NUCLEAR REGULATORY COMMISSION

[Docket No. NRC-2014-0196]

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Nuclear Regulatory Commission.

ACTION: Notice of pending NRC action to submit an information collection request to the Office of Management and Budget (OMB) and solicitation of public comment.

SUMMARY: The U.S. Nuclear Regulatory Commission (NRC) invites public comment about our intention to request the OMB's approval for renewal of an existing information collection that is summarized below. We are required to publish this notice in the **Federal Register** under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35).

Information pertaining to the requirement to be submitted:

1. *The title of the information collection:* Voluntary Reporting of Planned New Reactor Applications.
2. *Current OMB approval number:* 3150-XXXX.
3. *How often the collection is required:* Annually.
4. *Who is required or asked to report:* Applicants, licensees, and potential applicants report this information on a strictly voluntary basis.
5. *The number of annual respondents:* 5.
6. *The number of hours needed annually to complete the requirement or request:* 300.
7. *Abstract:* This voluntary information collection assists the NRC in determining resource and budget needs as well as aligning the proper allocation and utilization of resources to support applicant submittals, future construction-related activities, and other anticipated Part 50 and/or Part 52 of Title 10 of the *Code of Federal Regulations* (10 CFR) licensing and design certification rulemaking actions. In addition, information provided to the NRC staff is intended to promote early communications between the NRC and the respective addressees about potential 10 CFR Part 50 and/or Part 52 licensing actions and related activities, submission dates, and plans for construction and inspection activities. The overarching goal of this information collection is to assist the NRC staff more effectively and efficiently plan, schedule, and implement activities and reviews in a timely manner.

Submit, by November 17, 2014, comments that address the following questions:

1. *Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?*
2. *Is the burden estimate accurate?*
3. *Is there a way to enhance the quality, utility, and clarity of the information to be collected?*
4. *How can the burden of the information collection be minimized, including the use of automated collection techniques or other forms of information technology?*

The public may examine and have copied for a fee publicly-available documents, including the draft supporting statement, at the NRC's Public Document Room, Room O-1F21, One White Flint North, 11555 Rockville Pike, Rockville, Maryland 20852. The OMB clearance requests are available at the NRC's Web site: <http://www.nrc.gov/public-involve/doc-comment/omb/>. The document will be available on the
