SUPPLEMENTARY INFORMATION:

I. Abstract

Public Law 107-110, the No Child Left Behind (NCLB) Act of January 8, 2001, requires all schools including Bureau-funded boarding/residential schools to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging academic achievement standards and assessments. The NCLB Act and implementing regulations at 25 CFR part 36 require the Bureau to implement national standards for homeliving situations in all Bureau-funded residential schools. The Bureau must collect information from all Bureau-funded residential schools in order to assess each school's progress in meeting the national standards. The Bureau is seeking renewal of the approval for this information collection to ensure that minimum academic standards for the education of Indian children and criteria for dormitory situations in Bureau-operated schools and Tribally-controlled contact and grant schools are met.

II. Request for Comments

The Bureau of Indian Education (BIE) requests your comments on this

collection concerning: (a) The necessity of this information collection for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) The accuracy of the agency's estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) Ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) Ways we could minimize the burden of the collection of the information on the respondents.

Please note that an agency may not conduct or sponsor, and an individual need not respond to, a collection of information unless it displays a valid OMB Control Number.

It is our policy to make all comments available to the public for review at the location listed in the **ADDRESSES** section. Before including your address, phone number, email address or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
