

The notification was processed in accordance with the regulations of the FTZ Board (15 CFR part 400), including notice in the **Federal Register** inviting public comment (79 FR 16279, 03/25/2014). The FTZ Board has determined that no further review of the activity is warranted at this time. The production activity described in the notification is authorized, subject to the FTZ Act and the Board's regulations, including Section 400.14.

Dated: July 8, 2014.

Andrew McGilvray,

Executive Secretary.

Foreign-Trade Zones Board

Internet Address for Application Formats

On November 19, 2013, the Foreign-Trade Zones (FTZ) Board published a notice in the **Federal Register** pertaining to the change of the name "Import Administration" to "Enforcement and Compliance" within the Department of Commerce. As a result of that change, certain internet addresses related to the FTZ Board's Web site have changed. The updated internet address for the FTZ Board's application formats (which continue to be effective pursuant to the March 25, 2013, approval of information-collection authority by the Office of Management and Budget) is <http://enforcement.trade.gov/ftzpage/applications.html>.

Any questions regarding the FTZ Board's application formats—including any difficulty in accessing the formats via the internet address referenced above—may be addressed to the Board's staff at (202) 482-2862 or ftz@trade.gov.

Dated: July 10, 2014.

Andrew McGilvray,

Executive Secretary.

International Trade Administration

Application(s) for Duty-Free Entry of Scientific Instruments

Pursuant to Section 6(c) of the Educational, Scientific and Cultural Materials Importation Act of 1966 (Pub. L. 89-651, as amended by Pub. L. 106-36; 80 Stat. 897; 15 CFR part 301), we invite comments on the question of

whether instruments of equivalent scientific value, for the purposes for which the instruments shown below are intended to be used, are being manufactured in the United States.

Comments must comply with 15 CFR 301.5(a)(3) and (4) of the regulations and be postmarked on or before August 5, 2014. Address written comments to Statutory Import Programs Staff, Room 3720, U.S. Department of Commerce, Washington, DC 20230. Applications may be examined between 8:30 a.m. and 5:00 p.m. at the U.S. Department of Commerce in Room 3720.

Docket Number: 14-011. Applicant: University of California, San Diego, 9500 Gilman Drive, La Jolla, CA 92093. Instrument: iMIC Digital Microscope 2.0. Manufacturer: TILL Photonics (FEI Munich), Germany. Intended Use: The instrument will be used to gain fundamental knowledge of the mechanisms involved in eukaryotic cell motion, by utilizing a total internal reflection technique which allows visualization of only the cell part that is immediately above the substratum (roughly the bottom 100 nm of a cell), which enables cell imaging with a superior spatial and temporal resolution over other non-TIRF microscopes. Examples of experiments to be conducted with the instrument include measuring the forces generated by several different cell types on substrates during directed motility, determining the spatial location of signaling components involved in cell-substrate adhesion, investigating the effect of different substrate rigidities on cell motility, determining the response of cells to externally imposed chemical gradients, and determining the role of certain signaling components in cell motility. Crucial in the experiments is the unique ability of the instrument to autofocus the imaging plane such that the cell remains in focus for an extended period of time, which guarantees sharp images for the duration of the experiments. The instrument also has a Yanus IV scanhead that enables fast Fluorescence Recovery After Photobleaching (FRAP) experiments, and a custom-made plexiglass box to facilitate specific temperature and CO₂ concentrations required by mammalian and amoeboid cells, that can easily be removed to transition between different conditions. Justification for Duty-Free Entry: There are no instruments of the same general category manufactured in the United States. Application accepted by Commissioner of Customs: May 7, 2014.

Docket Number: 14-016. Applicant: California Institute of Technology, 1200 East California Blvd., MC 213-15, Pasadena, CA 91125. Instrument: iXBlue OCTANS Surface—Fiber Optic Gyrocompass. Manufacturer: iXBLUE Incorporated, France. Intended Use: The instrument will be used to provide accurate data for research on earthquake early warning, by orienting more than 100 seismic sensors to the exact north direction. The instrument includes unique features such as compact design and ease of use in enclosed spaces such as small vault installations that are 8 feet deep and only 2 feet in diameter, the ability to measure orientation with an accuracy of 0.1 degrees, portability, and is based on iXBlue's proprietary algorithms that are not available domestically. Justification for Duty-Free Entry: There are no instruments of the same general category manufactured in the United States. Application accepted by Commissioner of Customs: June 6, 2014.

Dated: July 10, 2014.

Gregory W. Campbell,

Director of Subsidies Enforcement, Enforcement and Compliance.

National Oceanic and Atmospheric Administration

RIN 0648-XD382

New England Fishery Management Council; Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; public meeting.

SUMMARY: The New England Fishery Management Council (Council) is scheduling a public meeting of its Groundfish Oversight Committee to consider actions affecting New England fisheries in the exclusive economic zone (EEZ). Recommendations from these groups will be brought to the full Council for formal consideration and action, if appropriate.

DATES: This meeting will be held on Monday, August 4, 2014 at 9 a.m.

ADDRESSES: The meetings will be held at the DoubleTree by Hilton, 50 Ferncroft Road, Danvers, MA 01923; telephone: (978) 777-2500; fax: (978) 750-7959.

Council address: New England Fishery Management Council, 50 Water Street, Mill 2, Newburyport, MA 01950.

FOR FURTHER INFORMATION CONTACT: Thomas A. Nies, Executive Director,
