

Island (EDT) on Tuesday, August 26, 2014, at 645 Elmwood Avenue, Providence, Rhode Island 02907. The purpose of the planning meeting is to review civil rights project proposals and select a civil rights topic to examine.

Members of the public are entitled to submit written comments. The comments must be received in the regional office by Friday, September 26, 2014. Comments may be mailed to the Eastern Regional Office, U.S. Commission on Civil Rights, 1331 Pennsylvania Avenue, Suite 1150, Washington, DC 20425, faxed to (202) 376-7548, or emailed to Evelyn Bohor at ero@usccr.gov. Persons who desire additional information may contact the Eastern Regional Office at 202-376-7533.

Persons needing accessibility services should contact the Eastern Regional Office at least 10 working days before the scheduled date of the meeting.

Records generated from this meeting may be inspected and reproduced at the Eastern Regional Office, as they become available, both before and after the meeting. Persons interested in the work of this advisory committee are advised to go to the Commission's Web site, www.usccr.gov, or to contact the Eastern Regional Office at the above phone number, email or street address.

The meetings will be conducted pursuant to the provisions of the rules and regulations of the Commission and FACA.

Dated August 7, 2014.

David Mussatt,

Chief, Regional Programs Coordination Unit.

Foreign-Trade Zones Board

[B-54-2014]

Proposed Foreign-Trade Zone—Limon, Colorado Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the Town of Limon, Colorado to establish a foreign-trade zone at sites in Limon, Colorado, adjacent to the Denver U.S. Customs and Border Protection (CBP) port of entry, under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR Sec. 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new "subzones" or

"usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of the FTZ Board's standard 2,000-acre activation limit for a zone project. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally docketed on August 7, 2014. The applicant is authorized to make the proposal under Colorado statute 7-49.5-102.

The proposed zone would be the 3rd zone for the Denver CBP port of entry. The existing zones are as follows: FTZ 112, Colorado Springs, CO (Grantee: Colorado Springs Foreign-Trade Zone, Inc., Board Order 281, 49 FR 44936, 11/13/84); and, FTZ 123, Denver, CO (Grantee: City and County of Denver, Board Order 311, 50FR 34729, 08/27/1985).

The applicant's proposed service area under the ASF would be Adams, Arapahoe and Morgan Counties, Colorado and portions of Elbert, Lincoln and Washington Counties, Colorado, as described in the application. If approved, the applicant would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The application indicates that the proposed service area is within and adjacent to the Denver U.S. Customs and Border Protection port of entry.

The proposed zone would include two "magnet" sites: Proposed *Site 1* (141.16 acres)—Big Sandy industrial area, 1055 Immel Street, Limon; Proposed *Site 2* (280.3 acres)—East Airport industrial area, 21650 State Highway 40, Limon. The ASF allows for the possible exemption of one magnet site from the "sunset" time limits that generally apply to sites under the ASF, and the applicant proposes that Site 1 be so exempted.

The application indicates a need for zone services in the Limon, Colorado area. Specific production approvals are not being sought at this time. Such requests would be made to the FTZ Board on a case-by-case basis.

In accordance with the FTZ Board's regulations, Christopher Kemp of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is October 14, 2014. Rebuttal comments in response to material submitted during

the foregoing period may be submitted during the subsequent 15-day period to October 27, 2014.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the FTZ Board's Web site, which is accessible via www.trade.gov/ftz.

For further information, contact Christopher Kemp at Christopher.Kemp@trade.gov or (202) 482-0862.

Dated: August 7, 2014.

Andrew McGilvray,

Executive Secretary.

Foreign-Trade Zones Board

[B-55-2014]

Foreign-Trade Zone (FTZ) 221—Mesa, Arizona; Notification of Proposed Production Activity; Apple Inc./GTAT Corp. (Components for Consumer Electronics); Mesa, Arizona

The City of Mesa, grantee of FTZ 221, submitted a notification of proposed production activity to the FTZ Board on behalf of Apple Inc./GTAT Corp. (Project Cascade), located in Mesa, Arizona, within Subzone 221A. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on July 31, 2014.

Project Cascade already has authority to produce certain components for consumer electronics within Subzone 221A. The current request would add finished products and foreign status materials/components to the scope of authority. Pursuant to 15 CFR 400.14(b), additional FTZ authority would be limited to the specific foreign-status materials/components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Project Cascade from customs duty payments on the foreign status materials/components used in export production. On its domestic sales, Project Cascade would be able to choose the duty rates during customs entry procedures that apply to sapphire crackle and waste/scrap (duty rate

ranges from duty-free to 3%) for the foreign status materials/components noted below and in the existing scope of authority. Customs duties also could possibly be deferred or reduced on foreign status production equipment.

