Methodology

The Department conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a government-provided financial contribution by an “authority” that gives rise to a benefit to the recipient, and that the subsidy is specific.¹

In making these findings, we relied on facts available and, because Bestpak and the Government of the PRC did not act to the best of their ability to respond to the Department’s requests for information, we have drawn adverse inferences in selecting from among the facts otherwise available.² For further information, *see* “Use of Facts Otherwise Available and Adverse Inferences” in the Preliminary Decision Memorandum.

For a full description of the methodology underlying our conclusions, *see* the Preliminary Decision Memorandum.

Preliminary Results of the Review

In accordance with 19 CFR 351.221(b)(4)(i), we calculated an individual subsidy rate for Bestpak for the period January 1, 2012, through December 31, 2012.

We preliminarily find that the net subsidy rate for Bestpak is as follows:

Producer/exporter	Net subsidy rate (percent)
Yangzhou Bestpak Gifts & Crafts Co., Ltd	51.02

If a request for a hearing is made, the Department intends to hold the hearing at the U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230, on a date and at a time and location to be determined. Parties will be notified of the date, time and location of any hearing.

Parties are reminded that briefs and hearing requests must be filed electronically using IA ACCESS and that electronically filed documents must be received successfully in their entirety by 5 p.m. Eastern Time on the due date.

Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act, the Department will issue the final results of this administrative review, including our analysis of and responses to issues raised by the parties in their comments, within 120 days after issuing these preliminary results.

Assessment Rates

Consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), upon issuance of the final results, the Department shall determine, and the U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. We intend to issue instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

If the final results of this review are the same as these preliminary results, the Department also intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amount shown above for Bestpak. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the

most recent company-specific or all-others rate applicable to the company. These cash deposit requirements, when imposed, shall remain in effect until further notice.

This administrative review and notice are in accordance with sections 751(a)(1) and 777(i) of the Act and 19 CFR 351.213.
