Background Checks on Individuals in DoD Child Care Services Programs

AGENCY: Under Secretary of Defense for Personnel and Readiness, DoD.

ACTION: Proposed rule.

SUMMARY: This rule establishes and updates policy, assigns responsibilities, and provides procedures to conduct criminal history checks on individuals involved in the provision of child care services for children under the age of 18 in DoD programs. *Public Law 101-647, also known as the Crime Control Act of 1990 (Act)*, requires all individuals involved with the provision of child care services to children under the age of 18 undergo a criminal background check. "Child care services" include, but are not limited to, social services, health and mental health care, child (day) care, education (whether or not directly involved in teaching), and rehabilitative programs. Any conviction for a sex crime, an offense involving a child victim, or a drug felony, may be grounds for denying employment or for dismissal of an employee providing any of the services discussed above

DATES: Comments must be received by December 1, 2014.

ADDRESSES: You may submit comments, identified by docket number and/or Regulatory Information Number (RIN) number and title, by any of the following methods:

SUPPLEMENTARY INFORMATION:

Executive Summary

The purpose of this regulatory action is to describe requirements for criminal history background checks, including reinvestigation, and self-reporting, for individuals involved with the provision of child care services.

The legal authorities for this rule include: 5 U.S.C. 2105, 10 U.S.C. chapter 47, 42 U.S.C. 13041.

The major provisions of this regulatory action include providing procedures for requirements for criminal history background checks listing the types of background checks, and descriptions of reinvestigation and self-reporting.

This rule is intended to support the workforce mission of the DoD and implement current law that covers individuals expected to have regular contact with children in the performance of child care services on a DoD installation or DoD-sanctioned program. The estimated costs of the proposed rule are \$10 million annually. This cost includes administration costs; required FBI fingerprint Investigations Child Care National Agency Check with Inquiries checks (\$125/NACI); State Criminal History Repository checks (\$25/each state the individual resided in); and periodic reinvestigations. We do not believe that this rule will impose substantial direct costs on state and local governments.

Regulatory Analysis

Executive Order 12866, "Regulatory Planning and Review" and Executive Order 13563, "Improving Regulation and Regulatory Review"

Executive Orders 13563 and 12866 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, reducing costs, harmonizing rules, and

promoting flexibility. This rule has been determined to be a significant regulatory action, although not economically significant, under section 3(f) of Executive Order 12866. Accordingly, the rule has been reviewed by the Office of Management and Budget (OMB).

Section 202, Public Law 104-4, "Unfunded Mandates Reform Act"

DoD has reviewed the rule in accordance with the Unfunded Mandates Reform Act of 1995, and compliance with the rule would require no additional expenditures by either public or private employers. In sum, the final rule does not mandate that State, local, and tribal governments adopt new, unfunded regulatory obligations. The costs of the investigations conducted pursuant to this rule are borne by the DoD, and not by the individual or his or her employer.

Public Law 96-354, "Regulatory Flexibility Act" (5 U.S.C. 601)

We certify this rule would not have a significant economic impact on a substantial number of small entities because the costs for the investigation conducted pursuant to this rule are borne by the DoD, and not by the individual or his or her employer. Furthermore, any indirect costs incurred by small businesses as a result of this rule would be minimal. Accordingly, a regulatory flexibility analysis as provided in the Regulatory Flexibility Act, as amended, is not required.

Public Law 96-511, "Paperwork Reduction Act" (44 U.S.C. Chapter 35)

This rule imposes reporting and record keeping requirements under the Paperwork Reduction Act of 1995. These requirements have been approved by the Office of Management and Budget and assigned OMB Control Number 3206-0005, "Questionnaires for National Security Positions, Standard Form 86 (SF 86)," OMB Control Number 3206-0261, "SF 85 Questionnaire for Non-Sensitive Positions," OMB Control Number 3206-0191, "SF 85P Questionnaire for Public Trust Positions," and OMB Control Number 0704-0516, "Child Care Development Program (CDP) Criminal History."

