Maritime Administration

Voluntary Intermodal Sealift Agreement Open Season

AGENCY: Maritime Administration, DOT.

ACTION: Notice of open season for enrollment in the VISA program.

SUMMARY: The Maritime Administration (MARAD) announces that the open season for Fiscal Year 2015 applications for participation in the Voluntary Intermodal Sealift Agreement (VISA) program will run for 30 days beginning today and ending September 8, 2014. The purpose of this notice is to invite interested, qualified U.S.-flag vessel operators that are not currently enrolled in the VISA program to apply. This is the only planned enrollment period for carriers to join the VISA program and derive benefits for Department of Defense (DOD) peacetime contracts initiated during the period from October 1, 2014, through September 30, 2015.

Any U.S.-flag vessel operator organized under the laws of a state of the United States, or the District of Columbia, who is able and willing to commit militarily useful sealift assets and assume the related consequential risks of commercial disruption, may be eligible to participate in the VISA program.

The mission of VISA is to provide commercial sealift and intermodal shipping services and systems, including vessels, vessel space, intermodal systems and equipment, terminal facilities, and related management services, to the Department of Defense (DOD), as necessary, to meet national defense contingency requirements or national emergencies. Carriers enrolled in the VISA program provide DOD with assured access to such services during contingencies. In return for their VISA commitment, DOD gives VISA participants priority for peacetime cargos.

DATES: VISA Program applications must be received on or before September 8, 2014.

ADDRESSES: Submit applications and questions related to this notice to Jerome D. Davis, Director, Office of Sealift Support, U.S. Department of Transportation, Maritime Administration, 1200 New Jersey Avenue SE., Washington, DC 20590.

Telephone (202) 366-0688; Fax (202) 366-5904.

FOR FURTHER INFORMATION CONTACT:

Jerome D. Davis, Director, Office of Sealift Support, U.S. Department of Transportation, Maritime Administration, 1200 New Jersey Avenue SE., Washington, DC 20590. Telephone (202) 366-0688; Fax (202) 366-5904, or visit <http://www.marad.dot.gov>.

SUPPLEMENTARY INFORMATION: The VISA program was established pursuant to Section 708 of the Defense Production Act of 1950, as amended (DPA). The VISA program was created to provide for voluntary agreements for emergency preparedness programs. Pursuant to the DPA, voluntary agreements for preparedness programs, including the VISA program expire five (5) years after the date they became effective.

The VISA program is open to U.S.-flag vessel operators of oceangoing militarily useful vessels, to include tugs and barges. An operator is defined as an owner or bareboat charterer of a vessel. Tug enrollment alone does not satisfy VISA eligibility. Operators include vessel owners and bareboat charter operators if satisfactory signed agreements are in place committing the assets of the owner to VISA. Voyage and space charterers are not considered U.S.-flag vessel operators for purposes of VISA eligibility.

VISA Concept

The VISA program provides for the staged, time-phased availability of participants' shipping services/systems through pre-negotiated contracts between the Government and participants. Such arrangements are jointly planned with the MARAD, USTRANSCOM, and participants in peacetime to allow effective and best valued use of commercial sealift capacity, provide DOD assured contingency access, and to minimize commercial disruption.

There are three time-phased stages in the event of VISA activation. VISA Stages I and II provide for pre-negotiated contracts between DOD and participants to provide sealift capacity to meet all projected DOD contingency requirements. These contracts are executed in accordance with approved DOD contracting methodologies. VISA Stage III provides for additional capacity to DOD when Stages I and II commitments or volunteered capacity are insufficient to meet contingency requirements, and adequate shipping services from non-participants are not available through established DOD

contracting practices or U.S. Government treaty agreements.

Exceptions to This Open Season

The only exception to this open season period for VISA enrollment will be for a non-VISA carrier that reflags a vessel into U.S. registry. That carrier may submit an application to participate in the VISA program at any time upon completion of reflagging.

Advantages of Peacetime Participation

In return for their VISA commitment, DOD awards peacetime cargo contracts to VISA participants on a priority basis. Award of DOD cargoes to meet DOD peacetime and contingency requirements is made on the basis of the following priorities: U.S.-flag vessel capacity operated by VISA participants and U.S.-flag Vessel Sharing Agreement (VSA) capacity held by VISA participants; U.S.-flag vessel capacity operated by non-participants; Combination U.S.-flag/foreign-flag vessel capacity operated by VISA participants, and combination U.S.-flag/foreign-flag VSA capacity held by VISA participants; Combination U.S.-flag/foreign-flag vessel capacity operated by non-participants; U.S.-owned or operated foreign-flag vessel capacity and VSA capacity held by VISA participants; U.S.-owned or operated foreign-flag vessel capacity and VSA capacity held by non-participants; and Foreign-owned or operated foreign-flag vessel capacity of non-participants.

Participation

Applicants must provide satisfactory evidence that the vessels being committed to the VISA program are operational and are intended to be operated by the applicant in the carriage of commercial or government preference cargoes. Operator is defined as an ocean common carrier or contract carrier that owns, controls or manages vessels by which ocean transportation is provided. While vessel brokers, freight forwarders, and agents play an important role as a conduit to locate and secure appropriate vessels for the carriage of DOD cargo, they are not eligible to participate in the VISA program due to lack of requisite vessel ownership or operation.

Commitment

Any U.S.-flag vessel operator desiring to receive priority consideration for DOD peacetime contracts must commit no less than 50 percent of its total U.S.-flag militarily useful capacity in Stage III of the VISA program. Participants operating vessels in international trade may receive top tier consideration in the award of DOD peacetime contracts by
