**SUPPLEMENTARY INFORMATION:** The Paperwork Reduction Act (44 U.S.C. 3501-3521) and OMB regulations at 5 CFR 1320 provide that an agency may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number.

Until the OMB approves a collection of information, you are not obligated to respond. OMB regulations at 5 CFR 1320.8(d) and 1320.12(a) require Federal agencies to seek public comment on information collection and recordkeeping activities.

As required at 5 CFR 1320.8(d), the BLM published a 60-day notice in the **Federal Register** on April 14, 2014 (79 FR 18309) and the comment period closed on June 2, 2014. The BLM received one public comment. The comment was a general invective about the Federal government, the Department of the Interior, the BLM, and Federal employees. It did not address, and was not germane to, this information collection. Therefore, we have not changed the collection in response to the comment.

The BLM now requests comments on the following subjects:

1. Whether the collection of information is necessary for the proper functioning of the BLM, including whether the information will have practical utility;
2. The accuracy of the BLM's estimate of the burden of collecting the information, including the validity of the methodology and assumptions used;
3. The quality, utility and clarity of the information to be collected; and
4. How to minimize the information collection burden on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other forms of information technology.

Please send comments as directed under **ADDRESSES**. Please refer to OMB Control Number 1004-0103 in your correspondence. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time.
