Applicants' Representations

1. The Trust is organized as a Delaware statutory trust and is registered under the Act as an open-end management investment company. The Trust offers one or more series of shares, each with its own distinct investment objectives, policies and restrictions.¹

¹ Applicants request relief with respect to all existing and future series of the Trust and any other existing or future registered open-end management investment company or series thereof, in each case, that (a) is advised by North Peak or its successors or any entity controlling, controlled by, or under common control with North Peak or its successors (any such entity, the "Adviser"); (b) uses the multi-manager structure described in the application

2. North Peak is, and any other Adviser will be, registered as an investment adviser under the Investment Advisers Act of 1940 ("Advisers Act"). North Peak serves as the investment adviser to series of the Trust pursuant to an investment advisory agreement with the Trust (the "Investment Advisory Agreement").² Each Investment Advisory Agreement was approved or will be approved by the board of trustees of the Trust (the "Board"), including a majority of the trustees who are not "interested persons," as defined in section 2(a)(19) of the Act, of the Trust or the Adviser ("Independent Trustees") and by the shareholders of the relevant Subadvised Fund in the manner required by sections 15(a) and 15(c) of the Act and rule 18f-2 under the Act.³ Applicants are not seeking any exemption from the provisions of the Act with respect to the Investment Advisory Agreement.

3. Under the terms of the Investment Advisory Agreement, the Adviser, subject to the oversight of the Board, formulates a continuing program for the investment of the assets of each Subadvised Fund in a manner consistent with its investment objective(s), policies and restrictions. The Adviser periodically reviews each Subadvised Fund's investment policies and strategies and based on the need of a particular Subadvised Fund may recommend changes to the investment policies and strategies of the Subadvised Fund for consideration by its Board. For its services to each Subadvised Fund, the Adviser receives an investment advisory fee from that Subadvised Fund as specified in the Investment Advisory Agreement calculated based on that Subadvised Fund's average daily net assets. The terms of the Investment Advisory Agreements also permit the Adviser, subject to the approval of the

("Manager of Managers Structure"); and (c) complies with the terms and conditions of the application (each a "Subadvised Fund" and collectively, the "Subadvised Funds"). The only existing registered open-end management investment company that currently intends to rely on the requested order is named as an applicant. For purposes of the requested order, "successor" is limited to an entity that results from a reorganization into another jurisdiction or a change in the type of business organization. If the name of any Subadvised Fund contains the name of a Subadviser (as defined below), the name of the Adviser that serves as the primary adviser to such Subadvised Fund, or a trademark or trade name that is owned by the Adviser, will precede the name of the Subadviser.

² Each other Subadvised Fund will enter into an investment advisory agreement with its Adviser (included in the term "Investment Advisory Agreement").

³ The term "Board" also includes the board of trustees or directors of a future Subadvised Fund, if different.

Board, including a majority of the Independent Trustees, and the shareholders of the applicable Subadvised Fund (if required by applicable law), to delegate portfolio management responsibilities of all or a portion of the assets of the Subadvised Fund to one or more subadvisers ("Subadvisers"). The Adviser evaluates, selects and recommends Subadvisers to manage the assets (or portion thereof) of Subadvised Funds, monitors and reviews the Subadvisers and their performance and their compliance with that Subadvised Fund's investment policies and restrictions. The Adviser has entered into subadvisory agreements ("Subadvisory Agreements") with various Subadvisers.⁴ Each Subadviser is, and each future Subadviser will be, an "investment adviser," as defined in section 2(a)(20) of the Act, and is registered, or will register, as an investment adviser under the Advisers Act, or not subject to such registration.

The Adviser may compensate each Subadviser out of the advisory fees paid to the Adviser under the Investment Advisory Agreement, or Subadvised Funds may compensate the Subadvisers directly.

4. Applicants request an order to permit the Adviser, subject to Board approval, to select Subadvisers to manage all or a portion of the assets of a Subadvised Fund pursuant to a Subadvisory Agreement and materially amend Subadvisory Agreements without obtaining shareholder approval. The requested relief will not extend to any Subadviser that is an "affiliated person," as defined in section 2(a)(3) of the Act, of the Trust or a Subadvised Fund or the Adviser, other than by reason of solely serving as a Subadviser to a Subadvised Fund or as an investment adviser or subadviser to any series of the Trust other than the series of the Trust advised by the Adviser ("Affiliated Subadviser").

