

On July 1, 2014, the petitioner, ASPA, and individual Thai shrimp companies withdrew all requests for an administrative review.⁴

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. All parties requesting 2013–2014 administrative reviews of the antidumping duty order of shrimp from Thailand timely withdrew their requests for review by the 90-day deadline. Therefore, we are rescinding the administrative review of the antidumping duty order on certain frozen warmwater shrimp from Thailand covering the period February 1, 2013, through January 31, 2014.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after the date of publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as the only reminder to importers of their responsibility, under 19 CFR 351.402(f)(2), to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement may result in the presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Order

This notice serves as the only reminder to parties subject to

administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is published in accordance with section 751 of the Act and 19 CFR 351.213(d)(4).

Dated: July 9, 2014.

Initiation of Changed Circumstances Review, and Consideration of Revocation of the Order in Part

Pursuant to section 751(b) of the Act, the Department will conduct a changed circumstances review upon receipt of a request from an interested party¹⁶ which shows changed circumstances sufficient to warrant a review of an order.¹⁷ Based on the information provided by Elements and the Petitioners' statement that they agree with Elements' exclusion language for certain shoe cabinets, the Department has determined that there exist changed circumstances sufficient to warrant a changed circumstances review of the AD order on wooden bedroom furniture from the PRC.¹⁸

Section 782(h)(2) of the Act and 19 CFR 351.222(g)(1)(i) provide that the Department may revoke an order (in whole or in part) if it determines that producers accounting for substantially all of the production of the domestic like product have expressed a lack of interest in the order, in whole or in part. In addition, in the event the Department determines that expedited action is warranted, 19 CFR 351.221(c)(3)(ii) permits the Department to combine the

furniture order apply to the box itself rather than the lid.

¹⁶ Elements stated in its April 23 2014 scope ruling request that it is an importer of the certain shoe cabinets, which are currently subject to this order, and as such is an interested party pursuant to 19 CFR 351.102(a)(29)(ii).

¹⁷ See 19 CFR 351.216.

¹⁸ See section 751(b) of the Act and 19 CFR 351.216(d).

⁴ A chest of drawers is typically a case containing drawers for storing clothing.

⁵ A chest is typically a case piece taller than it is wide featuring a series of drawers and with or without one or more doors for storing clothing. The piece can either include drawers or be designed as a large box incorporating a lid.

⁶ A door chest is typically a chest with hinged doors to store clothing, whether or not containing drawers. The piece may also include shelves for televisions and other entertainment electronics.

⁷ A chiffonier is typically a tall and narrow chest of drawers normally used for storing undergarments and lingerie, often with mirror(s) attached.

⁸ A hutch is typically an open case of furniture with shelves that typically sits on another piece of furniture and provides storage for clothes.

⁹ An armoire is typically a tall cabinet or wardrobe (typically 50 inches or taller), with doors, and with one or more drawers (either exterior below or above the doors or interior behind the doors), shelves, and/or garment rods or other apparatus for storing clothes. Bedroom armoires may also be used to hold television receivers and/or other audio-visual entertainment systems.

¹⁰ As used herein, bentwood means solid wood made pliable. Bentwood is wood that is brought to a curved shape by bending it while made pliable with moist heat or other agency and then set by cooling or drying. See CBP's Headquarters Ruling Letter 043859, dated May 17, 1976.

¹¹ Any armoire, cabinet or other accent item for the purpose of storing jewelry, not to exceed 24 inches in width, 18 inches in depth, and 49 inches in height, including a minimum of 5 lined drawers lined with felt or felt-like material, at least one side door (whether or not the door is lined with felt or felt-like material), with necklace hangers, and a flip-top lid with inset mirror. See Issues and Decision Memorandum from Laurel LaCivita to Laurie Parkhill, Office Director, concerning "Jewelry Armoires and Cheval Mirrors in the Antidumping

notices of initiation and preliminary results. In its administrative practice, the Department has interpreted “substantially all” to mean producers accounting for at least 85 percent of the total U.S. production of the domestic like product covered by the order.¹⁹ Because Petitioners did not indicate whether they account for substantially all of the domestic production of wooden bedroom furniture, we are providing interested parties with the opportunity to address the issue of domestic industry support with respect to this proposed partial revocation of the order and we are not combining this notice of initiation with a preliminary determination pursuant to 19 CFR 351.221(c)(3)(ii). As explained below, this notice of initiation will afford all interested parties an opportunity to address the proposed partial revocation.

Public Comment

Interested parties are invited to provide comments and/or factual information regarding this changed circumstances review, including comments concerning industry support. Comments and factual information may be submitted to the Department no later than 14 days after the date of publication of this notice. Rebuttal comments and rebuttal factual information may be filed with the Department no later than 10 days after the comments and/or factual information are filed with the Department.²⁰ All submissions must be filed electronically using Enforcement and Compliance’s AD and CVD Centralized Electronic Service System (IA ACCESS).²¹ An electronically filed document must be received successfully in its entirety by the Department’s electronic records system, IA ACCESS, by 5 p.m. Eastern Time on the due dates set forth in this notice.

The Department will issue the preliminary results of this changed circumstances review, in accordance with 19 CFR 351.221(c)(3), which will set forth the factual and legal conclusions upon which the preliminary results are based, and a description of any action proposed because of those results. Pursuant to 19 CFR 351.221(b)(4)(ii), interested parties

will have an opportunity to comment on the preliminary results of the review. In accordance with 19 CFR 351.216(e), the Department will issue the final results of its AD changed circumstance review within 270 days after the date on which the review is initiated.

This initiation is published in accordance with sections 751(b)(1) of the Act and 19 CFR 351.216(b) and 351.221(b)(1).
