**Federal Property Suitable as Facilities To Assist the Homeless**  
**AGENCY:** Office of the Assistant Secretary for Community Planning and Development, HUD.  
**ACTION:** Notice.  
**SUMMARY:** This Notice identifies unutilized, underutilized, excess, and

surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

**FOR FURTHER INFORMATION CONTACT:**

**SUPPLEMENTARY INFORMATION:**

In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Ritta, Ms. Theresa M. Ritta, Chief Real Property Branch, the Department of Health and Human Services, Room 5B-17, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, (301) 443-2265 (This is not a toll-free number.) HHS

will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

**AGENCY:** Bureau of Indian Affairs,  
 Interior.

**ACTION:** Notice of Availability.

**SUMMARY:** This notice advises the public that the Bureau of Indian Affairs (BIA) as lead agency, with the Mashpee Wampanoag Tribe (Tribe) and the U.S. Army Corps of Engineers serving as cooperating agencies, is making available for public review the Final Environmental Impact Statement (FEIS) regarding the Tribe's application for the conveyance into trust of 170 acres ± located in Mashpee, Massachusetts, and 151 acres ± located in Taunton, Massachusetts, for the benefit of the Tribe.

**DATES:** The Record of Decision on the proposed action will be issued on or after 30 days from the date the Environmental Protection Agency (EPA) publishes its Notice of Availability in the **Federal Register**. Any comments on the FEIS must arrive on or before 30 days following the date the EPA publishes its Notice of Availability in the **Federal Register**.

**ADDRESSES:** You may mail, hand carry or telefax written comments to Mr. Chet L. McGhee, Regional Environmental Protection Specialist, Bureau of Indian Affairs, Eastern Regional Office, 545

Marriott Drive, Suite 700, Nashville, Tennessee 37214; Telefax (615) 564-6571. Please see the **SUPPLEMENTARY INFORMATION** section of this notice for directions for submitting comments and locations where copies of the FEIS are available.

**FOR FURTHER INFORMATION CONTACT:** Mr. Chet L. McGhee at (615) 564-6500.

**SUPPLEMENTARY INFORMATION:** The federal actions under consideration consist of:

(1) The acquisition in trust of 170 acres ± in Mashpee, Massachusetts, and 151 acres ± in Taunton, Massachusetts, in accordance with section 5 of the Indian Reorganization Act (IRA), 25 USC 465, and the procedures set forth in 25 CFR part 151; and

(2) The issuance of a reservation proclamation in accordance with section 7 of the IRA, 25 U.S.C. 467.

The Tribe proposes to construct a resort/hotel and gaming facility within the project site in Taunton, Massachusetts, and to develop Tribal Government facilities located on the lands in Mashpee, Massachusetts.

At full build-out, the Tribe's proposed resort/hotel and gaming facility would have approximately 132,000 square feet of gaming floor. Access to the Taunton site would be via O'Connell Way, off of Stevens Street, near the intersection of Stevens Street and Route 140 in Taunton, Massachusetts. The following alternatives are considered in the FEIS:

- (A) The development as proposed;
  - (B) Reduced Intensity I Alternative;
  - (C) Reduced Intensity II Alternative;
- and
- (D) No Action Alternative.

Issues addressed in the FEIS include: transportation; wetlands and other waters of the United States; stormwater; geology and soils; rare species and wildlife habitat; hazardous materials; water supply; wastewater; utilities; solid waste; air quality; greenhouse gas; cultural resources; noise, visual impacts; socio-economics; environmental justice; cumulative effects, and indirect and growth inducing effects.

The resort/hotel alternative has been selected as the Tribe's Preferred Alternative as discussed in the FEIS. The information and analysis contained in the FEIS, as well as its evaluation and assessment of the Tribe's Preferred Alternative, are intended to assist the Department of the Interior (Department) in its review of the issues presented in the Tribe's application. The Preferred Alternative does not necessarily reflect the Department's final decision because the Department must further evaluate all of the criteria listed in 25 CFR part 151.
