After receiving briefing from the parties and the public, on April 3, 2014, the Commission issued notice of its determination to affirm-in-part, modify-in-part, and reverse-in-part the final ID and to find a violation of Section 337. 79 FR 19640–41 (Apr. 9, 2014). The Commission found a violation of Section 337 with respect to (i) claims 1 and 4–8 of the '863 patent; (ii) claims 1, 3, 7, and 9 of the '666 patent; (iii) claims 1, 3, and 5 of the '487 patent; (iv) claims 21, 30, 31 and 32 of the '325 patent; and (v) claim 1 of the '880 patent. On the same day, the Commission issued an opinion, with a dissenting opinion from Commissioner Johanson, and the Commission issued cease and desist orders directed to CCUS and CCPK. The Commission terminated the investigation.

On May 2, 2014, the Respondents filed a motion to stay the cease and desist orders pending appeal. On May 14, 2014, Complainant Align and the IA filed responses in opposition.

Upon consideration of the motion and the responses, the cease and desist orders, and the relevant portions of the record, the Commission has granted the motion for a stay of the cease and desist orders pending appeal of this investigation.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Agency Information Collection Activities; Comment Request; Department of Labor Events Registration Platform

ACTION: Notice.

SUMMARY: The Department of Labor (DOL) is soliciting comments concerning the information collection request (ICR) titled, "Department of Labor Events Registration Platform." This comment request is part of continuing Departmental efforts to reduce paperwork and respondent burden in accordance with the Paperwork Reduction Act of 1995 (PRA), 44 U.S.C. 3501 *et seq.*

DATES: Consideration will be given to all written comments received by August 5, 2014.

ADDRESSES: A copy of this ICR with applicable supporting documentation; including a description of the likely respondents, proposed frequency of response, and estimated total burden may be obtained free of charge by contacting Michel Smyth by telephone at 202-693-4129, TTY 202-693-8064, (these are not toll-free numbers) or by email at DOL_PRA_PUBLIC@dol.gov.

Submit written comments about, or requests for a copy of, this ICR by mail or courier to the U.S. Department of Labor-OASAM, Office of the Chief Information Officer, Attn: Information Management Compliance Management Program, Room N1301, 200 Constitution Avenue NW., Washington, DC 20210; or by email: DOL_PRA_PUBLIC@dol.gov.

FOR FURTHER INFORMATION CONTACT: Michel Smyth by telephone at 202-693-4129 (this is not a toll-free number) or by email at DOL_PRA_PUBLIC@dol.gov.

Authority: 44 U.S.C. 3506(c)(2)(A).

SUPPLEMENTARY INFORMATION: The DOL, as part of continuing efforts to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies an opportunity to comment on proposed and/or continuing collections of information before submitting them to the Office of

Management and Budget (OMB) for final approval. This program helps to ensure requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements can be properly assessed.

This ICR pertains to the Department of Labor Events Registration Platform. More specifically, the DOL periodically requests the public to register to attend a DOL sponsored event. The Department of Labor Events Management Platform is a shared service that allows a DOL agency to collect registration information in a way that can be tailored to a particular event. As the information needed to register for specific events may vary, this ICR provides a generic format to obtain any required PRA authorization from the OMB. The DOL notes that registration requirements for many events do not require PRA clearance, because the information requested is minimal (e.g., information necessary to identify the attendee, address, etc.).

A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. *See* 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1290-0002.

Interested parties are encouraged to provide comments to the contact shown in the **ADDRESSES** section. Comments must be written to receive consideration, and they will be summarized and included in the request for OMB approval of the final ICR. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1290-0002.

Submitted comments will also be a matter of public record for this ICR and posted on the Internet, without redaction. The DOL encourages commenters not to include personally identifiable information, confidential business data, or other sensitive statements/information in any comments.

The DOL is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary

for the proper performance of the functions of the agency, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
