

that meeting to inform future policies and best-practice guidelines.

#### Communication With Stakeholders

*Comment:* An animal health care company encouraged the public meeting organizers to follow-up with participants by communicating potential results or implications of the meeting.

*Response:* The Agency agrees that stakeholders should be kept informed. The transcript of the meeting is available on the Agency's Web site at <http://www.fsis.usda.gov/wps/portal/fsis/newsroom/meetings/past-meetings/past-meetings-2011>. Notes from the round table discussions held at the meeting are available at [http://www.fsis.usda.gov/wps/wcm/connect/2091b3b8-2d81-4531-81b7-f05369a9a16f/Pre-Harvest\\_FS\\_Notes.pdf?MOD=AJPERES](http://www.fsis.usda.gov/wps/wcm/connect/2091b3b8-2d81-4531-81b7-f05369a9a16f/Pre-Harvest_FS_Notes.pdf?MOD=AJPERES). An outgrowth of the meeting is the Agency's updated guidance document. FSIS fully considered the comments made during and in response to the meeting in updating the guidance.

*Comment:* Three commenters stated that the May 2010 guidance document lacked scientific rigor, was inconsistent in the recommendations, and generally included practices that did not work. For example, a trade association disagreed that antibiotics would be effective in preventing shedding of *E. coli* O157:H7 in cattle. One commenter felt there would be confusion in the use of both scientific and trade names for antibiotics.

*Response:* It is important that establishments, particularly small and very small establishments, have access to a full range of scientific and technical information to assist them in establishing safe and effective HACCP systems, including information on pre-harvest management strategies that an establishment may choose to incorporate to reduce the incoming bacterial load into their process. For example, the guidance draws on a number of studies on feed types, feed additives, fasting, and their effects on *E. coli* O157:H7 shedding, with some studies showing a decrease in *E. coli* O157:H7 shedding, while others showed an increase or no difference in *E. coli* O157:H7 shedding. In some studies, ractopamine was shown to decrease *E. coli* O157:H7 shedding, while in other studies it was shown to increase *E. coli* O157:H7 shedding. The Agency's intent in re-issuing the guidance document is to provide industry with a review of the literature on, and the current status of, pre-harvest interventions, management practices, and ongoing research. FSIS has removed statements from the

document that may have recommended any particular pre-harvest intervention or practice over another one.

As stated above, there is no regulatory requirement for establishments to use the interventions or management practices outlined in the guidance document.

FSIS regards the use of both scientific and trade names for antibiotics as justified because the use of both is common in the scientific literature on pre-harvest interventions and management practices.

#### **SUPPLEMENTARY INFORMATION:**

##### **Overview**

*Federal Agency:* Rural Housing Service.

*Funding Opportunity Title:* Rural Community Development Initiative.

*Announcement Type:* Initial Announcement.

*Catalog of Federal Domestic Assistance (CFDA) Number:* 10.446.

*Dates:* The deadline for receipt of an application is 4 p.m. local time, November 12, 2014. The application date and time are firm. The Agency will not consider any application received after the deadline. Applicants intending to mail applications must provide sufficient time to permit delivery on or before the closing deadline date and time. Acceptance by the United States Postal Service or private mailer does not constitute delivery. Facsimile (FAX) and postage due applications will not be accepted.

#### **Part I—Funding Opportunity Description**

Congress, in the Consolidated Appropriations Act, 2014 (Pub. L. 113-76) authorized the RCDI to develop the capacity and ability of qualified private, nonprofit community-based housing and community development organizations, low-income rural communities, and federally recognized Native American Tribes to undertake projects related to housing, community facilities, or community and economic development in rural areas.

#### **Part II—Award Information**

Congress appropriated \$5,967,000 in FY 2014 for the RCDI program. Qualified private, nonprofit and public (including tribal) intermediary organizations proposing to carry out financial and technical assistance programs will be eligible to receive the funding. The intermediary will be required to provide matching funds in an amount at least equal to the RCDI grant.

The respective minimum and maximum grant amount per intermediary is \$50,000 and \$250,000.

The intermediary must provide a program of financial and technical assistance to a private, nonprofit community-based housing and development organization, a low-income rural community or a federally recognized tribe.

#### **Part III—Eligibility Information**

##### *A. Eligible Applicants*

1. Qualified private, nonprofit, (including faith-based and community organizations and philanthropic foundations), in accordance with 7 CFR part 16, and public (including tribal) intermediary organizations. Definitions that describe eligible organizations and other key terms are listed below.