Executive Order 13132, "Federalism"

This rulemaking was analyzed in accordance with the principles and criteria contained in Executive Order 13132 ("Federalism"). It has been determined that it does not have sufficient Federalism implications to warrant the preparation of a Federalism summary impact statement. This rulemaking has no substantial effect on

the States, or on the current Federal-State relationship, or on the current distribution of power and responsibilities among the various local officials. Nothing in this document preempts any State law or regulation. Therefore, DoD did not consult with State and local officials because it was not necessary. Show citation box

Contractor. Any individual, firm, corporation, partnership, association, or other legal non-Federal entity that enters into a contract directly with DoD or a DoD Component to furnish supplies, services, or both including construction. Subcontractors are excluded. Foreign governments or representatives of foreign governments that are engaged in selling to DoD or a DoD Component are defense contractors when acting in that context. A subcontractor is any supplier, distributor, vendor, or firm that furnishes supplies or services to or for a prime contractor or another subcontractor

Covered position. Defined in volume 731 of DoD Instruction 1400.25, “DoD Civilian Personnel Management System” (available at <http://www.dtic.mil/whs/directives/corres/pdf/140025v731.pdf>). **Criminal history background checks.** A review of records, investigative reports, and other investigative elements to generate criminal history background findings to

be used to make fitness or suitability determinations.

Derogatory information. Information that may reasonably justify an unfavorable personnel suitability or fitness determination because of the nexus between the issue or conduct and the core duties of the position.

Employee. An individual, paid from funds appropriated by the Congress of the United States, or an individual employed by a NAF instrumentality in accordance with 5 U.S.C. 2105(c). Includes foreign nationals in accordance with Volume 1231 of DoD Instruction 1400.25, “DoD Civilian Personnel Management System” (available at <http://www.dtic.mil/whs/directives/corres/pdf/1400.25-V1231.pdf>), Military Service members working during their off-duty hours, and non-status, non-continuing temporary positions with specified employment periods not to exceed 1 year such as summer hires, student interns, and seasonal hires.

FAP records check. A review of FAP records maintained on an individual, including records maintained by the installation office and records in the Service Child and Spouse Abuse Central Registry in accordance with DoD Directive 6400.1. If the individual is the spouse or dependent of a Service member, this may entail review of records maintained on the sponsoring Service member. Installation and Service Central Registry checks are

limited to identifying pending and met criteria incidents of maltreatment and do not include information related to incidents that did not meet criteria or any information contained in the clinical case record that is protected by section 1320d-6 or 5 U.S.C. 552a

Federal Bureau of Investigation (FBI) criminal history background check. An FBI identification record—often referred to as a criminal history record or a “rapsheet”—is a listing of certain information taken from fingerprint submissions retained by the FBI in connection with arrests and, in some instances, federal employment, naturalization, or military service. The process of responding to an identification record request is generally known as a criminal history background check.

FCC. Defined in DoD Instruction 6060.2, “Child Development Programs (CDPs)” (available at <http://www.dtic.mil/whs/directives/corres/pdf/606002p.pdf>).

FCC provider. Defined in DoD Instruction 6060.2.

FCC adult family members. Any adult, 18 years of age or older, who resides in the home of an FCC provider for 30 or more consecutive days.

Fitness. The reference to a person’s level of character and conduct determined necessary for an individual to perform work for, or on behalf of, a Federal Agency as an employee in the excepted service (other than in a position subject to suitability) or as a contractor employee.

Fitness determination. A decision, based on review of criminal history background check findings, that an individual is fit to perform duties in a position subject to criminal history background check. Fitness determinations will be “favorable,” meaning that the individual is fit to perform the duties, or “unfavorable,” meaning that the individual is not.

Foreign nationals. Individuals who are not citizens of the United States.

Foster care providers. A voluntary or court-mandated program that provides 24-hour care and supportive services in a family home or group facility, within government-owned or -leased quarters, for children and youth who cannot be properly cared for by their own family.

Healthcare personnel. Military, civilian, or contract staff involved in the delivery of healthcare services.

