[Docket No. FR-5173-N-02]

**Affirmatively Furthering Fair Housing Assessment Tool: Solicitation of Comment—60-Day Notice Under Paperwork Reduction Act of 1995**

**AGENCY:** Office of General Call, HUD.  
**ACTION:** Notice.

**SUMMARY:** On July 19, 2013, HUD published a proposed rule that would provide HUD program participants with a revised process to plan for fair housing outcomes that will assist them in meeting the statutory obligation to affirmatively further fair housing. In the proposed rule, HUD advised that it would issue an “Assessment Tool” for use by each program participant to evaluate fair housing choice in its jurisdiction, to identify barriers to fair housing choice at the local and regional levels, and to set and prioritize fair housing goals to overcome such barriers and advance fair housing choice.

This Notice solicits public comment for a period of 60 days on the proposed version of Assessment Tool that is designed for use by entitlement jurisdictions other than States and joint submissions by entitlement jurisdictions and public housing agencies (PHAs). While the Assessment Tool that is the subject of this notice is designed for joint submissions by entitlement jurisdictions and PHAs, it presents the basic structure of the Assessment Tool to be used by all program participants, and is illustrative of the questions that will be asked of all program participants.
