Who Must Report: The following U.S. persons must report on this survey:

(1) U.S. persons who manage the safekeeping of U.S. securities (as specified below) for foreign persons. These U.S. persons, who include the affiliates in the United States of foreign entities, and are henceforth referred to as U.S. custodians, must report on this survey if the total market value of the U.S. securities whose safekeeping they manage on behalf of foreign persons—aggregated over all accounts and for all U.S. branches and affiliates of their firm—is \$100 million or more as of June 30, 2014.

(2) U.S. persons who issue securities, if the total market value of their securities owned directly by foreign persons—aggregated over all securities issued by all U.S. subsidiaries and affiliates of the firm, including investment companies, trusts, and other legal entities created by the firm—is \$100 million or more as of June 30, 2014. U.S. issuers should report only foreign holdings of their securities which are directly held for foreign residents, i.e., where no U.S.-resident custodian or central securities depository is used. Securities held by U.S. nominees, such as bank or broker custody departments, should be considered to be U.S.-held securities as far as the issuer is concerned.

(3) U.S. persons who receive a letter from the Federal Reserve Bank of New York that requires the recipient of the letter to file Schedule 1, even if the recipient is under the exemption level of \$100 million and need only report “exempt” on Schedule 1.

What To Report: This report will collect information on foreign resident holdings of U.S. securities, including equities, short-term debt securities (including selected money market instruments), and long-term debt securities.