Host-government check. A criminal history background check conducted on foreign nationals in accordance with U.S. and host country treaties or agreements.

Interim suitability or fitness determination. Part of the pre-screening

process in the identification and resolution of suitability or fitness issues, which occurs prior to the initiation of the required investigation. It involves the review of applications and other employment related documents. A favorable interim suitability or fitness determination is a status granted on a temporary basis, which permits individuals to work under line-of-sight supervision (LOSS) after the return of the advance FBI fingerprint check, pending completion of full investigative requirements and a final suitability determination.

Investigative elements. The records, reports, or other individual elements that comprise the whole of information collected during a criminal history background check and used to make a fitness or suitability determination.

Installations records check (IRC). A query of records maintained on an individual by programs and entities at the military installation where the individual lives, is assigned, or works, including military law enforcement and installation security records, drug and alcohol records, and FAP records for a minimum of 2 years before the date of the application.

Investigative service provider (ISP). The company or agency authorized to perform background investigations on personnel on behalf of the agency.

Line of Sight Supervision (LOSS). Continuous visual observation and supervision of an individual whose background check has not yet cleared, and has a favorable interim suitability or fitness determination, while engaged in child interactive duties, or in the presence of children in a DoD sanctioned program or activity. The person providing supervision must have undergone a background check and received a final favorable suitability or fitness determination and be current on all periodic reinvestigations as required by this part.

Met criteria. Reported incident of alleged maltreatment found to meet DoD incident determination criteria for child abuse or domestic abuse and entry into the Service FAP central registry of child abuse and domestic abuse reports.

Position. An employee, contractor, provider, or volunteer role or function.

Preliminary investigations. Those investigative elements of a criminal history background check, including those specified in § 86.6(f) of this part, which must be favorably completed and reviewed before an individual may be permitted to perform duties under LOSS.

Providers. Individuals involved in child care services who have regular contact with children or may be alone

with children in the performance of their duties. Includes FCC providers and individuals with overall management responsibility for child and youth programs.

Regular contact with children.

Recurring and more than incidental contact with or access to children in the performance of their duties on a DoD installation, program, or as part of a DoD-sanctioned activity.

Reinvestigation. A criminal history background check conducted after the period of time prescribed by this part to ensure the individual remains eligible to provide child care services.

Reinvestigation includes the same checks conducted for the initial investigation as outlined in paragraph (b) of § 86.6.

Respite care providers. Individuals who provide short-term care and supportive services in a family home or group facility within government-owned or -leased quarters.

State criminal history repository (SCHR). A repository of criminal information that lists past state convictions, current offender information, and criminal identification information (fingerprints, photographs, and other information or descriptions) that identify a person as having been the subject of a criminal arrest or prosecution. Checks of the SCHR may include the State child abuse and neglect repository and the State sex offender registry.

Suitability determination. A decision that a person is or is not suitable for a covered position within the DoD.

Supervisor. The person supervising individuals who are permitted to perform duties only under LOSS, who is not necessarily the same as an employee’s supervisor for employment purposes (e.g., ratings, assignment of duties).

Volunteer. There are two types of volunteers:

(1) **Specified volunteers.** Individuals who could have extensive or frequent contact with children over a period of time. They include, but are not limited to, positions involving extensive interaction alone, extended travel, or overnight activities with children or youth. Coaches and long-term instructors are among those who fall in this category. Specified volunteers are designated by the DoD Component head. Background checks are required in accordance with paragraph (b)(4) of § 86.6.

(2) **Non-specified volunteers.** Individuals who provide services that are shorter in duration than is required to perform a criminal history background check (e.g., one-day class

trip, class party). Because non-specified volunteers do not receive the same level of background checks as specified volunteer, non-specified volunteers must always be in line of sight of a staff member with a complete background check.

Youth program. Defined in DoD Instruction 6060.4, "Department of Defense (DoD) Youth Programs (YPs)" (available at <http://www.dtic.mil/whs/directives/corres/pdf/606004p.pdf>).

§ 86.4 Policy.

