This system will enhance security, increase efficiency, protect personal privacy, and provide synchronization of core identity management data for Departmental systems.

SUPPLEMENTARY INFORMATION: This system of records is maintained by HUD's Office of the Chief Information Officer, and includes users of HUD's information technology personally identifiable information that is retrieved by a name or unique identifier. The new system encompasses programs and services of the Department's data collection and management practices. Publication of this notice allows HUD to satisfy its reporting requirement and keep an up-to-date accounting of its system of records publication. The new system proposal will incorporate Federal privacy requirements and HUD policy requirements. The Privacy Act provides certain safeguards for an individual against an invasion of personal privacy by requiring Federal agencies to protect records contained in an agency system of records from unauthorized disclosure, by ensuring that information is current and collected only for its intended use, and by providing adequate safeguards to prevent misuse of such information. Additionally, this notice demonstrates the Department's focus on industry best practices in protecting the personal privacy of the individuals covered by each system notification. This notice states the name and location of the record system, the authority for and manner of its operations, the categories of individuals that it covers, the type of records that it contains, the sources of the information for those records, the routine uses made of the records, and the type of exemption in place for the records. In addition, this notice includes the business address of the HUD officials who will inform interested persons of the procedures whereby they may gain access to and/or request amendments to records pertaining to them.

This publication does meet the threshold requirements for a new system and a report was submitted to the Office of Management and Budget (OMB), the Senate Committee on Homeland Security and Governmental Affairs, and the House Committee on Government Reform as instructed by Paragraph 4c of Appendix I to OMB
