

on TGP's rate from the *Preliminary Determination*. In light of the Department's assignment of total AFA to TGP (and, previously to Ametai Co., Ltd. and Thareus Co., Ltd (Ametai/Thareus), the other mandatory respondent in this investigation), TGP's rate is no longer appropriate for the all others rate. In cases where there are no weighted-average dumping margins besides zero or *de minimis*, or where the rates established for individually investigated entities have been determined entirely under section 776 of the Act, the Department averages the margins calculated in the petition and applies the result to all other entities not individually examined.<sup>10</sup> The average of the petition margins (*i.e.*, 23.77 percent and 24.01 percent) is 23.89 percent.<sup>11</sup> Therefore, the "All Others" rate applied to all other entities not individually examined is 23.89 percent.

### Final Determination

The Department determines that the following final dumping margins exist for the POI:

| Manufacturer/exporter                             | Dumping margin (percent) |
|---|--------------------------|
| Ametai Co., Ltd./Thareus Co., Ltd .....           | * 24.01                  |
| Thai-German Products Public Company Limited ..... | 24.01                    |
| All Others .....                                  | 23.89                    |

\* Unchanged from the *Amended Preliminary Determination*.

### Disclosure

The Department intends to disclose calculations performed for this final determination to the parties within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

### Continuation of Suspension of Liquidation

In accordance with section 735(c)(1)(B) of the Act, the Department will instruct U.S. Customs and Border

Protection ("CBP") to continue to suspend liquidation of all appropriate entries of WSPP from Thailand as described in the "Scope of the Investigation" section, which were entered, or withdrawn from warehouse, for consumption on or after January 7, 2014, the date of publication of the *Preliminary Determination* in the **Federal Register**. CBP shall require a cash deposit equal to the estimated amount by which the normal value exceeds the U.S. price as follows: (1) The rates for Ametai/Thareus and TGP will be the rates we have determined in this final determination; (2) if the exporter is not a firm identified in this investigation but the producer is, the rate will be the rate established for the producer of the subject merchandise; (3) the rate for all other producers or exporters will be 23.89 percent, as discussed in the "All Others Rate" section, above. These instructions suspending liquidation will remain in effect until further notice.

### U.S. International Trade Commission ("ITC") Notification

In accordance with section 735(d) of the Act, we will notify the ITC of our final affirmative determination of sales at LTFV. Because the final determination in this proceeding is affirmative, in accordance with section 735(b)(2) of the Act, the ITC will make its final determination as to whether the domestic industry in the United States is materially injured, or threatened with material injury, by reason of imports or sales for importation of WSPP from Thailand no later than 45 days after our final determination. If the ITC determines that material injury or threat of material injury does not exist, the proceeding will be terminated and all securities posted will be refunded or canceled. If the ITC determines that such injury does exist, the Department will issue an antidumping duty order directing CBP to assess, upon further instruction by the Department, antidumping duties on all imports of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the effective date of the suspension of liquidation.

### Notification Regarding Administrative Protective Orders ("APO")

This notice also serves as a reminder to the parties subject to APO of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested.

Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This determination is issued and published in accordance with sections 735(d) and 777(i)(1) of the Act.

Dated: May 22, 2014.