2. RCDI grantees that have an outstanding grant over 3 years old, as of the application due date in this Notice, will not be eligible to apply for this round of funding. Grant and matching funds must be utilized in a timely manner to ensure that the goals and objectives of the program are met.

##### *B. Program Definitions*

**Agency**—The Rural Housing Service (RHS) or its successor.

**Beneficiary**—Entities or individuals that receive benefits from assistance provided by the recipient.

**Capacity**—The ability of a recipient to implement housing, community facilities, or community and economic development projects.

**Conflict of interest**—A situation in which a person or entity has competing personal, professional, or financial interests that make it difficult for the person or business to act impartially. Regarding use of both grant and matching funds, Federal procurement standards prohibit transactions that involve a real or apparent conflict of interest for owners, employees, officers, agents, or their immediate family members having a financial or other interest in the outcome of the project; or that restrict open and free competition for unrestrained trade. Specifically, project funds may not be used for services or goods going to, or coming from, a person or entity with a real or apparent conflict of interest, including, but not limited to, owner(s) and their immediate family members. An example of conflict of interest occurs when the grantee's employees, board of directors, or the immediate family of either, have the appearance of a professional or personal financial interest in the recipients receiving the benefits or services of the grant.

**Federally recognized tribes**—Tribal entities recognized and eligible for funding and services from the Bureau of Indian Affairs, based on the current notice in the **Federal Register** published by the Bureau of Indian Affairs. Tribally Designated Housing Entities are eligible RCDI recipients.

**Financial assistance**—Funds, not to exceed \$10,000 per award, used by the intermediary to purchase supplies and equipment to build the recipient's capacity.

**Funds**—The RCDI grant and matching money.

**Intermediary**—A qualified private, nonprofit (including faith-based and community organizations and philanthropic organizations), or public (including tribal) organization that provides financial and technical assistance to multiple recipients.

**Low-income rural community**—An authority, district, economic development authority, regional council, or unit of government representing an incorporated city, town, village, county, township, parish, or borough whose income is at or below 80 percent of either the state or national Median Household Income as measured by the 2010 Census.

**Matching funds**—Cash or confirmed funding commitments. Matching funds must be at least equal to the grant amount and committed for a period of not less than the grant performance period.

**Recipient**—The entity that receives the financial and technical assistance from the Intermediary. The recipient

must be a nonprofit community-based housing and development organization, a low-income rural community or a federally recognized Tribe.

**Regional Collaboration—**Multi-jurisdictional areas typically within a State, territory, or federally-designated Tribal land but which can cross State, territory, or Tribal boundaries. The Regional Collaboration approach is intended to combine the resources of the Agency with those of State and local governments, educational institutions, and the private and nonprofit sectors to implement regional economic and community development strategies.

**Rural and rural area—**Any area other than (i) a city or town that has a population of greater than 50,000 inhabitants; and (ii) the urbanized area contiguous and adjacent to such city or town.

**Technical assistance—**Skilled help in improving the recipient's abilities in the areas of housing, community facilities, or community and economic development.

### C. Cost Sharing or Matching

Matching funds are cash or confirmed funding commitments and must be at least equal to the grant amount and committed for a period of not less than the grant performance period. These funds can only be used for eligible RCDI activities. Matching funds must be used to support the overall purpose of the RCDI program.

In-kind contributions such as salaries, donated time and effort, real and nonexpendable personal property and goods and services cannot be used as matching funds.

Grant funds and matching funds must be used in equal proportions. This does not mean funds have to be used equally by line item.

The request for advance or reimbursement and supporting documentation must show that RCDI fund usage does not exceed the cumulative amount of matching funds used.

Grant funds will be disbursed pursuant to relevant provisions of 7 CFR parts 3015, 3016, and 3019, as applicable. Verification of matching funds must be submitted with the application.

The intermediary is responsible for demonstrating that matching funds are available, and committed for a period of not less than the grant performance period to the RCDI proposal. Matching funds may be provided by the intermediary or a third party. Other Federal funds may be used as matching funds if authorized by statute and the

purpose of the funds is an eligible RCDI purpose.

RCDI funds will be disbursed on an advance or reimbursement basis. Matching funds cannot be expended prior to execution of the RCDI Grant Agreement.

No reimbursement will be made for any funds expended prior to execution of the RCDI Grant Agreement unless the intermediary is a non-profit or educational entity and has requested and received written Agency approval of the costs prior to the actual expenditure.

This exception is applicable for up to 90 days prior to grant closing and only applies to grantees that have received written approval but have not executed the RCDI Grant Agreement.

