

Bureau aims to achieve the following research initiatives: (1) Validating and enhancing the Master Address File; (2) Designing and assigning resources to carry out the next decennial census; (3) Un-duplicating public, private, and census lists; and (4) Imputing missing data. All administrative data from the above sources, including return information, will be integrated into the Bureau's data system that is used for the next decennial census and housing counts and will be done in a manner such that the source (for example, commercial vendor, IRS, or Social Security Administration) will not be associated with any data element in the final decennial person-level census records.

Thus, the Secretary of Commerce asserted that good cause exists to amend § 301.6103(j)(1)–1 of the regulations to add these items to the list of items of return information that may be disclosed to the Bureau. The Treasury Department and the IRS agree that amending existing regulations to permit disclosure of these items to the Bureau is appropriate to meet the needs of the Bureau.

The text of the temporary regulations also serves as the text of the proposed regulations set forth in the notice of proposed rulemaking on this subject in the Proposed Rules section of this issue of the **Federal Register**.

#### Explanation of Provisions

Section 6103(j)(1)–1T will authorize the disclosure of the following additional items of return information from income tax returns (Form 1040): (1) Electronic Filing System Indicator; (2) Return Processing Indicator; and (3) Paid Preparer Code. Section 6103(j)(1)–1T will authorize the disclosure of the following items of return information from Form 1098: (1) Payee/Payer/Employee Taxpayer Identification Number; (2) Payee/Payer/Employee Name (First, Middle, Last, Suffix); (3) Street Address; (4) City; (5) State; (6) ZIP Code (9 digit); (7) Posting Cycle Week; (8) Posting Cycle Year; and (9) Document Code.

#### Special Analyses

It has been determined that these temporary regulations are not a significant regulatory action as defined in Executive Order 12866, as supplemented by Executive Order 13563. Therefore, a regulatory assessment is not required. It also has been determined that section 553(b) of the Administrative Procedures Act (5 U.S.C. chapter 5) does not apply to these regulations and because the regulation does not impose a collection of

information on small entities, the Regulatory Flexibility Act (5 U.S.C. chapter 6) does not apply. Pursuant to section 7805(f) of the Code, this regulation has been submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small business.

The principal author of these regulations is Melissa Avrutine, Office of the Associate Chief Counsel (Procedure and Administration).

#### PENSION BENEFIT GUARANTY CORPORATION

#### 29 CFR Part 4022

#### Benefits Payable in Terminated Single-Employer Plans; Interest Assumptions for Paying Benefits

**AGENCY:** Pension Benefit Guaranty Corporation.

**ACTION:** Final rule.

**SUMMARY:** This final rule amends the Pension Benefit Guaranty Corporation's regulation on Benefits Payable in Terminated Single-Employer Plans to prescribe interest assumptions under the regulation for valuation dates in August 2014. The interest assumptions are used for paying benefits under terminating single-employer plans covered by the pension insurance system administered by PBGC.

**DATES:** Effective August 1, 2014.

**FOR FURTHER INFORMATION CONTACT:** Catherine B. Klion. (*Klion.Catherine@pbgc.gov*), Assistant General Counsel for Regulatory Affairs, Pension Benefit Guaranty Corporation, 1200 K Street NW., Washington, DC 20005, 202–326–4024. (TTY/TDD users may call the Federal relay service toll-free at 1–800–877–8339 and ask to be connected to 202–326–4024.)

**SUPPLEMENTARY INFORMATION:** PBGC's regulation on Benefits Payable in Terminated Single-Employer Plans (29 CFR Part 4022) prescribes actuarial assumptions—including interest assumptions—for paying plan benefits under terminating single-employer

plans covered by title IV of the Employee Retirement Income Security Act of 1974. The interest assumptions in the regulation are also published on PBGC's Web site (<http://www.pbgc.gov>).

PBGC uses the interest assumptions in Appendix B to Part 4022 to determine whether a benefit is payable as a lump sum and to determine the amount to pay. Appendix C to Part 4022 contains interest assumptions for private-sector pension practitioners to refer to if they wish to use lump-sum interest rates determined using PBGC's historical methodology. Currently, the rates in Appendices B and C of the benefit payment regulation are the same.

The interest assumptions are intended to reflect current conditions in the financial and annuity markets. Assumptions under the benefit payments regulation are updated monthly. This final rule updates the benefit payments interest assumptions for August 2014.<sup>1</sup>

The August 2014 interest assumptions under the benefit payments regulation will be 1.25 percent for the period

during which a benefit is in pay status and 4.00 percent during any years preceding the benefit's placement in pay status. In comparison with the interest assumptions in effect for July 2014, these interest assumptions are unchanged.

PBGC has determined that notice and public comment on this amendment are impracticable and contrary to the public interest. This finding is based on the need to determine and issue new interest assumptions promptly so that the assumptions can reflect current market conditions as accurately as possible.

Because of the need to provide immediate guidance for the payment of benefits under plans with valuation dates during August 2014, PBGC finds that good cause exists for making the assumptions set forth in this amendment effective less than 30 days after publication.

PBGC has determined that this action is not a "significant regulatory action" under the criteria set forth in Executive Order 12866.

Because no general notice of proposed rulemaking is required for this amendment, the Regulatory Flexibility Act of 1980 does not apply. See 5 U.S.C. 601(2).

**List of Subjects in 29 CFR Part 4022**

In consideration of the foregoing, 29 CFR part 4022 is amended as follows:
