The Assistant Secretary of the Interior for Land and Minerals Management approved the BLM's application; therefore, the application constitutes a withdrawal proposal of the Secretary of the Interior (43 CFR 2310.1-3(e)).

The purpose of the proposed withdrawal is to protect and preserve the Agua Caliente SEZ for a 20-year period in anticipation that it will be available for solar energy development.

The use of a right-of-way, interagency or cooperative agreement, or discretionary surface management by the BLM under 43 CFR 3715 or 43 CFR 3809 regulations will not adequately constrain nondiscretionary uses, which could result in loss of adequate protection and preservation of the subject lands for future solar energy development. There are no suitable alternative sites for the withdrawal.

No water rights would be needed to fulfill the purpose of the requested withdrawal.

Records relating to the application for the proposed withdrawal may be examined by contacting Lane Cowger at the above address.

The application for the proposed withdrawal will be processed in accordance with the regulations set forth in 43 CFR 2300.

For a period until December 22, 2014, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal may present their views in writing to the BLM at the address noted above.

If a public meeting is requested in connection with the proposed withdrawal, information about the date, time, and location of the meeting will be provided to news outlets in Arizona at least 30 days prior to the meeting. At the meeting, the public would have an opportunity to provide oral and written comments.

All comments received will be considered before any recommendation concerning the proposed withdrawal is submitted to the Secretary of the Interior for final action.

For a period until September 21, 2016, the public lands described in this

notice will be segregated from location or entry under the United States mining laws, but not from leasing under the mineral or geothermal leasing laws, or disposal under the Materials Act of 1947, unless the application is denied or canceled or the withdrawal is approved prior to that date.

Comments including names and street addresses of respondents will be available for public review at the BLM Arizona State Office at the address noted above, during regular business hours 9 a.m. to 4 p.m., Monday through Friday, except Federal holidays. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
