

(1) OMB No. 1910–5160; (2) Information Collection Request Title: “Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery;” (3) Type of Request: Extension; (4) Purpose: The proposed information collection activity provides a means to garner qualitative customer and stakeholder feedback in an efficient, timely manner, in accordance with the Administration’s commitment to improving service delivery. “Qualitative feedback” refers to information that provides useful insights on perceptions and opinions but not statistical surveys that yield quantitative results that can be generalized to the population of study. This feedback will provide insights into customer or stakeholder perceptions, experiences and expectations, provide an early warning of issues with service, or focus attention on areas where communication, training or changes in operations might improve delivery of products or services. These collections will allow for ongoing, collaborative and actionable communications between the Agency and its customers and stakeholders. It will also allow feedback to contribute directly to the improvement of program management; (5) Annual Estimated Number of Respondents: 10,000; (6) Annual Estimated Number of Total Responses: 10,000; (7) Annual Estimated Number of Burden Hours: 200,000; (8) Annual Estimated Reporting and Recordkeeping Cost Burden: There are no costs for Reporting and Recordkeeping. Statutory Authority: Executive Order (EO) 13571, Streamlining Service Delivery and Improving Customer Service.

Issued in Washington, DC, on June 20, 2014.

Christina Rouleau,

Acting Director, Records Management Division, IT Planning, Architecture, and E-Government, Office of the Chief Information Officer, U.S. Department of Energy.
