

DEPARTMENT OF HOMELAND SECURITY**Federal Emergency Management Agency**

[Docket ID FEMA-2014-0026]

National Flood Insurance Program (NFIP); Assistance to Private Sector Property Insurers, Availability of FY 2015 Arrangement**AGENCY:** Federal Emergency Management Agency, DHS.**ACTION:** Notice.

SUMMARY: Each year, the Federal Emergency Management Agency (FEMA) is required by the Write-Your-Own (WYO) Program Financial Assistance/Subsidy Arrangement (Arrangement) to notify private insurance companies (Companies) and to make available to the Companies the terms for subscription or re-subscription to the Arrangement. In keeping with that requirement, this notice provides the terms to the Companies to subscribe or re-subscribe to the Arrangement.

FOR FURTHER INFORMATION CONTACT: Edward L. Connor, Deputy Associate Administrator for Federal Insurance, Federal Insurance and Mitigation Administration, DHS/FEMA, 1800 South Bell Street, Room 720, Arlington, VA 20598-3020, 202-646-3429 (phone), 202-646-3445 (facsimile), or Edward.Connor@fema.dhs.gov (email).

SUPPLEMENTARY INFORMATION: Under the Write-Your-Own (WYO) Program Financial Assistance/Subsidy Arrangement (Arrangement), 82 (as of August 2014) private sector property insurers sell flood insurance policies and adjust flood insurance claims under their own names based on an Arrangement with the Federal Insurance and Mitigation Administration (FIMA) published at 44 CFR Part 62, Appendix A.

The WYO insurers retain an expense allowance and remit the remaining premium to the Federal Government. The WYO insurers pay flood losses and pay loss adjustment expenses based on a fee schedule through the regulated access of federal funds. In addition, under certain circumstances reimbursement for litigation costs, including court costs, attorney fees, judgments, and settlements, are paid by FEMA based on documentation submitted by the WYO insurers.

The complete Arrangement is published in 44 CFR Part 62, Appendix A. Each year, FEMA is required to publish in the **Federal Register** and make available to the Companies the

terms for subscription or re-subscription to the Arrangement. 44 CFR Part 62, Appendix A, Article V.B.

Signatory Companies should remain aware that all requirements of the Arrangement, including, but not limited to, financial accounting in issues involving all transactions, must be met. As set forth in Article II.A.1. of Appendix A to Part 62—Federal Emergency Management Agency, Federal Insurance Administration, Financial Assistance/Subsidy Arrangement, the Company is responsible for meeting all fiduciary responsibilities for control and disbursement of funds in connection with policy administration. This includes ensuring that all accounting for policy administration is correct. If errors are made in policy administration, the Company shall be responsible for reimbursing any incorrect allocations, assessment or other moneys compensated to that company by the Federal Government.

The Company is responsible for ensuring that all activities meet the requirements of this Arrangement and of the NFIP Financial Control Plan, 44 CFR Part 62, Appendix B. The NFIP WYO Standards Committee may take remedial action in the event any such conduct is not corrected.

FEMA will send a copy of the offer for the FY 2015 Arrangement, together with related materials and submission instructions, to all private insurance companies participating under the current FY 2014 Arrangement.

Any private insurance company not currently participating in the WYO Program but wishing to consider FEMA's offer for FY 2015 may request a copy by writing: DHS/FEMA, Federal Insurance and Mitigation Administration, Attn: Edward L. Connor, Deputy Associate Administrator for Federal Insurance, Federal Insurance and Mitigation Administration, DHS/FEMA, 1800 South Bell Street, Room 720, Arlington, VA 20598-3020, or contact Edward Connor at 202-646-3445 (facsimile), or Edward.Connor@fema.dhs.gov (email).

Dated: August 8, 2014.

David L. Miller,

Associate Administrator, Federal Insurance and Mitigation Administration, Federal Emergency Management Agency, Department of Homeland Security.

BILLING CODE 9110-11-P

DEPARTMENT OF HOMELAND SECURITY**Federal Emergency Management Agency**

[Docket ID FEMA-2014-0002; Internal Agency Docket No. FEMA-B-1434]

Proposed Flood Hazard Determinations**AGENCY:** Federal Emergency Management Agency, DHS.**ACTION:** Notice.

SUMMARY: Comments are requested on proposed flood hazard determinations, which may include additions or modifications of any Base Flood Elevation (BFE), base flood depth, Special Flood Hazard Area (SFHA) boundary or zone designation, or regulatory floodway on the Flood Insurance Rate Maps (FIRMs), and where applicable, in the supporting Flood Insurance Study (FIS) reports for the communities listed in the table below. The purpose of this notice is to seek general information and comment regarding the preliminary FIRM, and where applicable, the FIS report that the Federal Emergency Management Agency (FEMA) has provided to the affected communities. The FIRM and FIS report are the basis of the floodplain management measures that the community is required either to adopt or to show evidence of having in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP). In addition, the FIRM and FIS report, once effective, will be used by insurance agents and others to calculate appropriate flood insurance premium rates for new buildings and the contents of those buildings.

DATES: Comments are to be submitted on or before November 24, 2014.

ADDRESSES: The Preliminary FIRM, and where applicable, the FIS report for each community are available for inspection at both the online location and the respective Community Map Repository address listed in the tables below. Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA Map Service Center at www.msc.fema.gov for comparison.

You may submit comments, identified by Docket No. FEMA-B-1434, to Luis Rodriguez, Chief, Engineering Management Branch, Federal Insurance and Mitigation Administration, FEMA, 500 C Street SW., Washington, DC 20472, (202) 646-4064, or (email) Luis.Rodriguez3@fema.dhs.gov.

FOR FURTHER INFORMATION CONTACT: Luis Rodriguez, Chief, Engineering Management Branch, Federal Insurance and Mitigation Administration, FEMA, 500 C Street SW., Washington, DC 20472, (202) 646-4064, or (email) Luis.Rodriguez3@fema.dhs.gov; or visit the FEMA Map Information eXchange (FMIX) online at www.floodmaps.fema.gov/fhm/fmx_main.html.

SUPPLEMENTARY INFORMATION: FEMA proposes to make flood hazard determinations for each community listed below, in accordance with section 110 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4104, and 44 CFR 67.4(a).

These proposed flood hazard determinations, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact

stricter requirements of its own or pursuant to policies established by other Federal, State, or regional entities. These flood hazard determinations are used to meet the floodplain management requirements of the NFIP and also are used to calculate the appropriate flood insurance premium rates for new buildings built after the FIRM and FIS report become effective.

The communities affected by the flood hazard determinations are provided in the tables below. Any request for reconsideration of the revised flood hazard information shown on the Preliminary FIRM and FIS report that satisfies the data requirements outlined in 44 CFR 67.6(b) is considered an appeal. Comments unrelated to the flood hazard determinations also will be considered before the FIRM and FIS report become effective.

Use of a Scientific Resolution Panel (SRP) is available to communities in support of the appeal resolution process. SRPs are independent panels of experts in hydrology, hydraulics, and

other pertinent sciences established to review conflicting scientific and technical data and provide recommendations for resolution. Use of the SRP only may be exercised after FEMA and local communities have been engaged in a collaborative consultation process for at least 60 days without a mutually acceptable resolution of an appeal. Additional information regarding the SRP process can be found online at http://floodsrp.org/pdfs/srp_fact_sheet.pdf.

The watersheds and/or communities affected are listed in the tables below. The Preliminary FIRM, and where applicable, FIS report for each community are available for inspection at both the online location and the respective Community Map Repository address listed in the tables.

Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA Map Service Center at www.msc.fema.gov for comparison.
