the two projects. After consideration of the expressed view of all interested persons, the pertinent Federal statutes and regulations, the applications and supplemental information submitted by the applicants, and additional material relevant to the applications and contained in the Administrative Records, the EPA made final determinations in accordance with title 40 CFR part 52 to issue final air permits.

Under 40 CFR 124.19(f)(2), notice of any final Agency action regarding a PSD permit must be published in the **Federal Register**. Section 307(b)(1) of the Clean Air Act (CAA) provides for review of final Agency action that is locally or regionally applicable in the United States Court of Appeals for the appropriate circuit. Such a petition for review of final Agency action must be filed within 60 days from the date of notice of such action in the **Federal Register**. For purposes of judicial review under the CAA, final Agency action occurs when a final PSD permit is issued or denied by the EPA and Agency review procedures are exhausted, per 40 CFR 124.19(f)(1).

Any person who filed comments on the draft permits was provided the opportunity to petition the Environmental Appeals Board by the end of February 14, 2014, for the Shady Hills permit, or by the end of April 17, 2014, for the NHPC permit. No petitions were submitted for either of these permits. Therefore, the Shady Hills permit became effective on February 15, 2014. The NHPC permit became effective on April 18, 2014.

Dated: May 2, 2014.
