SUPPLEMENTARY INFORMATION: When submitting comments or requesting information, please include the Information Collection Request Title and document identifier HHS-OS-0955—New—30D for reference.

Information Collection Request Title: The Blue Button Connector.

Abstract: Office of the National Coordinator for Health Information Technology, is requesting an approval on a new information collection. The Blue Button Connector is a Web site that helps consumers and patients find their own health information online from the entities that collect their information (i.e. hospitals, physicians, labs, immunization registries, state health information exchanges etc.). The Connector also helps developers build

tools that respond to the readiness of the market. It also will provide links to apps and tools for consumers that use structured electronic health data.

Likely Respondents: Any entity providing health services to patients and or collecting health information on consumers which includes but is not limited to: Hospitals, physicians, labs, immunization registries, and state health information exchanges. Respondents will also include application developers with the capability to consume health information in a structured format from a patient.

Burden Statement: Organizations that would like to be listed on the Connector will fill out a 3–5 minute survey of nine questions. The survey will ask health data holding organizations to provide basic information about their access capabilities, reach, contact information and links to where patients could go to get their health data.

The total annual burden hours estimated for this ICR are summarized in the table below.

TOTAL ESTIMATED ANNUALIZED BURDEN—HOURS

Type of respondent	Number of respondents	Number of responses per respondent	Average burden per response (in hours)	Total burden hours
Providers	2,000	1	3/60	100
Hospitals	500	1	3/60	25
Labs	10	1	3/60	.5
State Immunization Registries	7	1	3/60	.35