It is DoD policy that:

(a) Individuals who have regular contact with children under 18 years of age in DoD-sanctioned child care services programs will undergo a criminal history background check.

(b) DoD Component heads are delegated the authority to make suitability determinations and take subsequent actions in cases involving applicants and appointees to covered positions as defined by 5 CFR 731.101, subject to the conditions in 5 CFR 731.103. This authority may be further delegated to authorized management officials, in writing, in accordance with volume 731 of DoD Instruction 1400.25.

(1) The DoD Consolidated Adjudications Facility is responsible for making favorable suitability determinations for civilian personnel in accordance with Deputy Assistant Secretary of Defense for Civilian Personnel and Policy Memorandum, "Responsibilities Under the Department of Defense Suitability and Fitness Adjudications for Civilians Employees Programs," August 26, 2013.

(2) Military members are not subject to suitability adjudication under Volume 731 of DoD Instruction 1400.25, "DoD Civilian Personnel Management System" (available at <http://www.dtic.mil/whs/directives/corres/pdf/140025v731.pdf>). Military members are subject to the background check requirements of DoD Instruction 5200.02, "Personnel Security Program" (available at http://www.dtic.mil/whs/directives/corres/pdf/520002_2014.pdf) and § 86.6.

(c) All individuals who have a current or prior DoD affiliation must also undergo an IRC.

(d) Suitability and fitness determinations for individuals subject to this part will follow the guidance of Volume 731 of DoD Instruction 1400.25 for APF employees and Subchapter 1403 of DoD Instruction 1400.25 for NAF employees. Suitability and fitness are to be applied for the child care worker population in accordance with Volume 731 of DoD Instruction 1400.25 for appropriated fund employees in

covered positions as defined by 5 CFR part 731.

(e) Individuals who have received a favorable interim suitability or fitness determination based on the FBI criminal history background check are permitted to work under LOSS pursuant to 42 U.S.C. 13041(b)(3).

§ 86.5 Responsibilities.

(a) Under the authority, direction, and control of the Under Secretary of Defense for Personnel and Readiness (USD(P&R)), the Assistant Secretary of Defense for Readiness and Force Management (ASD(R&FM)):

(1) Ensures the conduct of criminal history background checks complies with DoD policy and the Criminal Justice Information Services Division of the FBI's operational and security policies and procedures.

(2) Monitors DoD Component compliance with this part, applicable laws, and subsequent guidance issued by the applicable ISP.

(b) Under the authority, direction, and control of the ASD(R&FM), the Deputy Assistant Secretary of Defense for Civilian Personnel Policy (DASD(CPP)) oversees development of DoD Component policies and procedures for the background check initiation, completion, adjudication, and suitability or fitness determination process for civilian employees in accordance with this part.

(c) Under the authority, direction, and control of the ASD(R&FM), the Deputy Assistant Secretary of Defense for Military Community and Family Policy (DASD(MC&FP)) oversees development of DoD Component policies and procedures related to the background check initiation, completion, adjudication, and fitness determination process for specified volunteers, FCC providers and adults residing in their home, and others as identified in accordance with this part.

(d) Under the authority, direction, and control of the ASD(R&FM), the Deputy Assistant Secretary of Defense for Military Personnel Policy (DASD(MPP)):

(1) Implements this part for the individuals identified in paragraph (a)(6)(v) of § 86.6.

(2) Institutes effective quality assurance and quality control systems for chaplains, support staff, specified volunteers, and contractors who provide support to religious programs and activities identified in paragraph (a)(6)(v) of § 86.6 and in accordance with this part.

(e) The Director of Administration under the authority, direction, and control of the Deputy Chief Management Officer (DCMO) of the Department of

Defense, the Director of Administration ensures that the adjudication of background investigations of individuals who have regular contact with children under 18 years of age in DoD-sanctioned programs considers the criteria for presumptive and automatic disqualification as specified in this part.

(f) The Under Secretary of Defense for Acquisition, Technology, and Logistics (USD(AT&L)) establishes policies and procedures for the background check initiation, completion, adjudication, and fitness determination process for contractors in accordance with the requirements of this part.

