

expected to reduce the cost and burden that some commenters associated with collecting, tabulating, and analyzing data to submit in aggregate form. OFCCP also refined its definition of compensation, as proposed in 2011, to include consideration of hours worked, incentive pay, merit increases, locality pay, and overtime.

In the 2008 Letter, OFCCP encouraged the use of electronic submission of the data. In the OMB approved renewal, the agency is requiring contractors to provide the data electronically but only if they maintain it in an electronic format that is useable and readable. This provides contractors with more flexibility when compared to what OFCCP proposed in 2011, and the provision may contribute to faster and more efficient compliance evaluations.

Finally, OFCCP was required to make several changes to the 2008 Itemized Listing based on recent regulatory changes. The Section 503 of the Rehabilitation Act of 1973 and VEVRAA final rules, published in September 2013, changed the data collection, recordkeeping and reporting requirements of these two regulations. The VEVRAA rulemaking also eliminated 41 CFR part 60–250, and OFCCP rescinded the Voluntary Guidelines and Compensation Standards in February 2013 (78 FR 13508). Therefore, OFCCP had no discretion and incorporated these regulatory changes into the renewal of this ICR.

III. The Compliance Check Letter

In 2011, OFCCP proposed changes to the 2008 Compliance Check Letter. However, none of the changes the agency proposed was substantive.

As provided in 5 CFR 1320.5(b) and 1320.6(a), an agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number. The agency must inform individuals who are to respond to the collection that they are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Dated: September 24, 2014.

Director, Division of Policy and Program Development, Office of Federal Contract Compliance Programs.