The Agency cannot retroactively approve reimbursement for expenditures prior to execution of the RCDI Grant Agreement.

### D. Other Program Requirements

1. The recipient and beneficiary, but not the intermediary, must be located in an eligible rural area. The physical location of the recipient's office that will be receiving the financial and technical assistance must be in an eligible rural area. If the recipient is a low-income community, the median household income of the area where the office is located must be at or below 80 percent of the State or national median household income, whichever is higher. The applicable Rural Development State Office can assist in determining the eligibility of an area.

A listing of Rural Development State Office contacts can be found via [http://www.rurdev.usda.gov/Support/Documents/RCDI\\_State\\_Contacts.pdf](http://www.rurdev.usda.gov/Support/Documents/RCDI_State_Contacts.pdf). A map showing eligible rural areas can be found at the following link: <http://eligibility.test.sc.egov.usda.gov/eligibility/welcomeAction.do?pageAction=RBSmenu&NavKey=property@13>.

2. The recipient must be a nonprofit, which may include a faith-based organization, philanthropic foundation, community-based housing and development organization, low-income rural community, or federally recognized tribe based on the RCDI definitions of these groups.

3. Documentation must be submitted to verify recipient eligibility. Acceptable documentation varies depending on the type of recipient. Private nonprofit, faith or community-based organizations must provide a certificate of incorporation and good standing from the Secretary of the State of incorporation, or other similar and valid documentation of nonprofit status. For low-income rural

community recipients, the Agency requires evidence that the entity is a public body and census data verifying that the median household income of the community where the office receiving the financial and technical assistance is located is at, or below, 80 percent of the State or national median household income, whichever is higher.

For federally recognized tribes, the Agency needs the page listing their name from the current **Federal Register** list of tribal entities recognized and eligible for funding services (see the definition of federally recognized tribes in this Notice for details on this list).

4. Individuals cannot be recipients.

5. The intermediary must provide matching funds at least equal to the amount of the grant. Verification of matching funds must be submitted with the application. Matching funds must be committed for a period equal to the grant performance period.

6. The intermediary must provide a program of financial and technical assistance to the recipient.

7. The intermediary organization must have been legally organized for a minimum of 3 years and have at least 3 years prior experience working with private nonprofit community-based housing and development organizations, low-income rural communities, or tribal organizations in the areas of housing, community facilities, or community and economic development.

8. Proposals must be structured to utilize the grant funds within 3 years from the date of the award.

9. Each applicant, whether singularly or jointly, may only submit one application for RCDI funds under this Notice. This restriction does not preclude the applicant from providing matching funds for other applications.

10. Recipients can benefit from more than one RCDI application; however, after grant selections are made, the recipient can only benefit from multiple RCDI grants if the type of financial and technical assistance the recipient will receive is not duplicative. The services described in multiple RCDI grant applications must have separate and identifiable accounts for compliance purposes.

11. The intermediary and the recipient cannot be the same entity. The recipient can be a related entity to the intermediary, if it meets the definition of a recipient, provided the relationship does not create a conflict of interest that cannot be resolved to Rural Development's satisfaction.

12. A nonprofit recipient must provide evidence that it is a valid nonprofit when the intermediary applies for the RCDI grant.

Organizations with pending requests for nonprofit designations are not eligible.

13. If the recipient is a low-income rural community, identify the unit of government to which the financial and technical assistance will be provided, e.g., town council or village board. The financial and technical assistance must be provided to the organized unit of government representing that community, not the community at large.

14. If a grantee has an outstanding RCIDI grant over 3 years old, as of the application due date in this Notice, it is not eligible to apply for this round of funding.

15. The indirect cost category in the project budget should be used only when a grant applicant has a federally negotiated indirect cost rate. A copy of the current rate agreement must be provided with the application.

16. Grant applicants must obtain a Dun and Bradstreet Data Universal Numbering System (DUNS) number and register in the System for Award Management (SAM) prior to submitting a pre-application pursuant to 2 CFR 25.200(b). In addition, an entity applicant must maintain registration in SAM at all times during which it has an active Federal award or an application or plan under construction by the Agency. Similarly, all recipients of Federal financial assistance are required to report information about first-tier subawards and executive compensation in accordance to 2 CFR part 170. So long as an entity applicant does not have an exception under 2 CFR 170.110(b), the applicant must have the necessary processes and systems in place to comply with the reporting requirements should the applicant receive funding. See 2 CFR 170.200(b).