(g) The DoD Component heads:

(1) Ensure Component compliance with the requirements of this part, applicable laws, and guidance for civilian employees.

(2) Ensure compliance with suitability and fitness determination policies, requirements, and procedures for individuals in child care services in DoD programs as defined in 42 U.S.C. 13041 and DoD Instruction 1400.25.

(3) Ensure compliance with policies, requirements, and procedures for LOSS of individuals with a favorable interim suitability determination.

(4) Provide support and resources as required to implement this part and any Component-specific policies, requirements, and procedures, and ensure implementation.

§ 86.6 Procedures.

(a) *Requirements for Criminal History Background Checks.*

(1) All criminal history background checks required by this part must be initiated and overseen by properly trained and vetted individuals who have been determined to be responsible for personnel security pursuant to DoD 5200.2-R or human resource functions pursuant to Volume 731 of DoD Instruction 1400.25. Program managers, supervisors, and others not routinely performing personnel security and human resource functions are prohibited from managing the criminal history checks.

(2) All employment applications completed by individuals subject to this part must comply with the requirements of 42 U.S.C. 13041(d).

(3) The DoD Component will ensure that only authorized ISPs are used.

(4) When permitted by the host government, foreign government checks of individuals serving on DoD installations overseas must be requested directly by the employing Military Service or agency in accordance with Volume 1231 of DoD Instruction 1400.25. As an alternative, DoD Components may request that overseas

Military Service investigative elements obtain appropriate host-government checks and accept such checks if they are comparable to those required by 42 U.S.C. 13041. Where it is not possible to obtain criminal history checks comparable to those required by 42 U.S.C. 13041, foreign nationals will not be eligible for employment in child care services.

(5) Individuals subject to criminal history background checks are:

(i) All personnel employed or performing duties in DoD Child and Youth or other sanctioned child care services program.

(ii) Individuals providing in-home FCC.

(iii) Personnel employed or performing duties in child and youth recreational and athletic programs (e.g., Morale, Welfare, and Recreation), including instructors and, when working in a facility when children and youth are present, custodial personnel.

(iv) Individuals employed or performing duties in a DoDEA school (whether or not directly involved with teaching), including but not limited to teachers, administrators, other professional staff, aides, bus drivers, janitors, cafeteria workers, nurses, and attendants.

(v) Chaplains, chaplains' assistants, religious program specialists, and other individuals employed or performing child care services duties for children under 18 years of age on a DoD installation or as part of a military-sanctioned program.

(vi) Foster and respite child care providers on a DoD installation, program, or as part of a military-sanctioned activity.

(vii) Health and mental health care personnel, employed or performing child care services duties on a DoD installation, in a DoD sanctioned program, or as part of a military-sanctioned activity, including but not limited to physicians, dentists, nurse practitioners, clinical social workers, physical therapists, speech-language pathologists, clinical support staff (including residents), registered nurses, licensed practical nurses, nursing assistants, play therapists, and technicians.

(viii) Individuals employed or performing child care duties in social services, residential care, rehabilitation programs, detention, and correctional services on a DoD installation, program, or as part of a military-sanctioned activity.

(ix) Any other individuals reasonably expected to have regular contact with children on a DoD installation, in a DoD sanctioned program, or as part of a

military-sanctioned activity, including specified volunteers and any person 18 years of age or older residing in an FCC, foster, or respite care home.

(6) The DoD Components will also determine any other classes of positions subject to criminal history background checks, taking care to ensure that all individuals who have regular contact with children when providing child care services are investigated and the requirement must pertain to the class as a whole.

(7) Individuals designated in non-specified volunteer positions must always be under direct LOSS in accordance with § 86.6(f).

(b) *Types of Background Checks.* Procedures for conducting a background check on individuals in paragraphs (a)(6)(i) through (a)(6)(ix) of this section differ based on the employment status of the individual. Military members are subject to the background check requirements of DoD Instruction 5200.02 and this section. The FBI criminal history background checks for all categories of individuals must be fingerprint-based and fingerprints must be captured using an FBI-approved system. SCHR checks may require hardcopy fingerprint submissions. State checks must include the state child abuse and neglect repository and the state sex offender registry. The Component must request a check of the state child abuse and neglect repository and the State sex offender registry if they are not automatically checked as part of the standard SCHR check.

