SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE., Washington, DC 20549-2736.

Extension:

Form N-17f-1. SEC File No. 270-316, OMB Control No. 3235-0359.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collections of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Form N-17f-1 (17 CFR 274.219) is entitled "Certificate of Accounting of Securities and Similar Investments of a Management Investment Company in the Custody of Members of National Securities Exchanges." The form serves as a cover sheet to the accountant's certificate that is required to be filed periodically with the Commission pursuant to rule 17f-1 (17 CFR 270.17f-1) under the Act, entitled "Custody of Securities with Members of National Securities Exchanges," which sets forth the conditions under which a fund may place its assets in the custody of a member of a national securities exchange. Rule 17f-1 requires, among other things, that an independent public accountant verify the fund's assets at the end of every annual and semi-annual fiscal period, and at least one other time during the fiscal year as chosen by the independent accountant. Requiring an independent accountant to examine the fund's assets in the custody of a member of a national securities exchange assists Commission staff in its inspection program and helps to ensure that the fund assets are subject to proper auditing procedures. The accountant's certificate stating that it has made an examination, and describing the nature and the extent of the examination, must be attached to Form N-17f-1 and filed with the Commission promptly after each examination. The form facilitates the filing of the accountant's certificates, and increases the accessibility of the certificates to both Commission staff and interested investors. Commission staff estimates that it takes: (i) 1 hour of clerical time to prepare and file Form N-17f-1; and (ii) 0.5 hour for the fund's chief compliance officer to review Form N-17f-1 prior to filing with the Commission, for a total of 1.5 hours. Each fund is required to make 3 filings annually, for a total annual burden per fund of approximately 4.5 hours.¹ Commission staff estimates that an average of 4 funds currently file Form

¹ This estimate is based on the following calculation: (1.5 hours × 3 responses annually = 4.5 hours).
