Summary: In accordance with the requirement of Section 3506 (c)(2)(A) of

the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB’s estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Title and purpose of information collection: Certification of Termination of Service and Relinquishment of Rights; OMB 3220–0016.

Under Section 2(e)(2) of the Railroad Retirement Act (RRA), an age and service annuity, spouse annuity, or divorced spouse annuity cannot be paid unless the Railroad Retirement Board

(RRB) has evidence that the applicant has ceased railroad employment and relinquished rights to return to the service of a railroad employer. Under Section 2(f)(6) of the RRA, earnings deductions are required for each month an annuitant works in certain non-railroad employment termed Last Pre-Retirement Non-Railroad Employment.

Normally, the employee, spouse, or divorced spouse relinquishes rights and certifies that employment has ended as part of the annuity application process. However, this is *not always* the case. In limited circumstances, the RRB utilizes Form G–88, *Certification of Termination of Service and Relinquishment of Rights*, to obtain an applicant’s report of termination of employment and relinquishment of rights. One response is required of each respondent. Completion is required to obtain or retain benefits. The RRB proposes no changes to Form G–88.

Estimate of Annual Respondent Burden

The estimated annual respondent burden is as follows:

Form No.	Annual responses	Time (minutes)	Burden (hours)
G–88	3,600	6	360
