Reducing Regulatory Burden

AGENCY: Office of the General Counsel, Department of Energy.

ACTION: Request for information.

SUMMARY: As part of its implementation of Executive Order 13563, "Improving Regulation and Regulatory Review," issued by the President on January 18, 2011, the Department of Energy (Department or DOE) is seeking comments and information from interested parties to assist DOE in reviewing its existing regulations to determine whether any such regulations should be modified, streamlined, expanded, or repealed. The purpose of DOE's review is to make the agency's regulatory program more effective and less burdensome in achieving its regulatory objectives. In this request for information (RFI), DOE also highlights its regulatory review and reform efforts conducted to date in light of comments from interested parties.

DATES: Written comments and information are requested on or before July 18, 2014.

ADDRESSES: Interested persons are encouraged to submit comments, identified by "Regulatory Burden RFI," by any of the following methods:

White House Web site: <http://www.whitehouse.gov/advise>.

Federal eRulemaking Portal: <http://www.regulations.gov>. Follow the instructions for submitting comments.

Email: Regulatory.Review@hq.doe.gov. Include "Regulatory Burden RFI" in the subject line of the message.

Mail: U.S. Department of Energy, Office of the General Counsel, 1000 Independence Avenue SW., Room 6A245, Washington, DC 20585.

Docket: For access to the docket to read background documents, or

SUPPLEMENTARY INFORMATION: On

January 18, 2011, the President issued Executive Order 13563, "Improving Regulation and Regulatory Review," to ensure that Federal regulations seek more affordable, less intrusive means to achieve policy goals, and that agencies give careful consideration to the benefits and costs of those regulations. To that end, the Executive Order requires, among other things, that:

- Agencies propose or adopt a regulation only upon a reasoned determination that its benefits justify its costs; and that agencies tailor regulations to impose the least burden on society, consistent with obtaining the regulatory objectives, taking into account, among other things, and to the extent practicable, the costs of cumulative regulations; and that, consistent with applicable law, agencies select, in choosing among alternative regulatory approaches, those approaches that maximize net benefits (including potential economic, environmental, public health and safety, and other advantages; distributive impacts; and equity).

- The regulatory process encourages public participation and an open exchange of views, with an opportunity for the public to comment.

- Agencies coordinate, simplify, and harmonize regulations to reduce costs and promote certainty for businesses and the public.

- Agencies consider low-cost approaches that reduce burdens and maintain flexibility.

- Regulations be guided by objective scientific evidence.

Additionally, the Executive Order directs agencies to consider how best to promote retrospective analyses of existing rules. Specifically, agencies were required to develop a plan under
