ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to undertake an information collection.

The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on June 12, 2014, vol. 79, no. 113, pages 33797-33798. The purpose of this research is

to conduct a nation-wide survey to update the scientific evidence of the relationship between aircraft noise exposure and its effects on communities around airports.

There were seven responses to the 60-day **Federal Register** Notice. The notice received comments from the Airlines for America (A4A), Village of Schaumburg, Illinois residents, City of Wood Dale Illinois residents, and several other private citizens representing themselves.