#### *E. Eligible Fund Uses*

Fund uses must be consistent with the RCIDI purpose. A nonexclusive list of eligible grant uses includes the following:

1. Provide technical assistance to develop recipients' capacity and ability to undertake projects related to housing, community facilities, or community and economic development, e.g., the intermediary hires a staff person to provide technical assistance to the recipient or the recipient hires a staff person, under the supervision of the intermediary, to carry out the technical assistance provided by the intermediary.

2. Develop the capacity of recipients to conduct community development programs, e.g., homeownership education or training for business entrepreneurs.

3. Develop the capacity of recipients to conduct development initiatives, e.g.,

programs that support micro-enterprise and sustainable development.

4. Develop the capacity of recipients to increase their leveraging ability and access to alternative funding sources by providing training and staffing.

5. Develop the capacity of recipients to provide the technical assistance component for essential community facilities projects.

6. Assist recipients in completing pre-development requirements for housing, community facilities, or community and economic development projects by providing resources for professional services, e.g., architectural, engineering, or legal.

7. Improve recipient's organizational capacity by providing training and resource material on developing strategic plans, board operations, management, financial systems, and information technology.

8. Purchase of computers, software, and printers, limited to \$10,000 per award, at the recipient level when directly related to the technical assistance program being undertaken by the intermediary.

9. Provide funds to recipients for training-related travel costs and training expenses related to RCIDI.

#### *F. Ineligible Fund Uses*

The following is a list of ineligible grant uses:

1. Pass-through grants, capacity grants, and any funds provided to the recipient in a lump sum that are not reimbursements.

2. Funding a revolving loan fund (RLF).

3. Construction (in any form).

4. Salaries for positions involved in construction, renovations, rehabilitation, and any oversight of these types of activities.

5. Intermediary preparation of strategic plans for recipients.

6. Funding prostitution, gambling, or any illegal activities.

7. Grants to individuals.

8. Funding a grant where there may be a conflict of interest, or an appearance of a conflict of interest, involving any action by the Agency.

9. Paying obligations incurred before the beginning date without prior Agency approval or after the ending date of the grant agreement.

10. Purchasing real estate.

11. Improvement or renovation of the grantee's, or recipient's office space or for the repair or maintenance of privately owned vehicles.

12. Any purpose prohibited in 7 CFR parts 3015, 3016, or 3019, as applicable.

13. Using funds for recipient's general operating costs.

14. Using grant or matching funds for Individual Development Accounts.

15. Purchasing vehicles.

#### *G. Program Examples and Restrictions*

The purpose of this initiative is to develop or increase the recipient's capacity through a program of financial and technical assistance to perform in the areas of housing, community facilities, or community and economic development. Strengthening the recipient's capacity in these areas will benefit the communities they serve. The RCIDI structure requires the intermediary (grantee) to provide a program of financial and technical assistance to recipients.

The recipients will, in turn, provide programs to their communities (beneficiaries). The following are examples of eligible and ineligible purposes under the RCIDI program. (These examples are illustrative and are not meant to limit the activities proposed in the application. Activities that meet the objectives of the RCIDI program and meet the criteria outlined in this Notice will be considered eligible.)

1. The intermediary must work directly with the recipient, not the ultimate beneficiaries. As an example:

The intermediary provides training to the recipient on how to conduct homeownership education classes. The recipient then provides ongoing homeownership education to the residents of the community—the ultimate beneficiaries. This “train the trainer” concept fully meets the intent of this initiative. The intermediary is providing technical assistance that will build the recipient's capacity by enabling them to conduct homeownership education classes for the public.

This is an eligible purpose. However, if the intermediary directly provided homeownership education classes to individuals in the recipient's service area, this would not be an eligible purpose because the recipient would be bypassed.

2. If the intermediary is working with a low-income community as the recipient, the intermediary must provide the technical assistance to the entity that represents the low-income community and is identified in the application. Examples of entities representing a low-income community are a village board or a town council.

If the intermediary provides technical assistance to the Board of the low-income community on how to establish a cooperative, this would be an eligible purpose. However, if the intermediary works directly with individuals from

the community to establish the cooperative, this is not an eligible purpose.

The recipient's capacity is built by learning skills that will enable them to support sustainable economic development in their communities on an ongoing basis.

3. The intermediary may provide technical assistance to the recipient on how to create and operate a revolving loan fund. The intermediary may not monitor or operate the revolving loan fund. RCDI funds, including matching funds, cannot be used to fund revolving loan funds.

4. The intermediary may work with recipients in building their capacity to provide planning and leadership development training. The recipients of this training would be expected to assume leadership roles in the development and execution of regional strategic plans. The intermediary would work with multiple recipients in helping communities recognize their connections to the greater regional and national economies.

