to advise the public of the availability of the FY2013 Service Contract Inventory (SCI) and the FY2012 SCI Analysis. The SCI provides information on FY2013 actions over $25,000 for service contracts. The inventory organizes the information by function to show how SEC distributes contracted resources throughout the agency. SEC developed the inventory per the guidance issued on November 5, 2011 by the Office of Management and Budget’s Office of Federal Procurement Policy (OFPP). OFPP’s guidance is available at http://www.whitehouse.gov/sites/default/files/omb/procurement/memo/service-contract-inventories-guidance-11052010.pdf. The Service Contract Inventory Analysis for FY2012 provides information based on the FY 2012 Inventory. The SEC has posted its inventory, a summary of the inventory and the FY2012 analysis on the SEC’s homepage at http://www.sec.gov/about/secreports.shtml and http://www.sec.gov/open

SOCIAL SECURITY ADMINISTRATION

[Docket No. SSA–2014–0035]

Privacy Act of 1974; Proposed New System of Records

AGENCY: Social Security Administration (SSA).

SUMMARY: In accordance with the Privacy Act (5 U.S.C. 552a) we are issuing public notice of our intent to establish a new system of records entitled, Requests for Accommodation from Members of the Public (60–0378), hereinafter referred to as the RAMP system. We are establishing the RAMP system to cover information we receive from members of the public with disabilities who request accommodations in order to gain meaningful access to our programs.

Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) provides that no otherwise qualified individual with a disability will, solely by reason of his or her disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance or under any program or activity conducted by any Executive agency. Section 504 protects “qualified individuals with disabilities,” as defined in 45 CFR part 85, as “persons with a physical or mental impairment that substantially limits one or more major life activities.” Agencies are required to take appropriate steps to ensure that qualified individuals with a disability are not denied access to the programs and activities the agency conducts because of their disabilities. To ensure compliance with Section 504, the agency may need to provide auxiliary aids or services or modifications to the way it conducts its programs. We will provide accommodations based on five broad categories of impairments: Blind or visual; cognitive or learning; deaf or hard of hearing; mobility or physical; and psychological or emotional. However, individuals who have other types of disabilities may also request an accommodation.

We will use the information we collect to provide accommodations to qualified individuals with disabilities, to provide management information to the agency, and for research and statistical purposes.

DATES: We invite public comment on this new system of records. In accordance with 5 U.S.C. 552a(e)(4) and (e)(11), the public is given a 30-day period in which to submit comments. Therefore, please submit any comments by July 17, 2014.

ADDRESSES: The public, Office of Management and Budget (OMB), and Congress may comment on this publication by writing to the Executive Director, Office of Privacy and Disclosure, Office of the General Counsel, SSA, Room 617 Altmeier Building, 6401 Security Boulevard, Baltimore, Maryland 21235–6401, or through the Federal e-Rulemaking Portal at http://www.regulations.gov. All comments we receive will be available for public inspection at the above address and we will post them to http://www.regulations.gov.
