*Teleconference.

The purpose of the subcommittees is
to provide advice on the scientific
quality, budget, safety and mission
relevance of investigator-initiated
research proposals submitted for VA
merit review consideration. Proposals

submitted for review involve a wide
range of medical specialties within the
general areas of biomedical, behavioral
and clinical science research.

The subcommittee meetings will be
closed to the public for the review,
discussion, and evaluation of initial and
renewal research proposals. However,
the JBL/CS SMRB teleconference
meeting will be open to the public.
Members of the public who wish to
attend the open JBL/CS SMRB
teleconference may dial 1-800-767-
1750, participant code 95562. Members
of the public who wish to make a
statement at the JBL/CS SMRB meeting
must notify Dr. Alex Chiu via email at
alex.chiu@va.gov by December 10, 2014.

The closed subcommittee meetings
involve discussion, examination, and
reference to staff and consultant

critiques of research proposals.
Discussions will deal with scientific
merit of each proposal and
qualifications of personnel conducting
the studies, the disclosure of which
would constitute a clearly unwarranted
invasion of personal privacy.
Additionally, premature disclosure of
research information could significantly
frustrate implementation of proposed
agency action regarding the research
proposals. As provided by subsection
10(d) of Public Law 92-463, as amended
by Public Law 94-409, closing the
subcommittee meetings is in accordance
with Title 5 U.S.C. 552b(c) (6) and
(9)(B).

Those who would like to obtain a
copy of the minutes from the closed
subcommittee meetings and rosters of
the subcommittee members should
