The meeting will open to the public at 8:30 a.m., on Monday, July 21. Following opening remarks from Dr. Jerry Menikoff, Executive Secretary, SACHRP and OHRP Director, and Dr. Jeffrey Botkin, SACHRP Chair, the Subpart A Subcommittee (SAS) will give their initial report on the new SAS initiative examining informed consent. A panel of speakers will discuss comprehension and tools for validating comprehension in informed consent. On the afternoon of July 21, the Subcommittee on Harmonization (SOH) will present their initial work on the topic of the intersection of the HHS and FDA regulations and “big data”; this presentation will be highlighted by a special expert panel discussion. The morning of July 22, the SOH will present their work to date on the topic of return of general results, also assisted by a special expert panel discussion. SOH was established by SACHRP at its July 2009 meeting and is charged with identifying and prioritizing areas in which regulations and/or guidelines for human subjects research adopted by various agencies or offices within HHS would benefit from harmonization, consistency, clarity, simplification, and/or coordination.

A public comment session will be offered on both days.

Public attendance at the meeting is limited to space available. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the SACHRP at the address/phone listed above at least one week prior to the meeting.