5. The intermediary could provide training and technical assistance to the recipients on developing emergency shelter and feeding, short-term housing, search and rescue, and environmental accident, prevention, and cleanup program plans. For longer term disaster and economic crisis responses, the intermediary could work with the recipients to develop job placement and training programs, and develop coordinated transit systems for displaced workers.

#### Part IV—Application and Submission Information

##### A. Address To Request Application Package

Entities wishing to apply for assistance may download the application documents and requirements delineated in this Notice from the RCDI Web site: [http://www.rurdev.usda.gov/HAD-RCDI\\_Grants.html](http://www.rurdev.usda.gov/HAD-RCDI_Grants.html).

##### B. Content and Form of Application Submission

If the applicant is ineligible or the application is incomplete, the Agency

will inform the applicant in writing of the decision, reasons therefore, and its appeal rights and no further evaluation of the application will occur.

A complete application for RCDI funds must include the following:

1. A summary page, double-spaced between items, listing the following: (This information should not be presented in narrative form.)
  - a. Applicant's name,
  - b. Applicant's address,
  - c. Applicant's telephone number,
  - d. Name of applicant's contact person and telephone number,
  - e. Applicant's fax number,

- b. How the capacity and ability of the recipients will be improved.
- c. The overall goals to be accomplished.
- d. The benchmarks to be used to measure the success of the program. Benchmarks should be specific and quantifiable.

4. 5. Verification of source and amount of matching funds, e.g., a copy of a bank statement if matching funds are in cash or a copy of the confirmed funding commitment from the funding source.

The verification must show that matching funds are available for the duration of the grant performance period. The verification of matching funds must be submitted with the application or the application will be considered incomplete.

The applicant will be contacted by the Agency prior to grant award to verify that the matching funds provided with the application continue to be available. The applicant will have 15 days from the date contacted to submit verification that matching funds continue to be available.

If the applicant is unable to provide the verification within that timeframe, the application will be considered ineligible. The applicant must maintain bank statements on file or other documentation for a period of at least 3 years after grant closing except that the records shall be retained beyond the 3-year period if audit findings have not been resolved.

6. The following information for each recipient:

7. Submit evidence that each recipient entity is eligible:

a. Nonprofits—provide a current valid letter confirming non-profit status from the Secretary of the State of incorporation or the IRS, a current good standing certification from the Secretary of the State of incorporation, or other valid documentation of nonprofit status of each recipient.

b. Low-income rural community—provide evidence the entity is a public body, and a copy of the 2010 census data to verify the population, and evidence that the median household income is at, or below, 80 percent of either the State or national median household income. We will only accept data and printouts from <http://www.census.gov>.

c. Federally recognized tribes—provide the page listing their name from the **Federal Register** list of tribal entities published by the Bureau of Indian Affairs on May 6, 2013 (78 FR 26384) or from the 2014 list which can be found at <http://www.bia.gov/cs/groups/public/documents/text/idc006989>.

13. Form AD-1047, "Certification Regarding Debarment, Suspension, and Other Responsibility Matters—Primary Covered Transactions."

14. Form AD-1048, "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions."

15. Form AD-1049, "Certification Regarding Drug-Free Workplace Requirements."

17. Standard Form LLL, "Disclosure of Lobbying Activities," if applicable.

18. Form RD 400-4, "Assurance Agreement," for the applicant.

19. Identify and report any association or relationship with Rural Development employees. (A statement acknowledging whether or not a relationship exists is required).

20. For grants, the applicant's Dun and Bradstreet Data Universal Numbering Systems (DUNS) number and registration in the System for Award Management (SAM) in accordance with 2 CFR part 25. As required by the Office of Management and Budget (OMB), all grant applications must provide a DUNS number when applying for Federal grants, on or after October 1, 2003. Organizations can receive a DUNS number at no cost by calling the dedicated toll-free number at 1-866-705-5711 or via Internet at <http://www.dnb.com/us/>. Additional information concerning this requirement can be obtained on the Grants.gov Web site at <http://www.grants.gov>. Similarly, applicants may register for SAM at <https://www.sam.gov> or by calling 1-866-606-8220.

The DUNS number should be identified in the "Organizational DUNS" field on Standard Form (SF) 424, "Application for Federal Assistance." Since there are no specific fields for a Commercial and Government Entity (CAGE) code and expiration date, they may be identified anywhere on the Form SF 424. If the applicant does not provide the CAGE code and expiration date and the DUNS number in the application, it will not be considered for funding. The required forms and certifications can be downloaded from the RCDI Web site at: [http://www.rurdev.usda.gov/HAD-RCDI\\_Grants.html](http://www.rurdev.usda.gov/HAD-RCDI_Grants.html).