5. The Funds will inform shareholders of the hiring of a new Subadviser pursuant to the following procedures ("Modified Notice and Access Procedures"): (a) Within 90 days after a new Subadviser is hired for any Subadvised Fund, that Subadvised Fund will send its shareholders either a Multi-manager Notice or a Multi-manager Notice and Multi-manager Information Statement;⁵ and (b) the

⁴ All existing Subadvisory Agreements comply with sections 15(a) and (c) of the Act and rule 18f-2 thereunder.

⁵ A "Multi-manager Notice" will be modeled on a Notice of Internet Availability as defined in rule 14a-16 under the Securities Exchange Act of 1934 ("Exchange Act"), and specifically will, among other things: (a) Summarize the relevant

Subadvised Fund will make the Multi-manager Information Statement available on the Web site identified in the Multi-manager Notice no later than when the Multi-manager Notice (or Multi-manager Notice and Multi-manager Information Statement) is first sent to shareholders, and will maintain it on that Web site for at least 90 days.

6. Applicants also request an order exempting each Subadvised Fund from certain disclosure provisions described below that may require the Subadvised Funds to disclose fees paid to each Subadviser by the Adviser or a Subadvised Fund. Applicants seek an order to permit each Subadvised Fund to disclose (as a dollar amount and a percentage of each Subadvised Fund's net assets) only: (a) The aggregate fees paid to the Adviser and any Affiliated Subadviser; and (b) the aggregate fees paid to Subadvisers other than Affiliated Subadvisers (collectively, the "Aggregate Fee Disclosure"). A Subadvised Fund that employs an Affiliated Subadviser will provide separate disclosure of any fees paid to the Affiliated Subadviser.

Applicants' Legal Analysis

1. Section 15(a) of the Act provides, in relevant part, that it is unlawful for any person to act as an investment adviser to a registered investment company except pursuant to a written contract that has been approved by the vote of a majority of the company's outstanding voting securities. Rule 18f-2 under the Act provides that each series or class of stock in a series investment company affected by a matter must approve that matter if the Act requires shareholder approval.

2. Form N-1A is the registration statement used by open-end investment companies. Item 19(a)(3) of Form N-1A requires disclosure of the method and amount of the investment adviser's compensation.

3. Rule 20a-1 under the Act requires proxies solicited with respect to a

information regarding the new Subadviser; (b) inform shareholders that the Multi-manager Information Statement is available on a Web site; (c) provide the Web site address; (d) state the time period during which the Multi-manager Information Statement will remain available on that Web site; (e) provide instructions for accessing and printing the Multi-manager Information Statement; and (f) instruct the shareholder that a paper or email copy of the Multi-manager Information Statement may be obtained, without charge, by contacting the Subadvised Funds. A "Multi-manager Information Statement" will meet the requirements of Regulation 14C, Schedule 14C and Item 22 of Schedule 14A under the Exchange Act for an information statement, except as modified by the requested order to permit Aggregate Fee Disclosure. Multi-manager Information Statements will be filed electronically with the Commission via the EDGAR system.

registered investment company to comply with Schedule 14A under the Exchange Act. Items 22(c)(1)(ii), 22(c)(1)(iii), 22(c)(8) and 22(c)(9) of Schedule 14A, taken together, require a proxy statement for a shareholder meeting at which the advisory contract will be voted upon to include the "rate of compensation of the investment adviser," the "aggregate amount of the investment adviser's fees," a description of the "terms of the contract to be acted upon," and, if a change in the advisory fee is proposed, the existing and proposed fees and the difference between the two fees.

4. Regulation S-X sets forth the requirements for financial statements required to be included as part of a registered investment company's registration statement and shareholder reports filed with the Commission. Sections 6-07(2)(a), (b) and (c) of Regulation S-X require a registered investment company to include in its financial statement information about the investment advisory fees.

5. Section 6(c) of the Act provides that the Commission may exempt any person, security, or transaction or any class or classes of persons, securities, or transactions from any provision of the Act, or from any rule thereunder, if such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Applicants state that the requested relief meets this standard for the reasons discussed below.

