

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁹ and Rule 19b-4(f)(6) thereunder.²⁰

The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. The Commission notes that options on the iShares MSCI Mexico Index Fund currently trade on other exchanges. The Commission designates the proposed rule change to be operative upon filing.²¹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

May 21, 2014.

On March 18, 2014, NYSE MKT LLC (the "Exchange" or "NYSE MKT"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² filed with the Securities and Exchange Commission (the "Commission") a proposed rule change to amend Rule 98 to adopt a principles-based approach to prohibit the misuse of material non-public information. The proposed rule change was published for public comment in the *Federal Register* on April 7, 2014.³ The Commission received no comments on the proposal.

Section 19(b)(2) of the Act⁴ provides that within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether these proposed rule changes should be disapproved. The 45th day for this filing is May 22, 2014.

The Commission is extending the 45-day time period for Commission action on the proposed rule change. May 21, 2014.

On March 24, 2014, NYSE Arca, Inc. The proposed rule change was published for comment in the **Federal Register** on April 11, 2014.³ The Commission has received no comments on this proposal.

Section 19(b)(2) of the Act⁴ provides that, within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-72204; File No. SR-ISE-2014-12]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending Rule 1614

May 21, 2014.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that, on May 8, 2014, the International Securities Exchange, LLC (the “Exchange” or the “ISE”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which items have been prepared by the Exchange. The Exchange has filed the proposal as a “non-controversial” proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend ISE Rule 1614 (Imposition of Fines for Minor Rule Violations) to incorporate violations of ISE Rules 803 (Obligations of Market Makers) and 804 (Market Maker Quotations) into the Minor Rule Violation Plan (“MRVP”) and to delete obsolete rule text. The text of the

proposed rule change is available on the Exchange’s Web site www.ise.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to amend ISE Rule 1614 to: (1) Separate violations of the quotation spread parameters from one violation into two: One for pre-opening quotation spread parameters and one for post-opening quotation parameters, as set forth in ISE Rule 803 (Obligations of Market Makers); (2) incorporate violations for failing to meet the Exchange’s continuous quoting obligations, as set forth in ISE Rule 804 (Market Maker Quotations); and (3) to delete obsolete rule text.

The Exchange believes most of these violations are inadvertent and technical in nature. Processing these routine violations under the MRVP would decrease the administrative burden of regulatory and enforcement staff, as well as, that of the Business Conduct Committee. In addition, staff would be able to more expeditiously process routine violations under the MRVP.

Quote Spread Obligations (Rule 803).

The MRVP currently combines pre-opening and post-opening quote spreads into one MRVP violation and defines an instance as one quote violation. Under the current plan, if a member has over forty (40) instances of quote spread violations, the matter must be handled outside of the MRVP and a formal action must be brought. Given these limitations, the Exchange has never been able to use the MRVP for quote spread violations since Members average millions of quotes per day. Therefore, the Exchange is now proposing to split the quote spread