#### C. Other Submission Information

Survey on Ensuring Equal Opportunity for Applicants, OMB No. 1894-0010 (applies only to nonprofit applicants only—submission is optional).

The original application package must be submitted to the Rural Development State Office where the applicant's headquarters is located. A listing of Rural Development State Offices can be found via [http://www.rurdev.usda.gov/SupportDocuments/RCDI\\_State\\_Contacts.pdf](http://www.rurdev.usda.gov/SupportDocuments/RCDI_State_Contacts.pdf). Applicants may file an electronic application at <http://www.grants.gov>. Grants.gov contains full instructions on all required passwords, credentialing, and software. Follow the instructions at Grants.gov for registering and submitting an electronic application. If a system problem or technical difficulty occurs with an electronic application, please use the customer support resources available at the Grants.gov Web site.

Technical difficulties submitting an application through Grants.gov will not be a reason to extend the application deadline. If an application is unable to be submitted through Grants.gov, a paper application must be received in the appropriate Rural Development State Office by the deadline noted previously.

First time Grants.gov users should carefully read and follow the registration steps listed on the Web site. These steps need to be initiated early in the application process to avoid delays in submitting your application online.

In order to register with System for Award Management (SAM), your organization will need a DUNS number. Be sure to complete the Marketing Partner ID (MPID) and Electronic Business Primary Point of Contact fields during the SAM registration process.

These are mandatory fields that are required when submitting grant

applications through Grants.gov. Additional application instructions for submitting an electronic application can be found by selecting this funding opportunity on Grants.gov.

#### D. Funding Restrictions

Meeting expenses. In accordance with 31 U.S.C. 1345, "Expenses of Meetings," appropriations may not be used for travel, transportation, and subsistence expenses for a meeting. RCDI grant funds cannot be used for these meeting-related expenses. Matching funds may, however, be used to pay for these expenses.

RCDI funds may be used to pay for a speaker as part of a program, equipment to facilitate the program, and the actual room that will house the meeting.

RCDI funds cannot be used for meetings; they can, however, be used for travel, transportation, or subsistence expenses for program-related training and technical assistance purposes. Any training not delineated in the application must be approved by the Agency to verify compliance with 31 U.S.C. 1345. Travel and per diem expenses (including meals and incidental expenses) will be similar to those paid to Agency employees.

Rates are based upon location. Rate information can be obtained from the applicable Rural Development State Office. When lodging is not available at the government rate, grantees and recipients may exceed the Government rate for lodging by a maximum of 20 percent.

Grantees and recipients will be restricted to traveling coach class on common carrier airlines. Mileage and gas reimbursement will be the same rate used by Agency employees. This rate may be obtained from the applicable Rural Development State Office.

### Part V—Application Review Information

#### A. Evaluation Criteria

Applications will be evaluated using the following criteria and weights:

1. Building Capacity—Maximum 60 Points

The applicant must demonstrate how they will improve the recipients' capacity, through a program of financial and technical assistance, as it relates to the RCDI purposes.

Capacity-building financial and technical assistance should provide new functions to the recipients or expand existing functions that will enable the recipients to undertake projects in the areas of housing, community facilities, or community and economic

development that will benefit the community. Capacity-building financial and technical assistance may include, but is not limited to: training to conduct community development programs, e.g., homeownership education, or the establishment of minority business entrepreneurs, cooperatives, or micro-enterprises; organizational development, e.g., assistance to develop or improve board operations, management, and financial systems; instruction on how to develop and implement a strategic plan; instruction on how to access alternative funding sources to increase leveraging opportunities; staffing, e.g., hiring a person at intermediary or recipient level to provide technical assistance to recipients.

The program of financial and technical assistance provided, its delivery, and the measurability of the program's effectiveness will determine the merit of the application.

All applications will be competitively ranked with the applications providing the most improvement in capacity development and measurable activities being ranked the highest.

a. The narrative response must:

i. Describe the nature of financial and technical assistance to be provided to the recipients and the activities that will be conducted to deliver the technical assistance;

ii. Explain how financial and technical assistance will develop or increase the recipient's capacity. Indicate whether a new function is being developed or if existing functions are being expanded or performed more effectively;

iii. Identify which RCDI purpose areas will be addressed with this assistance: Housing, community facilities, or community and economic development; and

iv. Describe how the results of the technical assistance will be measured. What benchmarks will be used to measure effectiveness? Benchmarks should be specific and quantifiable.

b. The maximum 60 points for this criterion will be broken down as follows:

i. Type of financial and technical assistance and implementation activities. 35 points.

ii. An explanation of how financial and technical assistance will develop capacity. 10 points.

iii. Identification of the RCDI purpose. 5 points.

iv. Measurement of outcomes. 10 points.