(1) *Criminal History Background Checks for DoD Civilian and Military Personnel who are Investigated at the NACI or a Higher Level pursuant to DoD's Personnel Security Program.*

(i) DoD civilian and military personnel required by DoD Instruction 5200.02 to be investigated according to the requirements of the NACI or a higher level investigation and who have regular contact with children under 18 years of age in DoD-sanctioned programs will be investigated and adjudicated in accordance with the provisions of DoD Instruction 5200.02.

(ii) These personnel will also be subject to the additional requirements of the Child Care National Agency Check and Inquiries (CNACI) and the criteria for presumptive and automatic disqualification as specified in paragraph (c) of this section.

(2) *Criminal History Background Checks for Civilian Employees (APF and NAF).*

(i) In accordance with 42 U.S.C. 13041 and Volume 731 and Subchapter 1403 of DoD Instruction 1400.25, complete a CNACI, which includes an FBI criminal

history background check conducted through the Criminal Justice Information Services Division of the FBI and SCHR checks through State repositories of all States that an employee or prospective employee lists as current and former residences on an employment application. Results of an advanced FBI fingerprint check must be provided before completion of the full CNACI to determine employment under LOSS.

(iii) Evidence or documentation of the individual's past or present dependency on or addition to any controlled or psychoactive substances, narcotics, cannabis, or other dangerous drug without evidence of substantial rehabilitation.

(iv) A conviction, including any general, special, or summary court-martial conviction, or non-judicial punishment under Article 15 of the UCMJ for:

(A) A crime of violence committed against an adult.

(B) Illegal or improper use, possession, or addiction to any controlled or psychoactive substances, narcotics, cannabis, or other dangerous drug.

(v) A civil adjudication that terminated the individual's parental rights to his or her child, except in cases where the birth parent places his or her child for adoption.

(2) *Evaluation of Presumptively Disqualifying Information.* The DoD Components will establish and oversee procedures for the evaluation of presumptively disqualifying information for all categories of individuals in paragraph (b) of this section. Evaluation of presumptively disqualifying information for APF and NAF personnel must be in accordance with Volume 731 and Subchapter 1403 of DoD Instruction 1400.25, respectively.

(3) *Criteria for Disqualification Under LOSS.* If an investigation of an individual who is currently working under LOSS subsequently results in an unfavorable determination, the DoD Components will take action to protect children by reassigning or removing the individual from employment, contract, or volunteer status.

(4) *Disputes and Appeals.* The DoD Components will establish and oversee procedures for the communication of determinations and the appeal of unfavorable determinations for all categories of individuals in paragraph (b) of this section. The procedures for civilian personnel are subject to Volume 731 of DoD Instruction 1400.25 for APF employees and Subchapter 1403 of DoD Instruction 1400.25 for NAF employees.

(d) *Reinvestigation.*

(1) All DoD civilian employees (both APF and NAF), contractors, military personnel, and any other individuals reasonably expected to have regular contact with children on a DoD installation, program, or as part of a military-sanctioned activity, including specified volunteers and any person 18 years of age or older residing in an FCC, foster, or respite care home, who continue to perform duties in the position for which their initial background check was conducted, must undergo a reinvestigation every 5 years. The reinvestigation must consist of a check at the same level as the initial investigation as outlined in paragraph (b) of this section.

(2) All FCC providers and adults residing in an FCC home must undergo an annual reinvestigation. The reinvestigation must consist of the same check conducted for the initial investigation as outlined in paragraph (b) of this section.

(3) If the reinvestigation results in an unfavorable determination, the DoD Components will take action to protect children by reassigning or removing the individual from employment, contract, or volunteer status.

(4) If derogatory information surfaces within the 5 years before the reinvestigation, the DoD Component will take action to protect children by reassigning or suspending the individual from having contact with children, any individual, contractor or volunteer until the case is resolved.

