Summary of Order

On February 20, 2014, the Commission adopted a Third Further Notice of Proposed Rulemaking (Third FNPRM) in this docket, seeking comment on proposed wireless E911 location accuracy requirements. The Third Further NPRM set deadlines for filing comments and reply comments of May 12, 2014 and June 11, 2014, respectively.

On May 29, 2014, CTIA—The Wireless Association (CTIA) filed a request to extend the reply comment deadline an additional 30 days, until July 14, 2014. CTIA states that an extension of time is warranted due to the complex issues presented by the Third NPRM and the large number of initial comments filed in this docket. The National Emergency Number Association, Competitive Carrier Association, and Texas 911 Entities filed letters in support of CTIA's request.

We grant the request for an extension of time. As set forth in Section 1.46 of the Commission's rules, the Commission's policy is that extensions of time for filing comments in rulemaking proceedings shall not be routinely granted. In this case, however, an extension of the reply comment period is warranted for the reasons identified by CTIA. Specifically, we find that extension of the reply comment deadline to July 14, 2014 is warranted to provide commenters with sufficient time to prepare reply comments that fully respond to the complex technical, economic, and policy issues raised in the Third FNPRM and comments filed thereafter.

Accordingly, *it is ordered* that, pursuant to Section 4(i) of the Communications Act of 1934, as amended, 47 U.S.C. 154(i), and Sections 0.191, 0.392, and 1.46 of the Commission's rules, 47 CFR 0.191, 0.392, and 1.46, the Motion for Extension of Time filed by CTIA is *granted*, and the deadline to file reply comments in this proceeding is extended to July 14, 2014.

Federal Communications Commission.

Chief, Public Safety and Homeland Security Bureau.
