[Docket No. BOEM-2014-0029;
MMAA104000]

Atlantic Wind Lease Sale 5 (ATLW5) for Commercial Leasing for Wind Power on the Outer Continental Shelf Offshore New Jersey—Proposed Sale Notice

AGENCY: Bureau of Ocean Energy Management (BOEM), Interior.

ACTION: Proposed Sale Notice for Commercial Leasing for Wind Power on the Outer Continental Shelf Offshore New Jersey.

SUMMARY: This document is the Proposed Sale Notice (PSN) for the sale of commercial wind energy leases on the Outer Continental Shelf (OCS) offshore New Jersey, pursuant to BOEM's regulations at 30 CFR 585.216. BOEM proposes to offer for sale two leases. The total area comprising the two lease areas is smaller than that described in the Call for Information and Nominations (Call) (77 FR 22130) that was published in April 2011. An explanation for the reduction of the area and detailed information regarding the areas is provided in this notice in the section entitled "Areas Offered for Leasing." BOEM proposes to use a multiple factor auction format for the lease sale. In this PSN, you will find information pertaining to the areas available for leasing, proposed lease provisions and conditions, auction details, the lease form, criteria for evaluating competing bids, award procedures, appeal procedures, and lease execution. BOEM invites comments on these items during a 60-day comment period following this notice. The issuance of the proposed leases resulting from this sale would not constitute an approval of project-specific plans to develop offshore wind energy. Such plans, expected to be submitted by successful lessees, will be

subject to subsequent environmental and public review prior to a decision to proceed with development.

DATES: Comments should be submitted electronically or postmarked no later than September 19, 2014. All comments received or postmarked during the comment period will be made available to the public and considered prior to publication of the Final Sale Notice (FSN).

All bidders interested in participating in the lease sale who have not previously been qualified by BOEM to participate in this lease sale must submit the required qualification materials by the end of the 60-day comment period for this notice. All qualification materials must be postmarked no later than September 19, 2014.

ADDRESSES: Potential auction participants, Federal, state, and local government agencies, tribal governments, and other interested parties are requested to submit their written comments on the PSN in one of the following ways:

Please label privileged or confidential information with the caption "Contains Confidential Information" and consider submitting such information as a separate attachment.
