Notice of Inventory Completion: State Historical Society of Wisconsin, Madison, WI

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: The State Historical Society of Wisconsin has completed an inventory of human remains, in consultation with the appropriate Indian tribes or Native Hawaiian organizations, and has determined that there is no cultural affiliation between the human remains and any present-day Indian tribes or Native Hawaiian organizations. Representatives of any Indian tribe or Native Hawaiian organization not identified in this notice that wish to request transfer of control of these human remains should submit a written request to the State Historical Society of Wisconsin. If no additional requestors come forward, transfer of control of the human remains to the Indian tribes or Native Hawaiian organizations stated in this notice may proceed.

DATES: Representatives of any Indian tribe or Native Hawaiian organization not identified in this notice that wish to request transfer of control of these human remains should submit a written request with information in support of the request to the State Historical Society of Wisconsin at the address in this notice by October 10, 2014.

ADDRESSES: Jennifer Kolb, Wisconsin Historical Museum, 30 North Carroll Street, Madison, WI 53703, telephone (608) 261-2461, email Jennifer.Kolb@wisconsinhistory.org.

SUPPLEMENTARY INFORMATION: Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003, of the completion of an inventory of human remains under the control of the State Historical Society of Wisconsin, Madison, WI. The human remains were removed from the Richter's Landing site, Winnebago County, WI.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3) and 43 CFR 10.11(d). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American human remains. The National Park Service is not responsible for the determinations in this notice.

Consultation

A detailed assessment of the human remains was made by the State Historical Society of Wisconsin professional staff in consultation with representatives of the Forest County Potawatomi Community, Wisconsin; Ho-Chunk Nation of Wisconsin; and the Menominee Indian Tribe of Wisconsin.

History and Description of the Remains

In 1900, human remains representing, at minimum, two individuals (A10542 & A10543) were removed from the Richter's Landing site (47-WN-0075) in Winnebago County, WI. Two crania were removed from a Native American cemetery on the northeast shore of Boom Bay on Lake Poygan by Professor E.A. Notz. Dr. E.G.W. Notz donated the crania to the State Historical Society in 1932. One cranium (A10542) was loaned to the University of Wisconsin-Madison, Department of Anthropology in 1949 and returned to the State Historical Society in 2011. The human remains were determined to represent two adult females. No known individuals were identified. No associated funerary objects are present.

Consultation

A detailed assessment of the human remains was made by the State Historical Society of Wisconsin professional staff in consultation with representatives of the Forest County Potawatomi Community, Wisconsin; Ho-Chunk Nation of Wisconsin; and the Menominee Indian Tribe of Wisconsin.

History and Description of the Remains

In 1986 or 1987, human remains representing, at minimum, two individuals (HP.DR-0001.1) were removed from the Heins Creek site (47-DR-0001) in Door County, WI. The human remains were exposed by erosion from the Lake Michigan shore near the mouth of Heins Creek, were collected by a local resident, and were turned over to the Door County Sheriff's Office. The human remains were transferred to the State Historical Society's Burial Sites Preservation Program in 1988. The human remains were determined to be those of an adult male and an adult of indeterminate sex. No known individuals were identified. No associated funerary objects are present.

In 1994, human remains representing, at minimum, one individual (2005.161.9.DR11.AS1E2BP-14-16 & 2005.161.9.DR11.AS1E2BP-20-31) were
