

(b) At the end of your project period, you must submit a final performance report, including financial information, as specified by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. Grantees are required to use the online data and reporting system, the International Resource Information System (IRIS), to complete their interim and final reports. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c).

4. *Performance Measures:* Under the Government Performance and Results Act of 1993, as updated by the GPRA Modernization Act of 2010 on January 4, 2011, the Department will use the following performance measures to evaluate the success of the UISFL Program: percentage of UISFL projects that added or enhanced courses in international studies in critical world areas and priority foreign languages; and percentage of UISFL consortium projects that established certificate and/or undergraduate degree programs in international or foreign language studies.

The information provided by grantees in their performance reports submitted via IRIS will be the source of data for these measures.

5. *Continuation Awards:* In making a continuation award, the Secretary may consider, under 34 CFR 75.253, the extent to which a grantee has made "substantial progress toward meeting the objectives in its approved application." This consideration includes the review of a grantee's progress in meeting the targets and projected outcomes in its approved application, and whether the grantee has expended funds in a manner that is consistent with its approved application and budget. In making a continuation grant, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).
