

implications if the rule either (1) imposes substantial direct compliance costs on state and local governments and is not required by statute, or (2) preempts state law, unless the agency meets the consultation and funding requirements of section 6 of the Executive Order. This rule would not have federalism implications and would not impose substantial direct compliance costs on state and local governments or preempt state law within the meaning of the Executive Order.

Environmental Review

This final rule does not direct, provide for assistance or loan and mortgage insurance for, or otherwise govern, or regulate, real property acquisition, disposition, leasing, rehabilitation, alteration, demolition, or new construction, or establish, revise, or provide for standards for construction or construction materials, manufactured housing, or occupancy. Accordingly, under 24 CFR 50.19(c)(1), this final rule is categorically excluded from environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321).

Unfunded Mandates Reform Act

Title II of the Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) (UMRA) establishes requirements for Federal agencies to assess the effects of their regulatory actions on state, local, and tribal governments, and the private sector. This final rule does not impose any Federal mandates on any state, local, or tribal government, or the private sector within the meaning of UMRA.

Catalog of Federal Domestic Assistance

The Catalog of Federal Domestic Assistance number for FHA mortgage insurance for the purchase or refinancing of existing multifamily housing projects is 14.155.

List of Subjects in 24 CFR Part 207

Manufactured homes, Mortgage insurance, Reporting and recordkeeping requirements, Solar energy.

Accordingly, for the reasons stated in the preamble, HUD amends 24 CFR part 207 as follows:

PART 207—MULTIFAMILY HOUSING MORTGAGE INSURANCE

■ 1. The authority citation for part 207 continues to read as follows:

Authority: 12 U.S.C. 1701z–11(e), 1709(c)(1), 1713, and 1715(b); 42 U.S.C. 3535(d).

■ 2. Add § 207.261 to read as follows:

§ 207.261 Capturing excess bond proceeds.

(a) A mortgagee that finances multifamily housing or healthcare facilities insured under Title II of the National Housing Act through the issuance and sale of bonds or bond anticipation notes and uses a project-specific trust indenture agreement, that clearly outlines the project and identifies by project the trust funds established by and administered in accordance with the terms of the trust indenture, shall:

(1) Include the following clause in the trust indenture: In the event of an assignment or conveyance of the mortgage to the Commissioner, subsequent to the issuance of the bonds, all money remaining in all funds and accounts other than the rebate fund, and any other funds remaining under the trust indenture after payment or provision for payment of debt service on the bonds and the fees and expenses of the credit enhancer, issuer, trustee, and other such parties unrelated to the mortgagor (other than funds originally deposited by the mortgagor or related parties on or before the date of issuance of the bonds) shall be returned to the mortgagee.

(2) Upon the Commissioner's payment of an FHA mortgage insurance claim under § 207.259, the mortgagee shall take all legally-entitled actions to enforce the clause required by paragraph (a)(1) of this section and pay the Commissioner any trust funds remaining after discharge by the trustee of all obligations of the trust indenture, no later than 6 months after the date of the Commissioner's final settlement of the FHA mortgage insurance claim.

(b) For purposes of paragraph (a) of this section, the term "rebate fund" means a separate fund established under a contract or agreement for tax-exempt bonds in which amounts (excess interest earnings from the tax-exempt bonds) must be deposited to make rebate payments to the federal government under the Internal Revenue Code.

[Docket Number USCG–2013–0789]

RIN 1625–AA08

Special Local Regulation; Suncoast Offshore Grand Prix; Gulf of Mexico, Sarasota, FL

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard is amending the permanent special local regulations for the Suncoast Offshore Challenge and the Suncoast Offshore Grand Prix in the Gulf of Mexico near Sarasota, Florida. Reflected in the existing permanent special local regulations, these two races have nearly identical course and time characteristics, however, one event used to be held annually on the first Saturday of July and the other event is held annually on the first Sunday of July. The sponsor has decided to combine the events into a single day, reduce the length of the racecourse, and modify the time of the event. Due to recent shoaling north of New Pass, it is necessary to amend the existing language to close New Pass and open Big Sarasota Pass to traffic. The changes are necessary to provide for the safety of life on navigable waters during the event.

DATES: This rule is effective August 28, 2014.

DHS Department of Homeland Security
FR Federal Register
NPRM Notice of Proposed Rulemaking

A. Regulatory History and Information

On February 7, 2014, a Notice of Proposed Rulemaking (NPRM) entitled, "Special Local Regulations; Suncoast Offshore Grand Prix; Gulf of Mexico, Sarasota, FL" was published in the **Federal Register** (see 79 FR 7408). We received no comments on the proposed rule. No public meeting was requested, and none was held.

The Annual Suncoast Offshore Challenge and Annual Suncoast Offshore Grand Prix in the Gulf of Mexico near Sarasota, Florida are governed by permanent regulations at 33 CFR 100.719 and 33 CFR 100.720, respectively. The marine events are normally held on the first Saturday and Sunday of July between 10 a.m. and 4 p.m. Event coordinators have decided to combine the two events to take place annually on the first Sunday of July between 10 a.m. and 4 p.m. Event coordinators are also reducing the length of the racecourse so that Big Sarasota Pass channel may remain open during the event. In recent years, areas north of New Pass have been subjected to shoaling. To ensure the safety of boaters, the Coast Guard will also close New Pass during the race because the north end of the course is close to the channel.

B. Basis and Purpose

The legal basis for the rule is the Coast Guard's authority to establish special local regulations: 33 U.S.C. 1233.

The purpose of the regulation is to consolidate the Annual Suncoast Offshore Challenge at 33 CFR 100.719 and Annual Suncoast Offshore Grand Prix 33 CFR 100.720 into a single regulation to provide safety of life on the navigable waters in the Captain of the Port Saint Petersburg Zone.

C. Comments, Changes and the Final Rule

There were no comments related to this event during the comment period and there was no request for a public meeting made during the comment period.

This final rule is necessary to accommodate the rescheduling of the Annual Suncoast Offshore Challenge to the same date of the Annual Suncoast Offshore Grand Prix race, to modify the

regulated area to account for changes in the length of the racecourse, and to modify the passes for inbound and outbound traffic into Sarasota Bay. The final rule removes 33 CFR 100.719, the existing permanent regulation for the Annual Suncoast Offshore Challenge scheduled for the first Saturday in July. That event would be consolidated into existing 33 CFR 100.720, the Annual Suncoast Offshore Grand Prix race. The event listed in 33 CFR 100.719 is a one-day race event to be held on the already established Grand Prix race day, annually on the first Sunday of July. Under the existing special local regulations, New Pass is open to maritime traffic and Big Sarasota Pass is closed to traffic. Due to recent shoaling north of New Pass, this final rule closes New Pass and opens Big Sarasota Pass to inbound and outbound traffic. Additionally, the coordinates of the regulated area would be modified to reflect a reduced length in the racecourse.

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes or executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders.

This regulation is not a significant regulatory action because this change constitutes merging and modification of existing regulations. This rule may have some impact on the public, but these potential impacts will be minimized for the following reason: Big Sarasota Pass is within three miles of New Pass and would allow vessels to continue to enter and exit Sarasota Bay.

2. Impact on Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we have considered the impact of this rule on small entities. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT**, above. The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule would not result in such expenditure,

we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule would not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children From Environmental Health Risks

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This rule is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have made a preliminary determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule is

categorically excluded from further review under paragraph 34(h) of Figure 2–1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under **ADDRESSES**.
