Notice To Reopen the Public Comment Period for Agency Information Collection Activities; Proposed Collection; Comment Request

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice.

SUMMARY: The Bureau of Reclamation is reopening the public comment period for the proposed information collection: Collection and Compilation of Water Pipeline Field Performance Data. In response to comments received during the 60-day public comment period, the Bureau of Reclamation has revised the information collection request and will publish a second **Federal Register** notice offering a 30-day comment period prior to submitting the information collection request to the Office of Management and Budget for approval.

DATES: Submit written comments on the information collection request on or before October 31, 2014.

ADDRESSES: Send all written comments concerning this notice to Lee Sears, Materials Engineering Research Laboratory, 86-68180, Bureau of Reclamation, P.O. Box 25007, Denver, Colorado 80225; or via email to lsears@usbr.gov.

FOR FURTHER INFORMATION CONTACT: To request more information on this information collection or to request a copy of the collection instrument, please contact Lee Sears at 303-445-2392.

SUPPLEMENTARY INFORMATION:

I. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Bureau of Reclamation announced its intentions of submitting the Collection and Compilation of Water Pipeline Field Performance Data information collection request to the Office of Management and Budget for approval. The required 60-day public comment period for this information collection request was initiated by a notice published in the **Federal Register** on February 26, 2014 (79 FR 10842). The information being collected is required to comply with a request from Congress for the Bureau of Reclamation to assemble data on pipeline reliability for specific types of pipes.

Comments were received from two entities regarding the information collection during the comment period that ended on April 14, 2014.

II. Summary of Proposed Changes, Comments and Responses

Comments received that are similar in nature have been categorized into technical and general comments, and in some instances have been combined with related comments. Comments and our responses on general issues are arranged first, followed by comments and responses regarding the technical text of the information collection request.