2. Expertise—Maximum 30 Points

The applicant must demonstrate that it has conducted programs of financial and technical assistance and achieved measurable results in the areas of housing, community facilities, or community and economic development in rural areas.

Provide the name, contact information, and the type and amount of the financial and technical assistance the applicant organization has provided to the following for the last 3 years:

- a. Nonprofit organizations in rural areas.
- b. Low-income communities in rural areas (also include the type of entity, e.g., city government, town council, or village board).
- c. Federally recognized tribes or any other culturally diverse organizations.

3. Population—Maximum 30 Points

Population is based on the average population from the 2010 census data for the communities in which the recipients are located. The physical address, not mailing address, for each recipient must be used for this criterion. Community is defined for scoring purposes as a city, town, village, county, parish, borough, or census-designated place where the recipient's office is physically located.

The applicant must submit the census data from the following Web site in the form of a printout of the applicable "Fact Sheet" to verify the population figures used for each recipient. The data can be accessed on the Internet at <http://www.census.gov>; click on "American FactFinder," fill in field and click "Go"; the name and population data for each recipient location must be listed in this section.

The average population of the recipient locations will be used and will be scored as follows:

Population	Scoring (points)
5,000 or less .....	30
5,001 to 10,000 .....	20
10,001 to 20,000 .....	10
20,001 to 50,000 .....	5

4. Income—Maximum 30 Points

The average of the median household income for the communities where the recipients are physically located will determine the points awarded. The physical address, not mailing address, for each recipient must be used for this criterion. Applicants may compare the average recipient median household income to the State median household income or the national median household income, whichever yields the

most points. The national median household income to be used is \$51,914.

The applicant must submit the income data in the form of a printout of the applicable information from the following Web site to verify the income for each recipient.

The data being used is from the 2010 census. The data can be accessed on the Internet at <http://www.census.gov>; click on "American FactFinder," fill in field and click "Go"; the name and income data for each recipient location must be listed in this section. Points will be awarded as follows:

Average recipient median income	Scoring (points)
Less than 60 percent of state or national median household income .....	30
From 60 to 70 percent of state or national median household income .....	20
Greater than 70 to 80 percent of state or national median household income .....	10
In excess of 80 percent of state or national median household income .....	0

5. Soundness of Approach—Maximum 50 Points

The applicant can receive up to 50 points for soundness of approach. The overall proposal will be considered under this criterion. Applicants must list the page numbers in the application that address these factors.

The maximum 50 points for this criterion will be broken down as follows:

a. The ability to provide the proposed financial and technical assistance based on prior accomplishments has been demonstrated. 10 Points.

b. The proposed financial and technical assistance program is clearly stated and the applicant has defined how this proposal will be implemented. The plan for implementation is viable. 10 Points.

c. Cost effectiveness will be evaluated based on the budget in the application. The proposed grant amount and matching funds should be utilized to maximize capacity building at the recipient level. 15 points.

d. The proposal fits the objectives for which applications were invited. 15 points.

6. Technical assistance for the development of Renewable Energy Systems and Energy Efficiency Improvements—Maximum 20 Points

The applicant must demonstrate how they will improve the recipients' capacity to carry out activities related to

the development of renewable energy systems and energy efficiency improvements for housing, community facilities, or community and economic development.

#### 7. Regional Collaboration Applications—Maximum 20 Points

The Agency encourages applications that promote substantive economic growth, including job creation, as well as specifically addressing the circumstances of those sectors within the region that have fewer prospects and the greatest need for improved economic opportunity.

A Regional Collaboration project should implement goals, objectives or actions identified in a Regional Strategic Plan which addresses priorities specified at a regional scale.

Applications should demonstrate:

a. Clear leadership at the Intermediary level in organizing and coordinating a regional initiative;

b. Evidence that the Recipient's region has a common economic basis that supports the likelihood of success in implementing its strategy; and

c. Evidence that technical assistance will be provided that will increase the Recipient's capacity to assess their circumstance, determine a long term sustainable vision for the region, and implement a comprehensive strategic plan, including identifying performance measures and establishing a system to collect the data to allow assessment of those performance measures.

