

charges is significant, deliberate, covert and/or likely to occur again, rather than technical or negligent [.]” *Id.* A “lack of information establishing the precise time a violation may occur does not preclude a finding that a violation is imminent, so long as there is sufficient reason to believe the likelihood of a violation.” *Id.*

B. Request for Renewal

OEE’s request for renewal is based upon the facts underlying the issuance of the initial TDO and modification and the evidence developed over the course of this investigation, including the evidence summarized in Section I., *supra*. The two aircraft engines remain in the possession and/or control of 3K Aviation in Turkey. In addition to the evidence discussed or summarized above, OEE’s investigation also has revealed that 3K Aviation has more recently been instructed by a party, whose identity it will not disclose, to prepare the engines (MSNs 695244 and 705112) for shipment from Turkey. This evidence further supports OEE’s reasonable belief of a continued risk that further attempts likely will be made to reexport the items from Turkey without U.S. Government authorization, in violation of the TDO and the Regulations.

C. Findings

I find that the evidence presented by OEE demonstrates that a violation of the Regulations is imminent in both time and degree of likelihood. Renewal of the TDO is needed to give notice to persons and companies in the United States and abroad that they should cease dealing with the Respondents in export and re-export transactions involving items subject to the EAR or other activities prohibited by the TDO. Doing so is consistent with the public interest to preclude future violations of the EAR.

It is therefore ordered:

First, that 3K AVIATION CONSULTING & LOGISTICS, a/k/a 3K HAVACILIK VE DANISMANLIK SAN. TIC. LTD. ST., Biniciler Apt. Savas Cad. No. 18/5, Sirinyali Mah. 07160, Antalya, Turkey, and Sonmez Apt. C. Take any action to acquire from or to facilitate the acquisition or attempted acquisition from a Denied Person of any item subject to the EAR that has been exported from the United States;

D. Obtain from a Denied Person in the United States any item subject to the EAR with knowledge or reason to know that the item will be, or is intended to be, exported from the United States; or

E. For purposes of this paragraph, servicing

means installation, maintenance, repair, modification or testing.

Third, that, after notice and opportunity for comment as provided in section 766.23 of the EAR, any other person, firm, corporation, or business organization related to a Denied Person by affiliation, ownership, control, or position of responsibility in the conduct of trade or related services may also be made subject to the provisions of this Order.

certain alloy steel wire rod (steel wire rod) from the People's Republic of China (PRC). The period of investigation is January 1, 2013, through December 31, 2013. Interested parties are invited to comment on this preliminary determination.

DATES: *Effective Date:* July 8, 2014.

Rebecca Trainor or Reza Karamloo, Office II, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-4007 and (202) 482-4470, respectively.

SUPPLEMENTARY INFORMATION:

Scope of the Investigation

The scope of this investigation covers certain hot-rolled products of carbon steel and alloy steel, in coils, of approximately circular cross section, less than 19.00 mm in actual solid cross-sectional diameter. Specifically excluded are steel products possessing the above-noted physical characteristics and meeting the Harmonized Tariff Schedule of the United States (HTSUS) definitions for (a) stainless steel; (b) tool steel; (c) high nickel steel; (d) ball bearing steel; or (e) concrete reinforcing bars and rods. Also excluded are free cutting steel (also known as free machining steel) products (i.e., products that contain by weight one or more of the following elements: 0.1 percent or more of lead, 0.05 percent or more of bismuth, 0.08 percent or more of sulfur, more than 0.04 percent of phosphorus, more than 0.05 percent of selenium, or more than 0.01 percent of tellurium). All products meeting the physical description of subject merchandise that are not specifically excluded are included in this scope.

The products under investigation are currently classifiable under subheadings 7213.91.3011, 7213.91.3015, 7213.91.3020, 7213.91.3093; 7213.91.4500, 7213.91.6000, 7213.99.0030, 7227.20.0030, 7227.20.0080, 7227.90.6010, 7227.90.6020, 7227.90.6030, and 7227.90.6035 of the HTSUS. Products entered under subheadings 7213.99.0090 and 7227.90.6090 of the HTSUS also may be included in this scope if they meet the physical description of subject merchandise above. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of this proceeding is dispositive.

Methodology

The Department is conducting this countervailing duty (CVD) investigation in accordance with section 701 of the Tariff Act of 1930, as amended (the Act). For a full description of the methodology underlying our preliminary conclusions, including our reliance, in part, on adverse facts available (AFA), see the Preliminary Decision Memorandum.¹ The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (IA ACCESS). IA ACCESS is available to registered users at <http://iaaccess.trade.gov>, and is available to all parties in the Central Records Unit, room 7046 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the Internet at <http://enforcement.trade.gov/frn/index.html>. The signed Preliminary Decision Memorandum and the electronic version of the Preliminary Decision Memorandum are identical in content.

Alignment

As noted in the Preliminary Decision Memorandum, in accordance with section 705(a)(1) of the Act and 19 CFR 351.210(b)(4), we are aligning the final CVD determination in this investigation with the final determination in the companion antidumping (AD) investigation of steel wire rod from the PRC. Consequently, the final CVD determination will be issued on the same date as the final AD determination, which is currently scheduled to be issued no later than November 12, 2014, unless postponed.

