

Nature and Extent of Confidentiality: Confidentiality is an issue to the extent that individuals and households provide personally identifiable information, which is covered under the FCC's system of records notice (SORN), FCC/CGB-1, "Informal Complaints and Inquiries." As required by the Privacy Act, 5 U.S.C. 552a, the Commission also published a SORN, FCC/CGB-1 "Informal Complaints and Inquiries," in the **Federal Register** on December 15, 2009 (74 FR 66356) which became effective on January 25, 2010.

Privacy Impact Assessment: Yes.

Needs and Uses: The Commission seeks to extend existing information collection requirements in its closed captioning rules (47 CFR 79.1), which require that, with some exceptions, all new video programming, and 75 percent of "pre-rule" programming, be closed captioned. The existing collections include petitions by video programming providers, producers, and owners for exemptions from the closed captioning rules, responses by commenters, and replies; complaints by viewers alleging violations of the closed captioning rules, responses by video programming distributors, and recordkeeping in support of complaint responses; and making video programming distributor contact information available to viewers in phone directories, on the Commission's Web site and the Web sites of video programming distributors (if they have them), and in billing statements (to the extent video programming distributors issue them). In addition, the Commission seeks to extend proposed information collection requirements. Specifically, on February 20, 2014, the Commission adopted rules governing the quality of closed captioning on television. *Closed Captioning of Video Programming; Telecommunications for the Deaf and Hard of Hearing, Inc. Petition for Rulemaking*, CG Docket No. 05-231, Report and Order, Declaratory Ruling, and Further Notice of Proposed Rulemaking, 29 FCC Rcd 2221 (2014), published at 79 FR 17911 (March 31, 2014). The Commission took the following actions, among others:

(a) Required video programming distributors to make best efforts to obtain certification from video programmers that their programming (i) complies with the captioning quality standards established in the Report and Order; (ii) adheres to the Best Practices for video programmers set out in the Report and Order; or (iii) is exempt from the closed captioning rules under one or more properly attained and specified exemptions.

(b) Adopted additional requirements and a "compliance ladder" for broadcasters that use electronic newsroom technique.

(c) Required video programming distributors to keep records of their activities related to the maintenance, monitoring, and technical checks of their captioning equipment.

(d) Required that petitions requesting an exemption based on the economically burdensome standard and all subsequent pleadings, as well as comments, oppositions, or replies to comments, be filed electronically in accordance with 47 CFR 0.401(a)(1)(iii) instead of as a paper filing. Comments, oppositions, or replies to comments must be served on the other party, by delivering or mailing a copy to the last known address in accordance with 47 CFR 1.47 or by sending a copy to the email address last provided by the party, its attorney, or other duly constituted agent, and must include a certification that the other party was served with a copy.