6. Applicants assert that the shareholders expect the Adviser, subject to the review and approval of the Board, to select the Subadvisers who are best suited to achieve the Subadvised Fund's investment objective. Applicants assert that, from the perspective of the shareholder, the role of the Subadviser is substantially equivalent to the role of the individual portfolio managers employed by an investment adviser to a traditional investment company. Applicants state that requiring shareholder approval of each Subadvisory Agreement would impose unnecessary delays and expenses on the Subadvised Funds and may preclude the Subadvised Funds from acting promptly when the Board and the Adviser believe that a change would benefit a Fund and its shareholders. Applicants note that the Investment Advisory Agreements and any subadvisory agreement with an Affiliated Subadviser (if any) will continue to be subject to the shareholder approval requirements of section 15(a) of the Act and rule 18f-2 under the Act.

7. Applicants assert that the requested disclosure relief would benefit shareholders of the Subadvised Funds because it would improve the Adviser's ability to negotiate the fees paid to Subadvisers. Applicants state that the Adviser may be able to negotiate rates that are below a Subadviser's "posted" amounts if the Adviser is not required to disclose the Subadvisers' fees to the public. Applicants submit that the requested relief will encourage Subadvisers to negotiate lower subadvisory fees with the Adviser if the lower fees are not required to be made public.

Applicants' Conditions

Applicants agree that any order granting the requested relief will be subject to the following conditions:⁶

1. Before a Subadvised Fund may rely on the order, the operation of the Subadvised Fund in the manner described in the application will be approved by a majority of the Subadvised Fund's outstanding voting securities as defined in the Act or, in the case of a Subadvised Fund whose public shareholders purchase shares on the basis of a prospectus containing the disclosure contemplated by condition 2 below, by the initial shareholder before such Subadvised Fund's shares are offered to the public.

2. The prospectus for each Subadvised Fund will disclose the existence, substance, and effect of any order granted pursuant to the application. In addition, each Subadvised Fund will hold itself out to the public as employing a Manager of Managers Structure. The prospectus will prominently disclose that the Adviser has the ultimate responsibility, subject to oversight by the Board, to oversee the Subadvisers and recommend their hiring, termination, and replacement.

3. A Subadvised Fund will inform shareholders of the hiring of a new Subadviser within 90 days after the hiring of the new Subadviser pursuant to the Modified Notice and Access Procedures.

4. The Adviser will not enter into a Subadvisory Agreement with any Affiliated Subadviser without that agreement, including the compensation to be paid thereunder, being approved by the shareholders of the applicable Subadvised Fund.

5. At all times, at least a majority of the Board will be Independent Trustees, and the selection and nomination of new or additional Independent Trustees

⁶ Applicants will comply with conditions 6, 8, 11 and 13 only if they rely on the relief that would allow them to provide Aggregate Fee Disclosure.

will be placed within the discretion of the then-existing Independent Trustees.

6. Independent legal counsel, as defined in rule 0–1(a)(6) under the Act, has been and will continue to be engaged to represent the Independent Trustees. The selection of such counsel will be within the discretion of the then-existing Independent Trustees.

7. Whenever a Subadviser change is proposed for a Subadvised Fund with an Affiliated Subadviser, the Board, including a majority of the Independent Trustees, will make a separate finding, reflected in the Board minutes, that the change is in the best interests of the Subadvised Fund and its shareholders, and does not involve a conflict of interest from which the Adviser or the Affiliated Subadviser derives an inappropriate advantage.

8. Whenever a Subadviser is hired or terminated, the Adviser will provide the Board with information showing the expected impact on the profitability of the Adviser.

9. The Adviser will provide general management services to each Subadvised Fund, including overall supervisory responsibility for the general management and investment of the Subadvised Fund's assets and, subject to review and approval of the Board, will: (i) Set the Subadvised Fund's overall investment strategies; (ii) evaluate, select, and recommend Subadvisers to manage all or a portion of the Subadvised Fund's assets; (iii) allocate and, when appropriate, reallocate the Subadvised Fund's assets among Subadvisers; (iv) monitor and evaluate the Subadvisers' performance; and (v) implement procedures reasonably designed to ensure that Subadvisers comply with the Subadvised Fund's investment objective, policies and restrictions.

10. No Trustee or officer of the Trust or of a Subadvised Fund or director or officer of the Adviser will own directly or indirectly (other than through a pooled investment vehicle that is not controlled by such person) any interest in a Subadviser except for (i) ownership of interests in the Adviser or any entity that controls, is controlled by or is under common control with the Adviser; or (ii) ownership of less than 1% of the outstanding securities of any class of equity or debt of any publicly traded company that is either a Subadviser or an entity that controls, is controlled by or is under common control with a Subadviser.

