Type of Review: Renewal of an information collection.

Background: Section 109 of the Maritime Transportation Security Act of

2002 (MTSA) (Pub. L. 107-295) required the Secretary of Transportation to develop "standards and curriculum to allow for the training and certification of maritime security professionals." The Secretary of Transportation delegated this mandate to the Maritime Administration (MARAD) and the United States Merchant Marine Academy, which developed the required standards and curriculum. To assist parties implementing the education and training provisions of the MTSA, MARAD, in conjunction with the U.S. Coast Guard, developed a voluntary program of maritime security course approval. This program, in which course providers submit their course curricula and descriptions of their operations for review, provides a means through which providers may have their courses approved as incorporating the standards and curriculum developed under Section 109 of the MTSA.
