

Rule 15c1-6 states that any broker-dealer trying to sell to or buy from a customer a security in a primary or secondary distribution in which the broker-dealer is participating or is otherwise financially interested must give the customer written notification of the broker-dealer's participation or interest at or before completion of the transaction. The Commission estimates that 446 respondents collect information annually under Rule 15c1-6 and that each respondent would spend approximately 10 hours annually complying with the collection of information requirement (approximately 4,460 hours in aggregate).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Extension: Rule 15c2-1,

SEC File No. 270-418, OMB Control No. 3235-0485.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 15c2-1, (17 CFR 240.15c2-1), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 15c2-1 prohibits the commingling under the same lien of securities of margin customers (a) with other customers without their written consent, and (b) with the broker-dealer. The rule also prohibits the re-hypothecation of customers' margin securities for a sum in excess of the customer's aggregate indebtedness. Pursuant to Rule 15c2-1, respondents must collect information necessary to prevent the re-hypothecation of customer securities in contravention of the rule, issue and retain copies of notices of hypothecation of customer securities in accordance with the rule, and collect written consents from customers in accordance with the rule. The information is necessary to ensure compliance with the rule, and to advise customers of the rule's protections.

There are approximately 61 respondents (*i.e.*, broker-dealers that conducted business with the public, filed Part II or Part IICSE of the FOCUS Report, did not claim an exemption from the Rule 15c3-3 reserve formula computation, and reported that they had a bank loan during at least one quarter of the current year) that require an aggregate total of 1,373 hours to comply with the rule. Each of these approximately 61 registered broker-dealers makes an estimated 45 annual responses. Each response takes approximately 0.5 hours to complete. Thus, the total compliance burden per year is 1,373 burden hours.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or

other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 15c1-7 (17 CFR 240.15c1-7) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) ("Exchange Act"). Rule 15c1-7 states that any act of a broker-dealer designed to effect securities transactions with or for a customer account over which the broker-dealer (directly or through an agent or employee) has discretion will be considered a fraudulent, manipulative, or deceptive practice under the federal securities laws, unless a record is made of the transaction immediately by the broker-dealer. The record must include (a) the name of the customer, (b) the name, amount, and price of the security, and (c) the date and time when such transaction took place.

The Commission estimates that 446 respondents collect information related to approximately 400,000 transactions annually under Rule 15c1-7 and that each respondent would spend approximately 5 minutes on the collection of information for each transaction, for approximately 33,333 aggregate hours per year (approximately 74.7 hours per respondent).

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-73235; File No. SR-BYX-2014-025]

Self-Regulatory Organizations; BATS Y-Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Rule 11.9(c) To Adopt a Supplemental Peg Order

September 26, 2014.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on

September 15, 2014, BATS Y-Exchange, Inc. (the "Exchange" or "BYX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Exchange has designated this proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6)(iii) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange proposed to amend: (i) Rule 11.9(c) to adopt a new order type called the Supplemental Peg Order and; (ii) Rule 11.12(a) to reflect the priority of Supplemental Peg Orders. The proposed Supplemental Peg Order is identical to the existing Route Peg Order available on EDGX Exchange, Inc. ("EDGX") and EDGA Exchange, Inc. ("EDGA")⁵ and similar to order types offered by the Nasdaq Stock Market LLC ("Nasdaq") and NYSE Arca, Inc. ("NYSE Arca").⁶ The Exchange has designated this proposal as non-controversial and provided the Commission with the notice required by Rule 19b-4(f)(6)(iii) under the Act.⁷

The text of the proposed rule change is available at the Exchange's Web site at <http://www.batstrading.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend: (i) Rule 11.9(c) to adopt a new order type called the Supplemental Peg Order and; (ii) Rule 11.12(a) to reflect the priority of Supplemental Peg Orders. The proposed Supplemental Peg Order is identical to the existing Route Peg Order available on EDGX and EDGA⁸ and similar to order types offered by the NYSE and NYSE Arca.⁹

Earlier this year, the Exchange and its affiliate, BATS Exchange, Inc. ("BZX"), received approval to affect a merger (the "Merger") of the Exchange's parent company, BATS Global Markets, Inc., with Direct Edge Holdings LLC, the indirect parent of EDGX and EDGA (together with BZX, BYX and EDGX, the "BGM Affiliated Exchanges").¹⁰ In the context of the Merger, the BGM Affiliated Exchanges are working to align certain system functionality, retaining only intended differences between the BGM Affiliated Exchanges. Thus, the proposal set forth below is intended to add certain system functionality currently offered by EDGA and EDGX in order to provide a consistent technology offering for users of the BGM Affiliated Exchanges.

Like the Route Peg Order on EDGA and EDGX,¹¹ the proposed Supplemental Peg Order would be a non-displayed limit order that posts to the BATS Book,¹² and thereafter be eligible for execution at the National Best Bid ("NBB") for buy orders and National Best Offer ("NBO") for sell orders against routable orders that are equal to or less than the aggregate size of the Supplemental Peg Order interest available at that price. Supplemental Peg Orders are passive, resting orders on the BATS Book and do not take liquidity. A User¹³ may specify a minimum execution quantity for a Supplemental Peg Order. A minimum execution quantity on a Supplemental Peg Order will no longer apply where the number of shares remaining after a partial execution are less than the

¹¹ See EDGA Rule 11.5(c)(14); EDGX Rule 11.5(c)(17).

¹² The "BATS Book" is defined as "the System's electronic file of orders." See Exchange Rule 1.5(e).