11. Each Subadvised Fund will disclose in its registration statement the Aggregate Fee Disclosure.

12. In the event the Commission adopts a rule under the Act providing

substantially similar relief to that in the order requested in the Application, the requested order will expire on the effective date of that rule.

13. The Adviser will provide the Board, no less frequently than quarterly, with information about the profitability of the Adviser on a per Subadvised Fund basis. The information will reflect the impact on profitability of the hiring or termination of any Subadviser during the applicable quarter.

14. Any new Subadvisory Agreement or any amendment to a Fund's existing Investment Advisory Agreement or Subadvisory Agreement that directly or indirectly results in an increase in the aggregate advisory fee rate payable by the Fund will be submitted to the Fund shareholders for approval.

For the Commission, by the Division of Investment Management, under delegated authority.

Kevin M. O'Neill,

Deputy Secretary.

BILLING CODE 8011–01–P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–72917; File No. TP 14–14]

Order Granting a Limited Exemption From Rule 102(a) of Regulation M to Jones Lang LaSalle Income Property Trust Pursuant to Rule 102(e) of Regulation M

August 26, 2014.

By letter dated August 26, 2014 (“Letter”), as supplemented by conversations with the staff of the Division of Trading and Markets (“Staff”), counsel for Jones Lang LaSalle Income Property Trust (the “Company”), a publicly registered non-listed, daily valued perpetual-life real estate investment trust, requested on behalf of the Company that the Securities and Exchange Commission (“Commission”) grant an exemption from Rule 102(a) of Regulation M in connection with the tender offer by the Company (the “Tender Offer”).¹ Specifically, the Letter requests that the Commission exempt the Company from the requirements of Rule 102(a) so that the Company may conduct the Tender Offer for its Class M shares (the “Shares” or “Share”) during the course of the continuous offering of the Shares of the Company.

Rule 102(a) of Regulation M specifically prohibits issuers, selling security holders, and any of their

affiliated purchasers from directly or indirectly bidding for, purchasing, or attempting to induce another person to bid for or purchase, a covered security until the applicable restricted period has ended. As a consequence of the continuous offering of the Shares, the Company will be engaged in a distribution of the Shares for purposes of Rule 102 of Regulation M. As a result, bids for or purchases of Shares or any reference security by the Company or any affiliated purchaser of the Company, including engaging in the Tender Offer, are prohibited during the restricted period under Rule 102 of Regulation M, unless specifically excepted by or exempted from Rule 102 of Regulation M.

The Company represents that they operate a share repurchase plan (the “Repurchase Plan”) which serves as the primary source of liquidity for the Company's stockholders.² According to the Company, a large number of Shares will become eligible for the Repurchase Plan on October 1, 2014. The Company is concerned that once the Shares become eligible for the Repurchase Plan there will potentially be excess repurchase demand that the Company would be unable to meet under current program limits.³

In order to address the potential excess repurchase demand by holders of the Shares, the Company plans to conduct the Tender Offer in lieu of the Repurchase Plan in order to provide a limited source of liquidity to the holders of Shares who may desire to exit all or a portion of their investment in the Company in advance of October 1, 2014. Shares will be purchased in the Tender Offer at a price equal to the NAV per Share as calculated at the close of business on the day prior to the launch of the Tender Offer, which price will be disclosed in compliance with Rule 13e–4. However, for any day during the Tender Offer period that the purchase price may exceed the NAV, the Company will adjust the purchase price for Shares purchased in the Tender

² The Company represents that the Repurchase Plan meets the conditions for a class exemption from Rule 102(a) of Regulation M. See Letter from James A. Brigagliano, Associate Director, to Dennis O. Garris, Alston & Bird LLP regarding Class Relief for REIT Share Redemption Programs (October 22, 2007) (the “Class Relief”).

³ As explained by the Company, the Repurchase Plan limits repurchases during any calendar quarter to shares with an aggregate value (based on the repurchase price per share on the day the repurchase is effected) of 5% of the combined NAV of all classes of shares (including classes of Company shares other than the Shares) as of the last day of the previous calendar quarter, which means that in any 12-month period, the Company limits its repurchase to approximately 20% of its total NAV.