The materials/components sourced from abroad include: alumina, sapphire and sapphire crackle (duty rate ranges from duty-free to 6.4%).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is September 22, 2014.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via www.trade.gov/ftz.

FOR FURTHER INFORMATION CONTACT: Elizabeth Whiteman at Elizabeth.Whiteman@trade.gov or (202) 482-0473.

Dated: August 7, 2014.

Andrew McGilvray,
Executive Secretary.

BILLING CODE 3510-DS-P

DEPARTMENT OF COMMERCE

International Trade Administration

[A-570-881]

Malleable Cast Iron Pipe Fittings From the People's Republic of China: Continuation of Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the Department of Commerce (the "Department") and the International Trade Commission (the "ITC") that revocation of the antidumping duty ("AD") order on malleable cast iron pipe fittings from the People's Republic of China ("PRC") would be likely to lead to continuation or recurrence of dumping and of material injury to an industry in the United States, the Department is publishing this notice of continuation of the AD order.

DATES: *Effective Date:* August 12, 2014.

FOR FURTHER INFORMATION CONTACT: Brendan Quinn or Erin Begnal, AD/CVD Operations, Office III, Enforcement and

Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-5848 or (202) 482-1442, respectively.

SUPPLEMENTARY INFORMATION: On March 3, 2014, the Department published the notice of initiation of the second sunset review of the AD Order¹ on malleable cast iron pipe fittings from the PRC, pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act").²

As a result of its review, the Department determined that revocation of the malleable cast iron pipe fittings Order would be likely to lead to a continuation or recurrence of dumping, and, therefore, notified the ITC of the magnitude of the margins likely to prevail should the order be revoked.³

On August 5, 2014, the ITC published its determination, pursuant to section 751(c) of the Act, that revocation of the existing AD order on malleable cast iron pipe fittings from the PRC would be likely to lead to a continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.⁴

Scope of the Order

The products covered by the Order are certain malleable iron pipe fittings, cast, other than grooved fittings, from the PRC. The merchandise is currently classifiable under item numbers 7307.19.90.30, 7307.19.90.60, 7307.19.90.80, and 7326.90.85.88 of the Harmonized Tariff Schedule of the United States ("HTSUS"). Excluded from the scope of this order are metal compression couplings, which are imported under HTSUS number 7307.19.90.80. A metal compression coupling consists of a coupling body, two gaskets, and two compression nuts. These products range in diameter from 1/2 inch to 2 inches and are carried only in galvanized finish. Although HTSUS subheadings are provided for convenience and customs purposes, the Department's written description of the scope of this proceeding is dispositive.

¹ See *Antidumping Duty Order: Certain Malleable Iron Pipe Fittings From the People's Republic of China*, 68 FR 69376 (December 12, 2003) ("Order").

² See *Initiation of Five-Year ("Sunset") Review*, 79 FR 11762 (March 3, 2014).

³ See *Malleable Cast Iron Pipe Fittings from the People's Republic of China: Final Results of Expedited Second Sunset Review of Antidumping Duty Order*, 79 FR 42291 (July 21, 2014).

⁴ See *Malleable Cast Iron Pipe Fittings From China*, 79 FR 45460 (August 05, 2014); see also USITC Publication 4484, August 2014) entitled *Malleable Iron Pipe Fittings from China (Inv. No. 731-TA-1021 (Second Review))*.

Continuation of the Order

As a result of these determinations by the Department and the ITC that revocation of the AD order on malleable cast iron pipe fittings would be likely to lead to a continuation or recurrence of dumping, and material injury to an industry in the United States, pursuant to sections 751(c) and 751(d)(2) of the Act, the Department hereby orders the continuation of the AD order on malleable cast iron pipe fittings from the PRC. U.S. Customs and Border Protection will continue to collect cash deposits for estimated antidumping duties at the rates in effect at the time of entry for all imports of subject merchandise. The effective date of the continuation of the order will be the date of publication in the **Federal Register** of this notice of continuation. Pursuant to section 751(c)(2) of the Act, the Department intends to initiate the next five-year review of the order not later than 30 days prior to the fifth anniversary of the effective date of this continuation.

This five-year (sunset) review and this notice are in accordance with section 751(c) of the Act and published pursuant to section 777(i)(1) of the Act and 19 CFR 351.218(f)(4).

Dated: August 5, 2014.

Paul Piquado,

Assistant Secretary, for Enforcement and Compliance.

Continuation of Countervailing Duty Order: Circular Welded Austenitic Stainless Pressure Pipe From the People's Republic of China

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the Department of Commerce (the "Department") the International Trade Commission (the "ITC") that revocation of the countervailing duty ("CVD") order on circular welded stainless pressure pipe from the People's Republic of China ("PRC") would likely lead to continuation or recurrence of a countervailable subsidy and material injury to an industry in the United States, the Department is publishing this notice of the continuation of this CVD order.