#### 8. Local Investment Points—Maximum 20 Points

Intermediaries must be physically located in an eligible rural community and must include evidence of investment in the community. The intent is to ensure that RCDI funds are expended in the rural community.

#### 9. Investing in Manufacturing Communities—Maximum 25 Points

Grant applicants demonstrating a technical assistance plan to help boost investing in manufacturing communities will be awarded a maximum of 25 additional points.

The applicant must demonstrate how their efforts will attract manufacturers and their supply chain of local innovators, producers, and distributors to create new jobs and strengthen the local economy. Applicant must demonstrate how it will support the redevelopment of manufacturing communities that have had major plant closings, in partnership with local leaders, workers and businesses. The maximum 25 points for this criterion will be awarded as follows:

d. Demonstrates how this project will lead to further development of the region's industrial ecosystem. (5 points)

#### 10. State Director's Points Based on Project Merit—Maximum 20 Points

a. This criterion will be addressed by the Agency, not the applicant.

b. Up to 20 points may be awarded by the Rural Development State Director to any application that benefits their state regardless of whether the applicant is headquartered in their state.

c. When an intermediary submits an application that will benefit a state that is not the same as the state in which the intermediary is headquartered, it is the intermediary's responsibility to notify the State Director of the state which is receiving the benefit of their application. In such cases, State Directors awarding points to applications benefiting their state must notify the reviewing state in writing.

d. State Directors have a maximum of 20 points per state that may be awarded to one or more applications.

e. The total points that may be awarded to any application may not exceed 20.

f. Assignment of any points under this criterion requires a written justification and must be tied to and awarded based on how closely the application aligns with the Rural Development State Office's strategic goals.

#### 11. Support of Agency's Strategic Goals—Maximum 20 Points

This criterion will be addressed by the Agency, not the applicant. The Agency Administrator may award up to 20 points to any application to the extent that the application supports Strategic Goal One in the USDA Strategic Plan 2014–2018. This plan can be found at the following link: [www.usda.gov/documents/usda-strategic-plan-fy-2014-2018.pdf](http://www.usda.gov/documents/usda-strategic-plan-fy-2014-2018.pdf).

#### 12. StrikeForce, Promise Zones and census tracts with poverty rates greater than or equal to 20 percent—Maximum 20 Points

Applicants can receive 20 points if their project is based in or serving

StrikeForce, Promise Zones or census tracts with poverty rates greater than or equal to 20 percent and are eligible under this RCDI program. This emphasis will support Rural Development's mission of improving the quality of life for rural Americans and our commitment to directing resources to those who most need them.

USDA's StrikeForce for Rural Growth and Opportunity Initiative is part of the Agency's commitment to growing economies, increasing investments and creating opportunities in poverty-stricken rural communities. The Promise Zone Initiative designates a number of high poverty urban, rural and tribal communities as Promise Zones, where the federal government will partner with and invest in communities to create jobs, leverage private investment, increase economic activity, expand educational opportunities, and improve public safety. For a listing of StrikeForce areas and designated Promise Zones, click on the following link: [http://www.usda.gov/wps/portal/usda/usdahome?navid=STRIKE\\_FORCE](http://www.usda.gov/wps/portal/usda/usdahome?navid=STRIKE_FORCE), then click the StrikeForce or Promise Zones button from the left menu. For a mapping tool identifying census tracts with poverty rates greater than or equal to 20 percent, click on the following link: <http://rdgdwe.sc.egov.usda.gov/rdpoverty/index.html>.

The maximum 20 points for this criterion will be awarded for any of the following:

a. StrikeForce—The project serves a StrikeForce area. Identify the StrikeForce area and clearly demonstrate to what extent the project will support the StrikeForce area.

b. Promise Zones—The project serves a Promise Zone, and eligible applicant provides evidence of partnership with a Promise Zone Lead Applicant organization. Or,

c. Poverty greater than or equal to 20 percent—At least 50 percent of the combined recipient(s) service area includes census tracts with poverty rates greater than or equal to 20 percent. Must provide the address and census tract in which the recipient will conduct or deliver approved project activity.

#### B. Review and Selection Process

##### 1. Rating and ranking

Applications will be rated and ranked on a national basis by a review panel

based on the “Evaluation Criteria” contained in this Notice.

If there is a tied score after the applications have been rated and ranked, the tie will be resolved by reviewing the scores for “Building Capacity” and the applicant with the highest score in that category will receive a higher ranking. If the scores for “Building Capacity” are the same, the scores will be compared for the next criterion, in sequential order, until one highest score can be determined.

## 2. Initial screening
