Background

On June 3, 2014, a petition was filed with the Commission and Commerce by the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union ("USW"), Pittsburgh, PA, alleging that an industry in the United States is materially injured or threatened with material injury by reason of LTFV and subsidized imports of certain passenger vehicle and light truck tires from China. Accordingly, effective June 3, 2014, the Commission instituted countervailing duty investigation No. 701-TA-522 and antidumping duty investigation No. 731-TA-1258 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of June 9, 2014 (79 FR 32994). The conference was held in Washington, DC, on June 24, 2014, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these investigations to the Secretary of Commerce on August 15, 2014. The views of the Commission are contained in USITC Publication 4482 (August 2014), entitled *Certain Passenger Vehicle and Light Truck Tires from China: Investigation Nos. 701-TA-522 and 731-TA-1258 (Preliminary)*.
