Department of the Army

[Docket ID: USA–2014–0032]

Privacy Act of 1974; System of Records

AGENCY: Department of the Army, DoD.

ACTION: Notice to delete a System of Records.

SUMMARY: The Department of the Army is deleting a system of records notice in its existing inventory of record systems subject to the Privacy Act of 1974, as amended. The system of records is A0601–100 AHRC, Office Appointment Files.

DATES: Comments will be accepted on or before September 22, 2014. This proposed action will be effective the day following the end of the comment period unless comments are received which result in a contrary determination.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

Instructions: All submissions received must include the agency name and docket number for this Federal Register document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the Internet at http://www.regulations.gov as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: Mr. Leroy Jones, Department of the Army, Privacy Office, U.S. Army Records Management and Declassification Agency, 7701 Telegraph Road, Casey Building, Suite 144, Alexandria, VA 22325–3905 or by calling (703) 428–6185.

SUPPLEMENTARY INFORMATION: The Department of the Army systems of records notices subject to the Privacy Act of 1974 (5 U.S.C. 552a), as amended, have been published in the Federal Register and are available from the address in FOR FURTHER INFORMATION CONTACT or at http://dpclo.defense.gov. The Department of the Army proposes to delete a system of records notice from its inventory of record systems subject to the Privacy Act of 1974 (5 U.S.C. 552a), as amended. The proposed deletion is not within the purview of subsection (r) of the Privacy Act of 1974 (5 U.S.C. 552a), as amended, which requires the submission of a new or altered system report.

Aaron Siegel,
Alternate OSD Federal Register Liaison Officer, Department of Defense.

Deletion:

A0601–100 AHRC Office Appointment Files (March 27, 2013, 78 FR 18565)

Reason: The Office Records Branch using this system of records notice (SORN) has been discontinued and records are no longer collected. These records have met the approved NARA retention schedule. All current records are covered by SORN A0680–31a AHRC, Office Personnel Management Information System (OPMIS) (August 18, 2004, 69 FR 51271); therefore, A0601–100 AHRC, Office Appointment Files can be deleted.

Defense Acquisition Regulations System

[Docket Number DARS–2014–0037]

Information Collection Requirement; Defense Federal Acquisition Regulation Supplement; Acquisition of Information Technology

AGENCY: Defense Acquisition Regulations System, Department of Defense (DoD).

ACTION: Notice and request for comments regarding a proposed extension of an approved information collection requirement.

SUMMARY: In compliance with Section 3506(c)(2)(A) of the Paperwork
Title and OMB Number: Defense Federal Acquisition Regulation Supplement (DFARS) Part 239, Acquisition of Information Technology, and the associated clauses at DFARS 252.239–7000 and 252.239–7006; OMB Control Number 0704–0341.

Needs and Uses: This requirement provides for the collection of information from contractors regarding security of information technology; tariffs pertaining to telecommunications services; and proposals from common carriers to perform special construction under contracts for telecommunications services. Contracting officers and other DoD personnel use the information to ensure that information systems are protected; to participate in the establishment of tariffs for telecommunications services; and to establish reasonable prices for special construction by common carriers.

AFFECTED PUBLIC: Businesses or other for-profit and not-for-profit institutions.

Number of Respondents: 387.

Responses per Respondent: Approximately 3.

Annual Responses: 1,295.

Average Burden per Response: Approximately 0.6 hour.

Annual Burden Hours: 7,106.

Frequency: On occasion.

Summary of Information Collection

The clause at DFARS 252.239–7000, Protection Against Compromising Emunations, requires that the contractor provide, upon request of the contracting officer, documentation that information technology used or provided under the contract meets appropriate information assurance requirements.

The clause at DFARS 252.239–7006, Tariff Information, requires that the contractor provide to the contracting officer: (1) Upon request, a copy of the contractor's existing tariffs (including changes); (2) before filing, a copy of any application to a Federal, State, or other regulatory agency for new rates, charges, services, or regulations relating to any tariff or any of the facilities or services to be furnished solely or primarily to the Government, and, upon request, a copy of all information, material, and data developed or prepared in support of or in connection with such an application; and (3) a notification to the contracting officer of any application submitted by anyone other than the contractor that may affect the rate or conditions of services under the agreement or contract.

DFARS 239.7408 requires the contracting officer to obtain a detailed special construction proposal from a common carrier that submits a proposal or quotation that has special construction requirements related to the performance of basic telecommunications services.

Manuel Quinones,
Editor, Defense Acquisition Regulations Council.
