Updated Membership Criteria for the Trade and Environment Policy Advisory Committee

AGENCY: Office of the United States Trade Representative.

ACTION: Amendment of Membership Criteria.

SUMMARY: This notice amends the membership eligibility criteria for the Trade and Environment Policy Advisory Committee (TEPAC) pursuant to the Revised Guidance on the Appointment of Lobbyists to Federal Advisory Committees, Boards and Commissions, published by the Office of Management and Budget (OMB) on August 13, 2014. Federally-registered lobbyists no longer are prohibited from serving on the TEPAC in a representative capacity in light of OMB’s recent policy clarification that the eligibility restriction does not apply to advisory committee members who are specifically appointed to represent the interests of a nongovernmental entity, a recognizable group of persons or nongovernmental entities (an industry sector, labor unions, environmental groups, etc.), or state or local governments. The lobbyist prohibition continues to apply to persons serving on advisory committees in their individual capacity. All other eligibility criteria continue to apply.

DATES: These updated membership criteria are effective immediately.
