AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* September 18, 2014.

FOR FURTHER INFORMATION CONTACT: Jolanta Lawska, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration,

U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-8362.

SUPPLEMENTARY INFORMATION:

Background

On May 1, 2014, the Department of Commerce (the Department) published in the **Federal Register** a notice of Opportunity to Request Administrative Review of the antidumping duty order on stainless steel plate in coils from Belgium for the period of review (POR) May 1, 2013, through April 30, 2014.¹

On June 2, 2014, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.213(b), the Department received a timely request from Aperam Stainless Belgium N.V. (ASB) to conduct an administrative review of the sales of ASB. ASB was the only party to request this administrative review.

On June 27, 2014, the Department published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on stainless steel plate in coils from Belgium covering one respondent, ASB.²

On August 21, 2014, ASB timely withdrew its request for review. Thus, we are rescinding this administrative review.

Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation of the requested review. On August 21, 2014, ASB withdrew its request for an administrative review. ASB withdrew its request before the 90-day deadline, and no other party requested an administrative review of the antidumping duty order on stainless steel plate in coils from Belgium for the POR. Therefore, in response to ASB's withdrawal of its request for review, and pursuant to 19 CFR 351.213(d)(1), the Department hereby rescinds the administrative review of the antidumping duty order on stainless steel plate in coils from Belgium for the period May 1, 2013, through April 30, 2014.

¹ See *Antidumping or Countervailing Duty Order, Finding or Suspended Investigation; Opportunity to Request Administrative Review*, 79 FR 24670 (May 1, 2014).

² See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 79 FR 36462 (June 27, 2014).

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. For the company for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Notification to Importers

This notice serves as a final reminder to importers for whom this review is being rescinded of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under an APO in accordance with 19 CFR 351.305(a). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Dated: September 10, 2014.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
