

On January 24, 2013, Amtrak modified the C3RS Implementing Memorandum of Understanding (IMOU) provisions to extend boundaries for relief and include additional protection for tenant operations within the limits of Amtrak's Sunnyside Yard. FRA granted relief for the changes on May 8, 2013.

The July 23, 2014, petition states that the current IMOU, dated May 11, 2010, and subsequent amendments that govern the pilot program will be replaced with a new IMOU. Amtrak, employees represented by the Brotherhood of Locomotive Engineers and Trainmen (BLET) and the Sheet Metal, Air, Rail and Transportation Workers Transportation Division (SMART-TD), and FRA intend to sign the new IMOU that will be effective on December 1, 2014, replacing the original IMOU as current relief expires.

The new IMOU is based on a revised template provided by FRA and will provide provisions similar to the current IMOU plus Article 3.2 that will extend protections to tenant locomotive engineers and conductors in tenant/host operations.

Amtrak, BLET, and SMART-TD seek to shield the reporting employees and the railroad from punitive sanctions that would otherwise arise as provided in 49 CFR 242.403, *Criteria for revoking certification*, to encourage locomotive engineer reporting of close calls and to protect locomotive engineers and Amtrak from discipline or sanctions arising from the incidents reported pursuant to the new IMOU.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov and in person at the U.S. Department of Transportation's (DOT) Docket Operations Facility, 1200 New Jersey Avenue SE., W12-140, Washington, DC 20590. The Docket Operations Facility is open from 9 a.m. to 5 p.m., Monday through Friday, except Federal Holidays.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.