(e) *Self-Reporting.*

(1) Individuals who have regular contact with children under 18 years of age in DoD-sanctioned programs who have a completed background check are required to immediately report subsequent automatic disqualification criteria under paragraph (c)(1) of this section and presumptive disqualification criteria under paragraphs (c)(2)(i), (c)(2)(iv), and (c)(2)(v) of this section.

(2) The DoD Components will establish procedures for:

(i) Informing individuals of the requirement to immediately report any incident or conviction that may invalidate their prior background check and make them ineligible to work or have contact with children.

(ii) Responding to and evaluating reports made by such individuals, and taking appropriate action until the case has been resolved or closed.

Eligibility to Perform Duties Under LOSS.

The DoD Components will establish Component-specific procedures, policies, and requirements, subject to

the requirements of this section, to permit applicants for whom a criminal history background check has been initiated but not yet completed, to perform duties under LOSS upon favorable findings of preliminary investigations.

(1) *No Presumption of Right.* No individual will be permitted to perform duties under LOSS in a position subject to criminal history background check without authorizing policy or other written permission from a DoD Component head.

(2) *Preliminary Investigations Required.* No individual will be permitted to perform duties under LOSS in a position subject to criminal history background check unless the following investigative elements have been reviewed and determined favorably:

(i) An IRC, including installation law enforcement records check, drug and alcohol records, and FAP records check for a minimum of 2 years before the date of the application if the individual has a preexisting DoD affiliation.

(ii) Initial results from the advanced FBI fingerprint criminal history background check (not the full check).

(3) *Exception for Non-specified Volunteers.* Due to the controlled, limited duration of an activity for these individuals, an advanced FBI fingerprint criminal history background check is not required. Non-specified volunteers will be permitted to perform duties and services under LOSS for the duration of the activity.

(4) *Supervisor Requirements.* The supervisor must be a person who:

(i) Has undergone and successfully completed the required background check.

(ii) Has complied, as required, with the periodic reinvestigation requirement for a recurring criminal history background check.

(iii) Has not previously exhibited reckless disregard for an obligation to supervise an employee, contractor, or volunteer.

(5) *Video Surveillance.* The use of video surveillance equipment to provide temporary oversight for individuals whose required background checks have been initiated but not completed is acceptable provided it is continuously monitored by an individual who has undergone and successfully completed all required background checks. This provision shall meet the intent of a flexible and reasonable alternative for "direct sight supervision."

(6) *Conspicuous Identification of Individuals Subject to LOSS.* Individuals permitted to perform duties solely under LOSS must be conspicuously marked by means of

distinctive clothing, badges, wristbands, or other visible and apparent markings. The purpose of such markings must be communicated to staff, customers, parents, and guardians by conspicuous posting or printed information.

(7) *Permissible Performance of Duties Without Supervision.* Individuals otherwise required to perform duties only under LOSS may perform duties without supervision if:

(i) Interaction with a child occurs in the presence of the child's parent or guardian;

(ii) Interaction with children is in a medical facility, subject to supervisory policies of the facility, and in the presence of a mandated reporter of child abuse; or

(iii) Interaction is necessary to prevent death or serious harm to the child, and supervision is impractical or unfeasible (e.g., response to a medical emergency, emergency evacuation of a child from a hazardous location).

RIN 1625-AA00

Safety Zone; Navy UNDET, Outer Apra Harbor and Adjacent Waters, Guam

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to establish safety zones for underwater detonation operations in the waters of outer Apra Harbor, Guam. This rule would be effective from 2 p.m. on November 5, 2014, until 4 p.m. on November 6, 2014 (kilo, Local Time). The enforcement period for this rule would be from 2 p.m. to 4 p.m. on November 5, 2014 and from 2 p.m. to 4 p.m. November 6, 2014. The Coast Guard believes this safety zone regulation is necessary to protect all persons and vessels that would otherwise transit or be within the affected area from possible safety hazards associated with an underwater detonation operation.
