

in the Unfunded Mandates Reform Act of 1995 (Pub. L. 104–4);

- does not have Federalism implications as specified in Executive Order 13132 (64 FR 43255, August 10, 1999);
- is not an economically significant regulatory action based on health or safety risks subject to Executive Order 13045 (62 FR 19885, April 23, 1997);
- is not a significant regulatory action subject to Executive Order 13211 (66 FR 28355, May 22, 2001);
- is not subject to requirements of Section 12(d) of the National Technology Transfer and Advancement Act of 1995 (15 U.S.C. 272 note) because application of those requirements would be inconsistent with the CAA; and
- does not provide the EPA with the discretionary authority to address, as appropriate, disproportionate human health or environmental effects, using practicable and legally permissible methods, under Executive Order 12898 (59 FR 7629, February 16, 1994).

In addition, this rule does not have tribal implications as specified by Executive Order 13175 (65 FR 67249, November 9, 2000), because it will not impose substantial direct costs on tribal governments or preempt tribal law.

The Congressional Review Act, 5 U.S.C. 801, *et seq.*, as added by the Small Business Regulatory Enforcement Fairness Act of 1996, generally provides that before a rule may take effect, the agency promulgating the rule must

submit a rule report, which includes a copy of the rule, to each House of the Congress and to the Comptroller General of the United States. The EPA will submit a report containing this action and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States prior to publication of the rule in the **Federal Register**. A major rule cannot take effect until 60 days after it is published in the **Federal Register**. This action is not a “major rule” as defined by 5 U.S.C. 804(2).

Under section 307(b)(1) of the CAA, petitions for judicial review of this action must be filed in the United States Court of Appeals for the appropriate circuit by September 15, 2014. Filing a petition for reconsideration by the Administrator of this final rule does not affect the finality of this action for the purposes of judicial review nor does it extend the time within which a petition for judicial review may be filed, and shall not postpone the effectiveness of such rule or action. Parties with objections to this direct final rule are encouraged to file a comment in response to the parallel notice of proposed rulemaking for this action published in the proposed rules section of today’s **Federal Register**, rather than file an immediate petition for judicial review of this direct final rule, so that the EPA can withdraw this direct final rule and address the comment in the

proposed rulemaking. This action may not be challenged later in proceedings to enforce its requirements. (*See CAA section 307(b)(2).*)

**49 CFR Part 821**  
[Docket No. NTSB–GC–2011–0001]  
RIN 3147–AA00

**Rules of Practice in Air Safety Proceedings; Correction**

**AGENCY:** National Transportation Safety Board (NTSB or Board).

**ACTION:** Final rule; correction.

**SUMMARY:** The NTSB is correcting a final rule published October 16, 2012, which

inadvertently removed a portion of text from a paragraph within a section. This correction is a minor technical change.

**DATES:** Effective July 17, 2014.

**ADDRESSES:** Members of the public may contact the NTSB Office of General Counsel concerning this correction at 490 L'Enfant Plaza SW., Washington, DC 20594.

**FOR FURTHER INFORMATION CONTACT:** David Tochen, General Counsel, (202) 314-6080.

**SUPPLEMENTARY INFORMATION:** In its October 16, 2012 final rule, 77 FR 63245, in which the NTSB published rule changes concerning several sections in part 821, including email submission of documents, petitions for reconsideration, consideration of evidence concerning the existence of an emergency in cases proceeding under part 821, subpart I of the NTSB rules, the NTSB erroneously truncated the text of a paragraph within § 821.54(b). The NTSB intended to keep the final sentence of § 821.54(b), in addition to a new sentence immediately preceding it, which provides the respondent may include attachments to a petition for review of the Administrator's emergency determination. Also, the final sentence of paragraph (b) should continue to state, "The petition must be filed with the Board by overnight delivery service or facsimile and simultaneously served on the Administrator by the same means." The NTSB's removal of this sentence in the October 16, 2012 final rule was an unintentional oversight.

Accordingly, the NTSB amends 49 CFR part 821 by making the following correcting amendment:

**PART 821—RULES OF PRACTICE IN AIR SAFETY PROCEEDINGS**

- 1. The authority citation for part 821 continues to read as follows:

**Authority:** 49 U.S.C. 1101-1155, 44701-44723, 46301, Pub. L. 112-153, unless otherwise noted.

- 2. In § 821.54, revise paragraph (b) to read as follows:

**§ 821.54 Petition for review of Administrator's determination of emergency.**

\* \* \* \* \*

(b) *Form, content and service of petition.* The petition may be in letter form. A copy of the Administrator's order, from which review of the emergency determination is sought,

must be attached to the petition. If a copy of the order is not attached, the petition will be dismissed. While the petition need only request that the Board review the Administrator's determination as to the existence of an emergency requiring the order be effective immediately, it may also enumerate the respondent's reasons for believing that the Administrator's emergency determination is not warranted in the interest of aviation safety. The respondent may include attachments to the petition for review (e.g., affidavits, other documents or records) limited to evidence the respondent believes supports the reasons enumerated in the petition for why the Administrator's emergency determination is not warranted in the interest of aviation safety. The petition must be filed with the Board by overnight delivery service or facsimile and simultaneously served on the Administrator by the same means.

**AGENCY:** National Transportation Safety Board (NTSB or Board).

**ACTION:** Final rule; correction.

**SUMMARY:** The NTSB is correcting a final rule published September 19, 2013, which inadvertently included an incorrect pronoun. This correction is a minor change to ensure consistency in the NTSB's references to the Administrator of the Federal Aviation Administration.

**DATES:** Effective July 17, 2014.

**ADDRESSES:** Members of the public may contact the NTSB Office of General Counsel concerning this correction at 490 L'Enfant Plaza SW., Washington, DC 20594.

**FOR FURTHER INFORMATION CONTACT:** David Tochen, General Counsel, (202) 314-6080.

**SUPPLEMENTARY INFORMATION:** In its September 19, 2013, final rule implementing changes to 49 CFR 821.19, the NTSB finalized an

amendment to paragraph (d) of that section. 78 FR 57527. In the revision of paragraph (d), paragraph (d)(1) contains the pronoun "it," which refers to the noun "the Administrator." This is incorrect. As a result, by this correction, the NTSB makes a technical correction to this sentence, to use the correct pronoun in the sentence.
