Announcement of the Award of a Single-Source Program Expansion Supplement Grant to the U.S. Committee for Refugees and Immigrants in Arlington, VA

AGENCY: Office of Refugee Resettlement,
ACF, HHS.

ACTION: Announcement of the award of
a single-source program expansion
supplement to the U.S. Committee for
Refugees and Immigrants (USCRI) to
support expanded services to foreign
trafficking victims, potential trafficking
victims, and certain family members.

SUMMARY: The Administration for
Children and Families (ACF), Office of
Refugee Resettlement (ORR) announces
the award of a single-source program
expansion supplement grant to U.S.
Committee for Refugees and Immigrants
in Arlington, Virginia for a total of
\$361,286.

The supplemental funding will ensure
sufficient that clients' essential needs,
such as housing, transportation,
communication, food, and medical care
will be met.

DATES: The period of support under
these supplements is June 26, 2014
through September 29, 2014.

FOR FURTHER INFORMATION CONTACT:
Maggie Wynne, Director, Division of
Anti-Trafficking in Persons, Office of
Refugee Resettlement, 901 D Street SW.,
Washington, DC 20447, Telephone (202)
401–4664. Email: maggie.wynne@acf.hhs.gov

SUPPLEMENTARY INFORMATION: The
National Human Trafficking Victim
Assistance Program (NHTVAP) provides
funding for comprehensive case
management services on a per capita
basis. The NHTVAP grantees help
victims gain access to housing,
employability services, mental health
screening and therapy, medical care,
and some legal services, enabling them
to live free of violence and exploitation.
During FY 2014, the current grantee,
U.S. Committee for Refugees and

Immigrants (USCRI), served more
clients than it had originally planned for
in its budget. Without the additional
funding, significant cuts in services to
clients would be made and the
enrollment of new clients will be
limited. With the supplemental funding,
USCRI will be able to ensure that all of
the clients' essential needs will be met.

Statutory Authority: Trafficking Victims
Protection Act of 2000 (TVPA), as amended,
Section 107(b)(1)(B), 22 U.S.C. 7105(b)(1)(B),
authorizes funding for benefits and services
to foreign victims of severe forms of
trafficking in persons in the United States,
potential victims of trafficking seeking HHS
Certification, and certain family members.
