The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (IA ACCESS). IA ACCESS is available to registered users at <http://iaaccess.trade.gov> and is available to all parties in the Central Records Unit, Room 7046 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the internet at <http://enforcement.trade.gov/frn/index.html>. The signed Preliminary Decision Memorandum and the electronic version of the Preliminary Decision Memorandum are identical in content.

Methodology

The Department conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found

countervailable, we preliminarily find that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.⁵

For a full description of the methodology underlying all of the Department's conclusions, *see* Preliminary Decision Memorandum.

Preliminary Rate for Non-Selected Companies Under Review

There are 59 companies for which a review was requested and not rescinded, but were not selected as mandatory respondents. We preliminarily did not calculate the non-selected rate by weight-averaging the rates of the Alnan Companies and Jiangsu Changfa, companies selected for individual examination (mandatory respondents), because doing so risks disclosure of proprietary information. We, therefore, calculated an average rate using the mandatory respondents' publicly-ranged sales data for 2012. For further information on the calculation of the non-selected rate, *see* "Preliminary *Ad Valorem* Rate for Non-Selected Companies under Review" in the Preliminary Decision Memorandum.

Citric Acid and Certain Citrate Salts: Preliminary Results of Countervailing Duty Administrative Review; 2012

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the countervailing duty (CVD) order on citric acid and certain citrate salts from the People's Republic of China (PRC) for the period of review (POR) covering January 1, 2012, through December 31, 2012. These preliminary results cover RZBC Group Shareholding Co., Ltd., RZBC Co., Ltd., RZBC Juxian Co., Ltd., and RZBC Imp. & Exp. Co., Ltd. (collectively, RZBC or the RZBC Companies). We preliminarily determine that the RZBC Companies received countervailable subsidies during the POR. Interested parties are invited to comment on these preliminary results.

DATES: *Effective:* June 25, 2014.

FOR FURTHER INFORMATION CONTACT: Patricia M. Tran and Raquel Silva, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone (202) 482-1503 and (202) 482-6475, respectively.

Scope of the Order

The merchandise subject to the order is citric acid and certain citrate salts. The product is currently classified under the Harmonized Tariff Schedule of the United States (HTSUS) item numbers 2918.14.0000, 2918.15.1000, 2918.15.5000, 3824.90.9290, and 3824.90.9290. Although the HTSUS numbers are provided for convenience and customs purposes, the written product description remains dispositive.

A full description of the scope of the order is contained in the memorandum from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations to Ronald K. Lorentzen, Acting Assistant Secretary for Enforcement and Compliance, "Decision Memorandum for the Preliminary Results of the Countervailing Duty Administrative Review: Citric Acid and Certain Citrate Salts; 2012" (Preliminary Decision Memorandum), dated concurrently with this notice, and hereby adopted by this notice.

The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (IA ACCESS). IA ACCESS is available to registered users at <http://iaaccess.trade.gov> and in the Central Records Unit, Room 7046 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the internet at <http://www.trade.gov/enforcement/>. The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Methodology

The Department conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a financial contribution from an authority that gives rise to a benefit to the recipient, and that the subsidy is specific.¹

In making these findings, we relied, in part, on facts available and, because the Government of the PRC did not act to the best of its ability to respond to the Department's requests for information, we drew an adverse inference in selecting from among the facts otherwise available.² For further information, *see* "Use of Facts Otherwise Available and Adverse Inferences" in the Preliminary Decision Memorandum.

For a full description of the methodology underlying the Department's conclusions, *see* Preliminary Decision Memorandum.

Preliminary Results of the Review

As a result of this review, we preliminarily determine a net countervailable subsidy rate of 11.68 percent *ad valorem* for the RZBC Companies, for the period January 1, 2012, through December 31, 2012.