Critical Circumstances

In accordance with section 703(e)(1) of the Act, we preliminarily find that critical circumstances exist with respect to certain imports of steel wire rod from the PRC. A discussion of our determination can be found in the Preliminary Decision Memorandum.

¹ See Memorandum from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Enforcement and Compliance, regarding "Countervailing Duty Investigation of Carbon and Certain Alloy Steel Wire Rod from the People's Republic of China: Decision Memorandum for the Preliminary Determination," dated concurrently with this notice (Preliminary Decision Memorandum). A list of topics discussed in the Preliminary Decision Memorandum can be found as an appendix to this notice.

Preliminary Determination and Suspension of Liquidation

In accordance with section 703(d)(1)(A)(i) of the Act, we determine separate subsidy rates for the individually-investigated producers/exporters of the subject merchandise, Benxi Beiyang Iron & Steel Group Import & Export Corp., Benxi Beiyang Iron & Steel (Group) Co., Ltd. and 13 affiliates (collectively Benxi Steel);² and Hebei Iron & Steel Co Ltd Tangshan Branch (Hebei Iron & Steel). We also calculated an all-others rate. In accordance with sections 703(d) and 705(c)(5)(A) of the Act, for companies not individually investigated, we apply an "all-others" rate, which is normally calculated by weighting the subsidy rates of the individual companies selected as mandatory respondents by those companies' exports of the subject merchandise to the United States. Under section 705(c)(5)(A)(i) of the Act, the all-others rate should exclude zero and *de minimis* rates calculated for the exporters and producers individually investigated as well as rates based entirely on facts otherwise available. Where the rates for the investigated companies are all zero or *de minimis*, or based entirely on facts otherwise available, section 705(c)(5)(A)(ii) of the Act instructs the Department to establish an all-others rate using "any reasonable method." For Hebei Iron & Steel, which did not participate in this investigation, we determine a rate based solely on AFA, in accordance with sections 776(a) and (b) of the Act.³ Therefore, the only rate in this investigation that is not *de minimis* or based entirely on facts otherwise available is the rate calculated for Benxi Steel. Consequently, the rate calculated for Benxi Steel is also assigned as the "all-others" rate. The overall preliminary subsidy rates are summarized in the table below:

² These 13 affiliates are: Benxi Steel Group Corporation; Beitai Iron & Steel (Group) Co., Ltd.; Benxi Northern Steel Rolling Co., Ltd.; Benxi Beifang Gaosu Steel Wire Rod Co., Ltd.; Benxi Beitai Gaosu Steel Wire Rod Co., Ltd.; Benxi Northern Steel Co., Ltd.; Benxi Beifang Second Rolling Co., Ltd.; Benxi Beitai Ductile Iron Pipes Co., Ltd.; Benxi Iron and Steel (Group) Metallurgy Co., Ltd.; Benxi Iron and Steel (Group) Real Estate Development Co., Ltd.; Benxi Iron & Steel (Group) Co., Ltd.; Bei Tai Iron and Steel Group Imp. and Exp. (Dalian) Co., Ltd.; and Bengang Steel Plate Co., Ltd.

³ See the Preliminary Determination Memorandum at "Use of Facts Otherwise Available and Adverse Inferences," for a full description of our methodology.

Company	Subsidy rate (percent)
Benxi Steel ⁴	10.30
Hebei Iron & Steel	81.36
All Others	10.30

In accordance with sections 703(d)(1)(B) and (d)(2) of the Act, we are directing U.S. Customs and Border Protection (CBP) to suspend liquidation of all entries of steel wire rod from the PRC that are entered, or withdrawn from warehouse, for consumption on or after the date of the publication of this notice in the **Federal Register**, and to require a cash deposit for such entries of merchandise in the amounts indicated above. Moreover, because we preliminarily find critical circumstances exist with respect to all exporters of the subject merchandise except Benxi Steel, in accordance with section 703(e)(2)(A) of the Act, we are directing CBP to apply the suspension of liquidation to any unliquidated entries of the subject merchandise from exporters other than Benxi Steel entered, or withdrawn from warehouse for consumption, on or after the date 90 days prior to the date of publication of this notice in the **Federal Register**.

Verification

As provided in section 782(i)(1) of the Act, we intend to verify the information submitted by the respondent Benxi Steel prior to making our final determination.

Disclosure and Public Comment

The Department intends to disclose to interested parties the calculations performed in connection with this preliminary determination within five days of its public announcement.⁵ Interested parties may submit case and rebuttal briefs, as well as request a hearing.⁶ For a schedule of the deadlines for filing case briefs, rebuttal briefs, and hearing requests, *see* the Preliminary Decision Memorandum.

International Trade Commission Notification

In accordance with section 703(f) of the Act, we will notify the International Trade Commission (ITC) of our determination. In addition, we are making available to the ITC all non-privileged and non-proprietary information relating to this investigation. We will allow the ITC access to all privileged and business proprietary information in our files, provided the ITC confirms that it will

not disclose such information, either publicly or under an administrative protective order, without the written consent of the Assistant Secretary for Enforcement and Compliance.

In accordance with section 705(b)(2) of the Act, if our final determination is affirmative, the ITC will make its final determination within 45 days after the Department makes its final determination.

This determination is issued and published pursuant to sections 703(f) and 777(i) of the Act and 19 CFR 351.205(c).

Dated: June 30, 2014.

Paul Piquado,

Assistant Secretary for Enforcement and Compliance.
